Hon. Fred. von Baumhach is indebted to Hon. Edmund Rice for copies of the general laws of 1878, general and special laws of 1880, special laws of 1881.

The egg trade is improving now that the article is to be had at a reasonable price. One Robert street commission house delivered over one hundred cases to city dealers yesterday.

A copy of the constitution of the Evangelical Lutheran St. John's congregation, of the town of Josea, Wascosa county, was filed for record with the secretary of state yesterday.

William Byrnes was arraigned before Judge Burr yesterday charged with erecting a frame addition inside the fire limits. He stated that the matter was to come before the council, the case was continued to the 6th of April.

An attachment was sworn out yesterday against Wm. Dambrock, proprietor of the saloon and restaurant at Bridge Square. The attachment is to secure a debt of \$1,300 and the suit was commenced by the Phlipps Best Brewing company, of Milwaukee. Later in the day he disposed of the establishment to Charles Caldwell, who paid the bill and the attachment was released.

Andrew Sautler, a porter at the Windsor hotel, was before hizzoner yesterday charged with assaulting one of the bell boys of that name named Chas. Lick. It was shown that he had taken the Lick into his own hands, and he was fined \$5. He paid the coin.

Articles of incorporation of the Duluth Brick and Tile company were filed with the secretary of state yesterday. The principal place of business of the company is Duluth, and the incorporators are John H. La Vaque, W. D. Ray, Y. C. Cooley, Van Brunt, J. L. D. Ray, Y. C. Cooley, F. Johnson, Geo. N. La Vaque & R. S. Munger.

When William Smith, which by the way isn't the proper name of the sly dog, appeared before the near sighted old dame at the police court yesterday, he remarked that he had never been before. The court said that as it was his first appearance on the charge of booze he would let him down light, and he was taxed five dollars. The prisoner was fined a \$5 gold piece on the bench and skipped.

Mr. Charles Caldwell, whose name always heads the list in enterprises connected with his line, comes to the front again in the role of a capitalist. He yesterday secured the lease of the handsome rooms No 1 West Third street, Bridge Square, where in partnership with Mine Host of Lake Calhoun, will be conducted a first-class restaurant. Particulars of the enterprise will be given hereafter.

West St. Paul is to have a new enterprise in the shape of a musical hall, located at the corner of Bridge and Isabel streets, in the Sixth ward, and to be conducted by Mr. F. Spiegel. Entertainments will be given in season, and the bar will be graced by the purest liquors and the best brands of cigars. A big opening is announced for to-morrow evening, and the public may be assured of a generous welcome.

An honest confession is good for the soul. When hizzoner asked Patrick Harkins if he had been up before, as the familiar visage of that sinner loomed up in the bull pen yesterday, he replied dead I have. The fact is that honest Pat Harkins, whose love for the rosate controls his better nature, had just been released from the bastle on Tuesday. The court said he would have to double up on him, and he went over for ten days.

The friends of Middleton and Gulon express considerable dissatisfaction at the result of the contest with Hunt a few weeks since, at Minneapolis, for the championship of the State, and it is understood that a prize of \$100 has been gotten up for the contest. Market hall would be a good place for the walking match, and some fine sport could be had. It will be a twenty-seven-hour go-as-you-please contest.

About 11:30 o'clock last night loud raps were heard proceeding from the lamp post corner of Fourth and Wabash streets, accompanied by lusty cries of police. The trouble was occasioned by a row at the American house bar room, during which a young Englishman was given the grand bounce and the smeared appearance of his face looked as though it had been kept in the company with a brick block. It was a drunken brawl with no serious results.

An excited populace surged around the post-office about 4 o'clock yesterday afternoon, to witness an old time matinee between a bull pup owned by George Morton and a shiftless bird dog. The pup met at the corner of Fifth and Wabash streets and went to it with a flourish. The bird dog, after a few moments an immense crowd had assembled and the brutal sport was finally stopped by a bystander. Such a disgraceful exhibition should be made impossible by muzzling vicious curs.

A brace of plausible appearing young fellows, named James Madigan and Carl Spitz, were arrested by the police court yesterday charged with vagrancy. They were collared under the hill before last by Detective O'Connor. One of the parties has fallen from the estate of gentility, having once held an honorable position in this city. They were sentenced to thirty days each, but upon promising to leave the city judgment was suspended.

THROUGH A HATHWAY.

CEDAR RAPIDS, Iowa, March 24.—At noon yesterday F. M. Sinclair, managing partner of the pork packing establishment of F. M. Sinclair & Co., fell through the gateway of the main building upon the flagging of the floor below, a distance of thirteen feet, producing concussion of the brain, from which he died at 1 o'clock this morning. He was one of the largest operators in the West, the firm at which he worked was the largest annually through him millions of dollars in this locality, giving him a prominence in this country and in Europe which but few men of his age have attained. He was an eminently worthy and respected man.

DIAMOND THIEF.

NEW YORK, March 24.—A tall and singularly handsome woman 25 years old, fashionably dressed and wearing expensive diamonds, was arrested in the upper part of the city to-night, and was locked up in police headquarters. The carriage in which she was driving also carried a trunk and valise containing precious baggage. Accompanying the New York officers was Detective George A. Hartman, of Chicago, who had a warrant out for the woman's arrest and a requisition signed by the governor of Illinois. The detectives declined to state the real name of the woman, but said she was the wife of a well known physician of Chicago who was reported to own property worth \$300,000 and who was reported to be in the city. The woman is said to have been in the city for some time, and she is reported to have been in the city for some time, and she is reported to have been in the city for some time.

THE TEXAS WAY.

ST. LOUIS, Mo., March 24.—The Republican's Jacksboro, Texas, special, says a bloody tragedy was enacted near there last Monday. Two stockmen, named Leonard and Doyle, quarreled Sunday, and agreed to settle their trouble the next day. They met Monday, according to agreement, armed with rifles, and accompanied by a man named Leroy and a witness. Leonard demanded the matter be settled at once and with the rifles. Six shots were fired, and the two men stepped off 100 paces. Leonard commenced doing so, when Doyle attempted to shoot him, but his gun hung fire. Leonard then turned and shot Doyle with his rifle, and as the wounded man fell, he stepped on Doyle's head, and mortally hurt, walked up to him and fired three pistol balls into his head, killing him instantly. Doyle's gun shot Leroy, who has since died. Leonard left word he would surrender to the authorities, but he had not done so, nor had he been captured.

A BAD FIRE.

PLANO, Ill., March 24.—This city has just been visited by the most destructive fire in its history. The flames started in the old tinder box known as the Excelsior hotel, thence spread to Robbin's livery, took in Jones' restaurant, Morris' grocery, Shultz's drug store, all of which were destroyed. The Cook block was badly damaged. Engines were sent from Aurora and Sandwich, but arrived too late to be of use. Total loss estimated at \$200,000, with no insurance.

SUFFERED THE PENALTY.

COLUMBUS, March 24.—Mrs. P. F. Murray died to-day from the effects of an abortion produced on her last Thursday. Just prior to her death she made a statement, that the abortion was produced by a doctor who, at her own request and in direct opposition to her husband's wishes, Mrs. Murray is mother of three children, and her dislike of an increase of family cared led to this operation. Dr. Willoughby has been arrested, and will be tried on a charge of manslaughter.

MURDER AND SUICIDE.

SIoux CITY, March 24.—Gustave Frederick, a German saloon keeper, 46 years of age, this morning shot and instantly killed a girl named Helen Eberhardt, aged 14 years. Frederick then shot himself twice, the last shot tearing away his heart. The shooting was done with a .38 caliber revolver, and after the first two shots the man put in a fresh shell to do the fatal work on himself. The shooting took place just back of Frederick's saloon; the girl at the time was passing through a narrow hallway to apartments where her parents reside, and seemed to be much attached to her. He left a letter, by which it appears he fully contemplated suicide, but as no reference is made to the girl it is conjectured the killing of her was a sudden impulse.

A HANCHED SHOT.

ST. LOUIS, Mo., March 24.—The Republican's Fort Davis, Texas, special, says a dispatch received here from Preside, dated yesterday, signed Capt. Pierce, of the First infantry, reports that Moses Kelly, a wealthy merchant and rancher, was murdered last evening by John Faurer. Mr. Kelly had been in a house adjoining which the father of Faurer's wife lived, and when he came out Faurer shot him dead.

ROBBED BY MASKED MEN.

PITTSBURGH, Pa., March 24.—Seven masked men entered the house of John Connor, aged 51, who lives alone with his wife at Catfish, Pa., about fifty miles from here, bound and gagged both, and compelled the old gentleman to give the combination of the safe, and stole \$5,000 of government coupon bonds registered, and from \$5,000 to \$10,000 cash. The safe was thoroughly handled, and may not survive the shock of the outrage.

COLLISION OF AN UNCOUPLED TRAIN.

GREENSBURG, March 24.—A freight train broke in two without the knowledge of the train men, and when the forward section stopped at a water tank the rear cars collided, killing two men and wounding three severely. The killed were Wm. Graves, Cincinnati, and John D. Kirkwood, Greenburg, Mo. McCauley, James Scott, James Holt.
