HEALTH AND HAPPINESS. It seems strange that anyone will suffer from the many derangements brought on by an impure state of the blood, when Serravallo's Blood and Liver Syrup will restore perfect health and physical organization. It is indeed a strengthening, purifying, pleasant to take, and has proven itself to be the best blood purifier ever discovered, effectually curing Scrofula, Syphilis, Disorders, Weakness of the Kidneys, all Nervous Disorders and Debility. It corrects indigestion, it makes the old feel young, the young feel gay, and will invariably drive out of the system the many ills that human flesh and blood are heir to. Price of large bottle with full directions, \$1. A single bottle will prove to you its merits as a health renewer, for it acts like a charm, especially when the complaint is in an exhaustive nature, having a tendency to lessen the natural vigor of the brain and nervous system.
