While an extremely large gathering, yet they were earnest and full of business, practically all of the plans of the organization having been completed.

Many important matters are expected to come up for legislation at this meeting, and realizing the severity of the three days' mental stress, the local organization are seeking to offer relief by providing comfortable and adequate service.

Excellent meals will be furnished the delegates free and visitors at 20 cents per plate. Several social features are being arranged, if time permits, and a very pretty reception will be tendered the delegates and visitors by the local organization Wednesday evening. A special meeting has been called for May 18th at the home of Mrs. R. N. Hyde to care for some minor details.

We wish to express our gratitude of thanks to our many neighbors and friends for their kindness and many nice flowers given and service rendered during the illness and death of our son, Leonard Barlow. Signed, Mr. and Mrs. John S. Barlow.

McNERNEY FOR CONSTABLE.
Mr. Dan McNERNEY, one of the present constables of Des Moines township, West Des Moines, is a candidate for re-nomination for his second term, subject to the June primaries. Mr. McNERNEY is a Des Moines boy born in Polk county thirty-six years ago and has lived here ever since. He has never asked or held an elective office before, although an active republican for many years. He has made a good constable, standing well with the colored people and treating them fair. Having lived here many years, he knows them personally and he thanks the voters who gave him such strong support two years ago, and he solicits your continued support for his second term.

FRANKLIN FOR REPRESENTATIVE.
The name of O. S. Franklin will be on the republican ticket as a candidate for one of the representatives from Polk county, subject to the primaries June 1st. Mr. Franklin is a young lawyer of this city and was a candidate four years ago and lacked but a few votes of being nominated. He is a Polk county boy, living in Mitchellville, and graduating from the Iowa State Agricultural College at Ames. He is also a graduate from the law department of the University of Michigan at Ann Arbor. He has practiced law in our city for about ten years; is a working republican and never held an elective office. He is a good friend of the colored people and will treat all classes fair if elected, having received a large per cent of their votes four years ago, for which he thanks them very much and solicits your continued support at the coming primaries.

mon masses to a better thing in life. His friends are soliciting for him our support.

BURNETTE FOR SUPERVISOR.
We present the name of Mr. A. S. Burnette of Valley Junction, who is a candidate for a member of the board of supervisors from the Fifth district. Mr. Burnette was born in 1870 in Ohio and came to Iowa in 1880 and has been a resident of Polk county for the past twenty years. He was one of the pioneer business men of Valley Junction, running a hardware and grocery store for six years. He was postmaster for seven years, served in the recorder's and treasurer's office for several years and was deputy county auditor for three years. With this efficient experience it eminently qualifies him as a most desirable man for a member of the board of supervisors. He has always been an active republican worker and feels as though his past experience with his present knowledge qualifies him for this office, and he therefore solicits your support at the primaries June 1.

DUNSHIEE FOR DISTRICT JUDGE.
It is our good pleasure to present to our readers this week the true likeness of Mr. Frank S. Dunshee, one of our well known and able lawyers of Polk county, who has announced his name as a candidate for judge of the district court of Polk county, subject to the primaries June 1st. Mr. Dunshee was born in Illinois in 1862 and came to Polk county twenty-nine years ago, having been educated in the public schools of Illinois. Later on he graduated from the Princeton university, Princeton, N. J., studied law and was admitted to the bar in 1887 and has practiced ever since in Des Moines. Mr. Dunshee is one of those self-made men and by his agility, honesty and fair dealings he has established and maintained the highest respect of the citizens who know him, and the bar considers it a pleasure to present his name to the public for the district bench. He has never before asked or held any office and no doubt will treat all classes and all races with equal justice if he should be nominated and elected; therefore he solicits your support.

ANDERSON FOR JUSTICE OF THE PEACE.
J. H. Anderson has announced his name as a candidate for justice of the peace of Lee township, East Des Moines. His past experience and belief in an attorney at law for years in Des Moines doubly qualify him for the office of justice. The Editor personally knows Mr. Anderson and can vouch for his efficiency and his fair dealing with all classes and all races of people. His many friends in Des Moines are especially asking the East Side voters to remember him at the primaries in June. He will make a good justice and asks your support.

SELLERS FOR DISTRICT JUDGE.
The above is a true likeness of Mr. Thos. L. Sellers, who has announced his name as a candidate for district judge for Polk county, subject to the primaries in June. Mr. Sellers was born in 1855 and educated in the public schools. He came to Polk county in 1885 and was admitted to the bar in 1880 and has been in practice ever since. He has never held an elective office and is recognized as one of the strong members of the Polk county bar, well qualified by age, experience and practice to make a most desirable judge. He is in sympathy with the common masses of people and has in the past treated all classes and all colors with equal justice. We are safe in saying that he would continue that policy if elected. His many friends are working hard for his nomination and solicit your support in his behalf, as they know he is worthy of your support.

WILSON FOR COUNTY ATTORNEY.
June 1st. Mr. Wilson was born in Iowa in 1883 and attended the public schools, later entering the Grinnell college. From there he took a course at the State University of Iowa, graduating in 1907, and has been practicing ever since. He has been

Whoooping Cough.
"About a year ago my three boys had whooping cough and I found Chamberlain's Cough Remedy the only one that would relieve their coughing and whooping spells. I continued this treatment and was surprised to find that it cured the disease in a very short time," writes Mrs. Archie Dalrympe, Crooksville, Ohio. For sale by all dealers.

assistant county attorney for the past three years and is the son of an old soldier. Young Wilson has never held or asked for an elective office, although an active republican worker. By his training and experience as assistant county attorney he will no doubt make a splendid successor to Mr. Guthrie and his many friends are asking your support in his behalf. He has always been fair with all classes of people and will no doubt give them justice at the bar.

PARKER FOR STATE SENATOR.
The name of Addison M. Parker is presented to our readers as candidate for state senator from Polk county, subject to the primaries in June. Mr. Parker is an Iowa boy, born in Guthrie county in 1870, and came to Des Moines eighteen years ago, where he attended the East Des Moines high school, from which he graduated. Later he entered the law department at Drake university, graduating from there in 1903, and has practiced law ever since. He lives in East Des Moines. He has been active in republican circles, although never held or asked for an office before. He is a bright, capable young man, broad-minded and will give all people a fair chance if elected. His many friends solicit your support in his behalf.

C. C. DOWELL FOR CONGRESS.
The Hon. C. C. Dowell and his friends are making one of the best and cleanest campaigns I have ever known to be made in Iowa. Mr. Dowell is a likeable man and is popular in this city. He made such an excellent record in the lower house, and then served nine years in the state senate with such distinction that he is well known as a successful legislator. He was chairman of the judiciary committee in the senate for eight years, a wonderful record, as men who serve in the senate know, and there was so much progressive, constructive legislation that bore his impress as to make it notable. He ought to be nominated for congress and is going to be. There are so many republican voters in this district who feel that C. C. Dowell is entitled to the nomination and who know that he is so well equipped for it that he is getting strong support in every county and from all factions. In fact the hopeful sign as to his candidacy is that no factional lines are creeping in. He is a true republican and has been active in doing so many helpful things for the state, has been instrumental in getting through so much good legislation that the republicans who know that say he ought to be in congress from this Seventh district. The press of the district reflects the general feeling and a list of the newspapers that are actively supporting him shows that he must easily be the leading candidate. No man could have the loyal newspaper support that Mr. Dowell is getting unless he was, in a large measure, the choice of the people. That much is assured. He will get out in the outside counties and meet the voters just as fast as he can. It is impossible, under the primary system, to meet all the voters, but he will meet just as many of them as he possibly can get to.

C. C. Dowell is an excellent speaker. A man of such clear-cut convictions, of such upright character and such a kindly way that he goes with the masses. A man who has made his own way in the world by hard work, a man who is entitled to the confidence of the people because of his personal worth. He is just now in the prime of life, has good health and is a constant worker. A man of broad views, one who is tolerant, one who is loyal to his convictions and to his friends. A man that when he knows he is right is not to be swayed by any clamor, a man that the republicans of this district can safely nominate and elect to congress. That they are going to do it is the conviction of his friends, and they are in close touch with the conditions over the district.—Des Moines Letter to Stuart Herald.—Adv.
