A NEW BOOK OF POEMS.
A very nice little book of poems has just been issued by William Nauns Ricks of San Francisco, Cal., a young man who formerly lived in Virginia, but is now holding a very responsible position in California. His poems show poetical rhythm and sweetness. Below we publish one:
The Evening Star.
I saw the evening star
At the very point in the sky
Where the rose turned to blue;
A few scattered clouds to the right
And a great black mass of cloud below;
Opal, shading into blue, filled the sky above,
And the star, a great diamond of wondrous luster,
Stood supreme. A symbol for jewelers
To forever hold, as a perfect ideal.
No other light was seen, it stood alone,
And its brilliant beauty brought me thoughts of you.

I stood in the gloaming;
The beauty sank into my soul;
Filled me, calmed me, gave me joy.
Standing thus entranced, years slipped away;
And the old victor's song filled my heart.
Then night came on, slowly like music repeated
In softer strain, before ceasing.
So sank my star in that hour when you left me;
Sank into the mist of eternity,
But left its radiance and glory with me.

It aids expectoration and opens the secretions, which enables the system to throw off a cold. It counteracts any tendency of a cold to result in pneumonia. It contains no opium or other narcotic, and may be given to a child as confidently as to an adult. For sale by all dealers.

Your correspondent is in receipt of two very strong speeches to congress from the mouth of Congressman M. B. He speaks in scathing terms to the "perpetrators of the crime of framing such a bill," and denounces all form of legislation jeopardizing the rights of the colored American citizen. He also touches on the intermarriage law and segregation acts in various places.
