CHURCH CRETATION.

A Hundred Thousand Dollar House of Worship at St. Louis Destroyed by Fire—Deaths at Other Points.

ST. LOUIS, Jan. 3.—The Second Baptist church, Rev. W. Boyd, pastor, corner of Beaumont and Locust streets, took fire between 10 and 11 o'clock this morning and is now being furiously, with a good prospect of being wholly destroyed. St. Mary's institute, a branch of Washington Irving's, situated on the opposite corner, is now said to be on fire in the roof and upper story. All of the school was in the building safely. Both buildings are entirely new and among the finest in the city. The church had not yet been dedicated. The weather is intensely cold, the mercury being 18 below zero, and the firemen labor under great disadvantages.

ST. LOUIS, Jan. 3.—LATER.—The fire is now under control, and nothing remains of the church except the walls, the entire interior of the roof and the spire being totally destroyed. The church cost about one hundred and seventy-five thousand dollars, was of rough hewn stone and one of the finest and most imposing edifices in the city. The Mary Institute was worth about \$25,000, insured as follows: American, Newark, \$5,000; Home, New York, \$10,000; Guardian, London, \$2,500; Connecticut, Hartford, \$5,000; Hartford of Hartford, \$10,000; Boston, \$7,500; American Central, New York, \$10,000; Continental, New York, \$7,500; Franklin, Philadelphia, \$5,000; Springfield, Mass., \$10,000; Manufacturers, Boston, \$7,500. DUBLIN, Jan. 3.—Ex-President Grant on arriving at the city hall was cheered by a large crowd, who had assembled to see him. The mayor in presenting the freedom of the city referred to the cordiality always existing between America and Ireland, and hoped in America Gen. Grant would do everything he could to help the people who sympathize with every American movement.

Grant, and three more were called for and given for America. Dr. Butt, as the first honorary freeman of the city, made a speech highly complimentary to Gen. Grant.
