MEDICINE.
 The Boss of all Blood Purifiers---Dr. E. B. Halliday's.
 The greatest searcher of serofulous diseases and blood purifier ever known. It cures salt rheum, boils, pimples,
 old running fever or scurvy, sore eyes, tumor, cancer and cancerous humors, facial complaints,
 syphilitic diseases, diabetes, kidney and bladder diseases, and all diseases arising from an impure state of
 the blood. For nervous debility, lost vitality in young or old, I challenge the world to find its equal. It
 builds the broken down constitution (in ribbon sex) "right square up" and fills the system with pure, rich,
 strong, healthy, electrical blood, vitalizing the whole system. Try it, and you will find every bottle (used for
 the above diseases) worth its weight in gold. It has cured thousands and it will cure you. Try it. As this
 medicine has been extensively counterfeited, see that each bottle has a bronzed lithographic label and that
 the name of E. B. Halliday is blown in the glass. Call on your druggist for it. If he does not keep it he will
 order it for you. If not, I will send it to you by express, with testimonials of some of the best citizens of St.
 Paul, by addressing E. B. HALLIDAY, 87 Wabashaw street, St. Paul, Noyes Bros. & Cutler, Wholesale
 Agents, St. Paul. Grossman & Plummer, Druggists, Sole Agents for Minneapolis.
