

CITY GLOBES.

Last night the miserable quarters at city hall assigned to the friendless was crowded with lodgers.

The conspicuous presence of storm doors and the tintinnabulations of the bells made yesterday appear quite wintry.

The members of the "Once a Week" social club will give their second party of the season at the Athenaeum to-night.

The Lyceum of the First Methodist church will present an unusually attractive programme at its session to-night, which meets promptly at 7:30 o'clock.

The attending physicians report no material change in the condition of Major Thompson. Last night he was very low, and no hopes are entertained of his recovery.

E. M. Cole, of Stillwater, was indicted last week during his absence from home. He claims that the movement is malicious and asks a suspension of judgment until he can be heard.

The annual meeting of the Ramsey County Veteran association will be held at the old court house at 7:30 o'clock to-night. All ex-soldiers resident in the county are requested to attend.

Marty McNulty, city expressman, was a very happy man Saturday and with good reason. It is a healthy, handsome boy and weighed fourteen pounds at birth. Mother and child doing well.

The silver anniversary of the wedding of Mr. and Mrs. Frank Lambrecht will be celebrated this evening at their residence on Park avenue. Invitations are out for the event, and a delightful evening is anticipated.

Yesterday morning a switch tender at the yards of the Chicago, Milwaukee & St. Paul railroad had his left foot caught in a frog just as the yard engine passed, and the member was badly squashed. He was attended by Dr. Haggen.

The Windsor hotel waiters are to have their first annual ball Dec. 10th, at Pfeiffer's hall. It being leap year the young men of the house have consented that the young women should take general charge of the affair, and they promise that the ball shall be one of the best ever given in St. Paul.

A supreme court decision was filed Saturday which sets aside the McLeod county indictment found in 1879 against Frederick Riebe for forgery. It was alleged that the crime was committed in altering a receipt for money paid into a promissory note for \$100. The indictment was set aside on technical grounds.

The third party of the series under the auspices of the Chamber of Commerce, No. 13, Knights of Pythias, will be given at College hall next Thursday evening, the 18th inst. The entertainments previously given by the lodge have proven the most delightful of the season and the best guarantee of the coming party.

Day before yesterday while coasting on St. Anthony hill the young men of St. Anthony H. V. Blodgett met with quite a painful accident. The lad who is only four years of age, sliding down Third street near the First M. E. church, when his sled ran into a fence, throwing him to the sidewalk. He was rendered insensible by the shock and it was some time before he recovered. He was carried home and it was found that the injuries were not very serious. Yesterday he was doing well.

Yesterday morning some depraved wretch boarded a locomotive standing near the roundhouse of the St. Paul & Manitoba railroad company, and throwing open the throttle, he left the dangerous machine to shift for itself. The engine started for the roundhouse at a rapid speed, before reaching which it collided with a stationary locomotive, making a most fearful wreck. Fortunately no one was near enough to be hurt. It is thought the diabolical act was committed by a person known to the company, and his arrest may be expected to-day.

With the appearance of snow, St. Anthony hill, for the past two days, has been gay with young people, who have indulged the delightful and exhilarating, but somewhat treacherous, and the following gentlemen have been questioned and have kindly consented to make the facts: ALBERT SCHEFFEL, M. DORAN.
