REPORT OF BOARD OF PUBLIC WORKS. Sewer on Eighth and Cedar streets— To the Common Council of the City of St

To the Honorable the President and Common Council of the City of St. Paul:
GENTLEMEN: It is my disagreeable duty to inform you of the suspension of one of the banks of this city, and one in which, under the act of The Board of Public Works have under conof this city, and one in which, under the act of the Legislature and the action of your honorable body in approving of the bond of said Bank, was a depository of a portion of the city funds. I have reference to the Farmers' and Mechanics' Bank of St. Paul.

On the 25th day of June, 1880, said bank closed its doors with \$10,162 92 of the funds in its vaults. I had previous to the suspension of said bank given a check in favor of the Second National Bank of this city for the anm of \$10,152.02, (being amount of said deposit, less \$10.90 May interest,) upon that bank, which check was received by the Second National Bank as so much money, and credited therefor. Afterwards and upon presentation of said check to the constructi from the center of Cedar street to a connection with the Minnesota street sewer, and on Cedar street from the center of Ninth street, to a constreet from the center of Minth street, to a con-nection with Eighth street sewer, and having investigated the proposed improvement, re-spectfully report that said improvement is necessary and proper, that the estimated ex-pense thereof is \$1,400, one-half of which should not be paid into the City Treasury besnould not be paid into the City Treasury lo-fore the contract is let, the same being neces-sary for sanitary reasons; that real estate to be assessed therefor can be found benefited to the extent of the damages, costs and expenses ne-cessary to be incurred thereby; that said im-provement is not asked for by a petition of a Bank as so much money, and credited therefor. Afterwards and upon presentation of said check to said Farmers' and Mechanics' Bank for payment on the 25th day of June, payment therefor was refused and the said check thereupon duly protested for non-payment, and the same or any part thereof has never since been paid. I respectfully call your attention to this matter at this the first meeting of the Common Council of this City since the date of the above mentioned cocurreces in order that you may provement is not asked for by a perittion or a majority of the owners of property to be assessed therefor, but we herewith send a plan or profile of said improvement, and an order for your adoption, if you desire us to make the improvement. CONSUMPTION CURE.

In changeable climates like ours, everyone should remember that Hall's Balsam for the Lungs has proven itself to be a SURE cure for Consumption, Asthma, Bronchitis, and all Lung Diseases, and for a common cough or cold we guarantee every bottle. It has saved the life of many, even after all hope had fied. Many of our most intelligent families would as soon be without woolen clothing in winter as not to have Hall's Balsam always on hand, for it never fails to immediately relieve all soreness of the the throat and langs. A single dose taken at bed time will gently warm the blood, cause refreshing slumber, and by morning an ordinary cough or cold will be gone. Ask your druggiet and your friends concerning the merits of Hall's Balsam. Pricefor large bottle, \$1. Approved July 8, 1880.

pure state of the blood, when Scovill's Blood and Liver Syrup will restore perfect health and physical organization. It is indeed a strengthening syrup, pleasant to take, and has proven itself to be the best blood purifier ever discovered, effectually curing Scrofula, Syphilitic disorders, Weakness of the Kidneys, all Nervous disorders and Debility. It corrects indigestion. It makes the old feel young the young feel gay, and will invariably drive out of the system the many ills that human flesh and blood are heir to. Price of large bottle will prove to you its merits as a health renewer, for it acts like a charm, especially when the complaint is of an exhaustive nature, having a tendency to lessen the natural vigor of the brain and nervous system.
