

CITY GLOBES.

Interesting services were held at the Y. M. C. A. rooms here yesterday afternoon. Mr. C. W. Hackett conducted the meeting and Messrs. Hillman and Seelye the singing.

The pedestrian match last night talked of has been arranged, and will be a twenty-seven hours walk, beginning Friday evening past at Market hall, probably. The contestants will be Middleton, Hunt, Gunyon, Murray and another not named.

Sealed proposals for flour, bacon, hard bread, corn meal, corn, beans, etc., which have been invited by advertisements dated the 18th inst., are to be opened at the office of the chief commissary of subsistence, department of Dakota, St. Paul, at 11 A. M. to-day.

The superintendent of public instruction will open a teacher's institute at Litchfield, Meeker county, on Monday, March 28, and lecture in the evening. The teachers for the week will be Mr. L. H. Kirk and Miss. E. A. Wheeler. A large attendance is expected.

Special order, No. 81, department of Dakota, requires all serviceable old pattern helmets at posts in this department to be shipped, as soon as transportation routes are open, to the Philadelphia depot of the quartermaster's department, for alteration to conform to the new pattern.

A Tony Minneapolis stool-pigeon or spotter, who does the "piping off" business for the fly-cappers of the grist mill berg, was arrested by Officer Lovell yesterday afternoon in a breezy state of intoxication. He refused to give his name because it was not according to the statutes, but will show his hand this morning.

The fortnightly concert under the auspices of the German society and Great Western band was given at the Athenaeum last evening. The programme partook of an olio performance, consisting of vocal and instrumental music and declamations. The audience was large and appreciative, and a most enjoyable entertainment was afforded.

The funeral obsequies of the late Henry Smith, took place from the former residence of the deceased, on Oak street, at 2 o'clock yesterday afternoon. The kindly life, unblemished character, and the high esteem in which the deceased was held, were all testified to in the presence of a large number of mourning friends who followed the remains to their last resting place.

Officers McMahon and Bremer, two of the most muscular men on the force had their hands full about nightfall yesterday, in an encounter with a virago named Salie Cotton, who was arrested at Seven Corners, bowling drunk. She resisted the officers and was walked to the tower by main force, contesting stubbornly every foot of the way. During the combat Officer McMahon got hoisted in the chains, and he will probably have to wear a cane.

For two or three years, as reported, Canadians have been trespassing largely on United States timber lands on the northern borders of Minnesota, especially in the vicinity of Lake of the Woods, and of Rainy lake. Information of fresh and large depredations of this winter, having been received, Indian Agent Burke has dispatched Tyler Warren, of White Earth, deputized as a United States marshal, and a posse of fifteen Indians, to seize the stolen timber, and if possible, arrest the trespassers. Mr. Warren and his posse left White Earth early last week, but will not be heard from for a month.
