

MINNEAPOLIS NEWS

MINNEAPOLIS GLOBE LETTERS. The common council held a regular meeting to-morrow afternoon.

Associate Judge McGrory of St. Paul was visiting this city on legal business yesterday.

A drunken Swede named Peterson, with a grip-sack the size of a Saratoga trunk, was run in last evening.

J. Ludwig, for keeping his saloon open on Sunday, paid \$10 and costs into the municipal court treasury yesterday.

Bill Ryan was sent to his regular bearding place by Judge Cooley yesterday for sixty days, on the usual charge of vagrancy.

Bills of lading for three car loads of iron, to be used in the cells of the new jail, have been received by the county commissioners.

The residents of the East side are bringing to the front old muskets and rifles, with which to kill the chicken thieves who are making great havoc nightly.

Yesterday afternoon John Schockwetter got on one of his periodical rales and started out on Third street in a loaded revolver.

The three youths, John Fitzgerald, Wm. Galen and Charles Whittier, arrested for disturbing the revival services at the Jackson street chapel, were before Judge Cooley yesterday afternoon.

W. W. Brown, proprietor of the Theater Comique, was ordered by Judge Cooley to appear before him this afternoon.

Chief Munger is at the present writing in Chicago. The police are "mum" as to what he has gone after. It is stated, however, that Boyden, who embezzled about \$400 from Burgess & Manley, and skipped with a variety of actresses, will accompany him back.

The spring term of the district court opens this morning. The grand jury will be charged in the afternoon. It is expected that the term will be unusually short.

George C. Richmond was appointed administrator of the estate of Charles H. Richmond yesterday. Charles committed suicide after murdering his wife last summer, and the estate consists of the moneys due his heirs from the O. U. W. and A. O. D. societies, to which he belonged.

Thomas Prescott, the colored individual who was taken in custody on Sunday while in a fit of temporary insanity, was yesterday adjudged insane and committed to the colored man asylum in St. Paul.

Judge Rea received a letter from Superintendent Bartlett of the Insane asylum at St. Peter, yesterday. The doctor states, in answer to the inquiry of the Judge as to whether he could make room for any of the patients now confined at the jail, that owing to the demands of the insane patients from the counties that have no place to keep their insane, he cannot receive any from Hennepin county.

Drive Well Notes. In another column will be found a card signed by five of the firms dealing in drive wells and drive material, announcing that they have secured the right under the new patent, and heretofore will furnish a license with each well constructed by them, which will protect the owner and user from all claims for patent royalty.

An adjourned meeting of the board of trade was held yesterday afternoon. The principal business under consideration was the unequal and discriminating tax assessment in the same localities. Judge Axtator was appointed to frame memorial resolutions in this regard.

Resolved, That the Hennepin county delinquents be requested to frame the charter so that the mayor and city council shall serve without remuneration.

Resolved, That the salaries of the heads of the several city departments be fixed by charter provision.

In the estate of Leonard Lawrence, deceased. Order for administrator to file bonds in the sum of \$7,000.

In the estate of Samuel Perry, deceased. Will admitted to probate and letters testamentary issued to Benj. F. Christlieb.

In the estate of Charles H. Richmond. Order made for George C. Richmond to file administrator's bond in the sum of \$5,000.

In the matter of the insanity of Thomas Prescott. Adjudged insane and committed to the county jail.

Municipal Court. [Before Judge Cooley.] The city vs. J. Ludwig; keeping saloon open on Sunday, fined \$10 and costs.

The city vs. John Fitzgerald, Wm. Galen and Charles Whittier; disorderly conduct. Reprimanded and discharged.

The city vs. Wm. Ryan; vagrancy. Committed for sixty days.

As stated in the Globe of Friday action was begun in the district court yesterday by J. M. Dayton against his father J. R. Dayton, proprietor of the St. James hotel, to recover money to the amount of \$5,675.

The complaint sets forth that notes with interest to that amount are now in possession of the plaintiff and are past due. That demands have been made by the plaintiff for the amount, which the defendant refuses to pay.

The defendant met a Globe representative last evening, and requested him to state that Mr. M. A. Buckley, who the Tribune stated held a mortgage on his hotel and threatened to close it up on Saturday, was meddling with something that didn't concern him in the least; that the statement made by that paper was false. He also stated that he did not owe his son, J. M. Dayton, one cent, and the only money owed to H. A. Dayton was secured to him by a bill of sale of the furniture and fixtures in the house amounting to \$1,500. He also says Buckley has advised his son to go into this scheme for the purpose of making money out of it for himself. Owing to the conflicting stories in circulation it will be impossible to get the real facts in the case till the matter comes to trial.

Monument mills quilts have advanced. Prints in moderate demand. Gingham are active and firm. Men's wear wools are sluggish but steady.

Eastern and Western Markets. NEW YORK, Feb. 14.—Money active at 5/16 per cent. Prime mercantile paper 4 1/2 per cent.

St. Paul, Feb. 14.—Money active at 5/16 per cent. Prime mercantile paper 4 1/2 per cent. Sterling exchange, bankers' bills firm at \$4.83 1/2.

Government strong and generally a shade higher. Bonds—In the railroad bond market today Indiana, Blooming and Western seconds advanced 7/8; Metropolitan Elevated seconds to 98/100; New Jersey Central income to 104/100; Boston, Hartford and Erie firsts to 104/100; Denver, South Park and Pacific firsts to 109/100; Texas and Pacific income land grant seven to 84 1/2 from 82 1/2; Missouri, Kansas and Texas seconds to 83 1/2 from 82 1/2; St. Louis and Iron Mountain and Cairo & Fulton firsts to 111/100; Wash. St. Louis and Pacific general mortgage sixes to 99 1/2 from 99; New York Elevated firsts to 119/100.

State securities active and generally firm. Stocks—The stock market opened strong and buoyant and in the early dealings prices advanced sharply. Nashville, Chattanooga and St. Louis leading with a rise of 10 per cent, while the general list sold up 3/8 to 1/2 per cent, the latter in New Jersey Central; Elevated railroad shares, Cleveland, Columbus, Cincinnati and Indianapolis, Chicago & Alton and Philadelphia & Reading were also prominent in the upward movement. Speculation continued firm until near the close, when sales to realize profits caused a reaction of 3/8 per cent. In Nashville, Chattanooga & St. Louis recovered 3/4 per cent. In general, St. Paul recovered 3/4 per cent and the rest of the market recovered a fractional recovery. The advance in Nashville, Chattanooga & St. Louis was due to a report that the difficulties between that company and the Louisville and Nashville railroad company had been amicably settled. Vanderbilt stocks, Lake Shore and New York Central were among the leaders in the downward movement.

The Evening Post says: It is known that wealthy friends of directors of the Delaware, Lackawanna and Western and Delaware & Hudson companies have of late bought and taken out of the street for investment large amounts of these stocks. Of Delaware & Hudson not less than 20,000 shares were so taken last week. As to New Jersey Central, it is reported on what appears to be fairly good authority, that a pool to buy 10,000 shares of stock has been formed, in anticipation of its being taken out of the hands of the receiver and of other important events.

The Graphic says: According to the latest programme as given out this afternoon by inside parties in the New Jersey Central deal, it has been decided to extend the road southwest this spring, and a through connection is to be made with Williamsport, Pa., by utilizing the Catawissa road, which has leased a line of the Philadelphia & Reading railroad at the Williamsport connection of the New Jersey Central railroad now building and known as the New York, Chicago & St. Louis road. The new road is to be constructed from Williamsport to Buffalo, likewise a branch from Harrisburg forty miles south to connect with Shenandoah.

The recent great rise in New Jersey Central stock is attributed more to immense purchases by Gould and Sage than to anything else. It is said Keane has sold his New Jersey Central. C. F. Woerhschofer, Henry Villard, Geo. M. Pullman, Horace Porter, F. Winslow, Wm. Adams, C. N. Joslin, A. M. McKee, Boston, and other prominent capitalists and practical men in this country and elsewhere are said to control the New Jersey Central, and are to make, in connection with the Ontario and Western railway, another new trunk line between this city and the lakes. It is denied in the latest Mexican dispatches that Jay Gould has permission to survey a line between the Rio Grande and Mexico City. The Mexican Southern, it is said, has no rights north of the City of Mexico; only between the city and Acapulco, on the Pacific coast; Jay Gould, Frank Work and C. C. Woerhschofer had a long interview yesterday.

The mining market, the Evening Post says, has been unusually active the past week, and estimates the transactions in this class of speculative stocks amounted to upwards of 1,000,000 shares.

The transactions aggregated 608,000 shares, of which 2,000 were Alton and Terre Haute; 2,000 Chicago, Burlington & Quincy; 3,000 Chicago, Columbus & Indiana; 4,000 Central; 5,000 Chesapeake & Ohio; 3,000 Chicago, St. Louis & New Orleans; 17,000 Delaware, Lackawanna & Western; 14,000 Delaware & Hudson; 9,000 Denver & Rio Grande; 6,000 Erie; 4,000 Hannibal & St. Joe; 8,000 St. L. & P.; 49 1/2 Iron Mountain; 22,000 Missouri, Kansas & Texas; 32,000 Lake Shore; 6,000 Lake Erie & Western; 7,000 Louisville & Nashville; 3,000 Little Rock & Pacific; 17,000 Metropolitan Elevated; 8,000 New York Central; 49,000 Nashville, Chattanooga & St. Louis; 5,000 Northern Pacific; 6,000 Ohio & Mississippi; 20,000 Ontario & Western; 2,000 Ohio Central; 30,000 Erie; 14,000 Peoria, Decatur & Evansville; 13,000 Philadelphia & Reading; 25,000 Chicago, Milwaukee & St. Paul; 4,000 St. Paul & Omaha; 5,000 Texas Pacific; 32,000 Union Pacific; 22,000 Wash. St. Louis & Pacific; 17,000 Western Union Telegraph; 3,000 Cleveland, Columbus, Cincinnati & Indianapolis; 4,000 Illinois Central and 4,000 Central Arizona.
