

THE PESTILENCE.

ANOTHER DAY OF ITS TERRIBLE RAVAGES.

The Situation in Memphis, New Orleans and Other Stricken Points—Little If Any Decrease in the Fearful Death Rate—The Flow of Money for the Benefit of the Sufferers Increasing in Volume.

NEW ORLEANS, Sept. 18.—Deaths, 68; cases reported 252, of which 153 were prior to the 15th. Weather clear and warm. The deaths include 23 children under seven years. Among the deaths are Mrs. Maguire, wife of Ex-Assistant Postmaster Maguire, Rev. G. Bowman, of the German Lutheran St. John's church. His wife died a week ago. They leave a small child.

From noon to 6 p. m. 23 deaths and 145 new cases are reported. The epidemic has been spreading since the 15th. The method of spreading is Spanish influenza. A relief association, which is authorized to receive any contributions no matter in what shape, and carry them to the sick, has been organized. The United States to respond to their call upon their charity. Contributions should be sent to A. Auguste, secretary.

GALLATINS, O., Sept. 18.—High Plymouth, 7 years of age, the last patient in the infected district, died last night. There are no other cases. Our experience clearly proves that in this latitude that yellow fever is infectious, but not contagious. Every case was contracted by contact with the steamer porters, and others exposed to the sick have, in no instance, contracted the disease.

LOUISVILLE, Sept. 18.—Louisville has not had a single case of original yellow fever, nor the semblance of a case. A comparison of the health of this season with that of the same period in former years shows there has been less deaths than ever before. The method of treating patients who have come here from the South has been wonderfully successful. Half the patients in the hospital are recovered. Stories of original fever here are malicious.

BATON ROUGE. BATON ROUGE, Sept. 18.—New cases 25, deaths 3. Total cases, 601. Dr. A. H. Negre is dead. People gloomy.

CATRO, Ill., Sept. 18.—No sickness here.

MEMPHIS. MEMPHIS, Sept. 18.—There is no perceptible decrease in the activity about the Howard headquarters this morning, and apparently no decrease in the number of new cases, although the report of deaths is light, only thirty-eight being reported up to noon, making nineteen for the past twenty-four hours.

NEW JERSEY. NEW JERSEY, Sept. 18.—Report comes from Gallatin county, Montana, of the assassination of Wellington A. Frederick by Mike Foley last Sunday night. They had some former difficulty. Foley had threatened Frederick's life, and the latter had him arrested. Being unable to obtain bail he was confined in jail, from which he escaped, returned to Frederick's house and shot him dead. Foley escaped.

GRANADA. GRANADA, Sept. 18.—A death to-day and three new cases. Weather warm and right for spread of disease. Mrs. Freedman will be sent home to New Orleans Saturday night next, accompanied by Dr. Vessey and a nurse. The citizens' relief committee are disgraced, and abandoned the relief matters to Mr. Coon, of the Howards. Mr. Hoonsacker returns to New Orleans to-night.

PARIS. LONDON, Sept. 18.—The places where subscriptions have been opened in Paris for the relief of the yellow fever sufferers in the United States are the newspaper offices, Monroe & Co., bankers, the United States legation and consulate and the exposition.

SAN FRANCISCO, Sept. 18.—Contributions for the South are coming in rapidly. The citizens' committee received \$32,000 and Wells & Fargo \$25,000.

NEW YORK. NEW YORK, Sept. 18.—The Southern relief committee of the chamber of commerce to-day acknowledge the receipt of \$181, and Mayor Eli's committee received \$1,500. The churches continue making collections, and the police and civics societies show signs of relaxation in the good and useful work of raising money. Organ recitals in the evening, half a dozen gardens, and benefit performances in the theatres are being constantly given or projected.

PHILADELPHIA. PHILADELPHIA, Sept. 18.—To-day's contributions for the yellow fever sufferers, \$13,000. Total, \$95,000.

MACON, Ga., Sept. 18.—The merchants and business men to-day subscribed \$100 to the fund for relief of expressions in the fever districts. Collections go on, citizens responding liberally to the fund.

CHICAGO. CHICAGO, Sept. 18.—Total yellow fever fund, \$72,811, of which \$33,344 has been sent South—\$12,000 to New Orleans and \$11,000 to Memphis. It is announced that the proceeds out of the Owl club concert, given last Sunday night, with Miss Carey and her company, are \$2,044, and that the sum has been divided among the Memphis, Holly Springs and Hickman Howard associations. The Owl club is composed mostly of young men and young professors, and business men, and its office is to give its concerts brilliant social qualities. The gross receipts in grand total for the season were given under the supervision of the Chicago club, and with John McCullough and troupe, here to-morrow, will go to the yellow fever sufferers.

DEADWOOD. DEADWOOD, D. T., Sept. 18.—About \$600 have already been forwarded for the benefit of the yellow fever sufferers. A grand ball will be given to-night by the Masonic lodge of this city, the proceeds of which will also be donated to the sufferers.

ST. LOUIS, Sept. 18.—In March last Eliza Fouts, of New York, brought suit in the United States court against Merion county, this State, for interest on coupons and obtained judgment, but the money was not paid. To-day Fouts's attorneys asked the circuit court for a writ of mandamus, to compel the county court

THE OLD WORLD.

Austrian Success in Bosnia—Hungarian Disaffection With Andrássy's Policy—Miscellaneous.

VIENNA, Sept. 18.—The *Peithor Lloyd*, heretofore a loyal supporter of Count Andrássy, has raised its voice against the reported Austro-Serbian-Montenegrin alliance, which that journal declares would be a slap in the face of Hungary, and it takes the opportunity of this reported intention on his part to repudiate Andrássy's Bosnian policy. The same paper prints an article written by Dr. Falk, member of the reichstag, heretofore an ardent admirer of Count Andrássy, in which he says that an alliance with the Slavonic principalities is an insult to Hungary. There are other and increasing signs of Hungarian disaffection with the Bosnian policy. Another account says that Reitch, the Serbian premier, offers the co-operation of Serbia to the Austro-Hungarian empire, and the Vienna cabinet have given it to be understood that they never entertained the idea of accepting such an arrangement.

The losses yet known, on the Austro-Serbian side, are 100 killed and 200 wounded. The Serbs, on the other hand, lost 200 killed and 400 wounded. The capture of Breka, after prolonged and stubborn fighting.

FRIENDLY. BELGRADE, Sept. 18.—The most friendly relations exist between the Albanian league and the Serbian frontier command.

THE TREATY OF BELLIN. BERLIN, Sept. 18.—The North German *Gazette* intimates that Germany will probably take no further steps at present for a joint resistance against the Porte's tardy execution of the treaty of Berlin, as circumstances have changed since the signing of the treaty. The German government is said to be waiting for the Porte to make a move, and by the Porte otherwise exerting itself more actively to fulfill the treaty.
