Proceedings of Board of Public Works.

Regular Meeting, St. Paul, May 27, 1881. Board met at 2 P. M.
Present: Messrs. Hoyt, Koch, Quinby,
Terry and Mr. President.
Absent: Mr. Peters.

Minutes of last meeting read and approved.

A communication was received from Charles A. F. Morris and Harvey Officer, asking that the order for the grading of streets, driveways and alley in Park Place addition be so amended as to include all the alley in said addition, which communication was accepted and ordered sent to the Council; and ordered, further, sent to the Council; and ordered, latther, that the vote by which said grading was ordered advertised for bids be reconsidered, and that the order be returned to the Council with the following, to-wit:

To the Common Council of the City of

St. Paul.
GENTLEMEN: The Board of Public
Works herewith respectfully submit the
following report, and ask that the
same be substituted for report
of said Board on same matter, dated May 13, 1881, that report having been made through a misapprehension of facts, to wit: To the Common Council of the City of

St. Paul: The Board of Public Works have had under consideration the resolution or order of the Common Council, approved May 7, 1881, relative to the grading of the driveways, streets and alleys in Park Place addition, and having investigated the proposed improvement, respectfully report that said improvement is necessary and proper that provement is necessary and proper, that the estimated expense thereof is \$750; one-half of which need not be paid into the City Treasury before the con-tract is let; that real estate to be assessed tract is let; that real estate to be assessed therefor can be found benefited to the extent of the damages, costs and expenses necessary to be incurred thereby; that said improvement is asked for by a petition of a majority of the owners of property to be assessed therefor, and we herewith send a plan or profile of said improvement, and an order for your adoption, if you de-sire us to make the improvement. Yeas

In the matter of the order of Council to Board for formal report on grading Granite street from Mississippi to Courtland street, the committee to whom the same was referred report the same back, when the following report was ordered sent to the Council, to-wit: To the Common Council of the City of

The Board of Public Works have had The Board of Public Works have had under consideration the resolution or order of the Common Council, approved April 7, 1881, relative to the grading of Granite street, from Mississippi to Courtland street, and having investigated the proposed improvement, respectfully report that said improvement is necessary which need the contract is let; that real setsate to be assessed therefor can be found benefited to the extent of the damages, costs and expenses necessary to be incurred thereby; that said improvement is not asked for by a petition of a majority of the owners of property to be assessed therefor, but we herewith send a plan or profile of said improvement, and an order for your adoption, if you desire us to make the improvement.

Yes PAUL, MINNESOTA, June 10th, 1881.

Notice is hereby given that under and by virtue of a judgment entered on the 5th day of April, 1881, in the District Court, second judicial district, Ramsey county, State of Minnesota, against the hereinafter described real estate, situate, lying and being in said city and county, on an assessment warrant for the grading and construction of a Collyont On Fort Streat

Pursuant to due notice, the matter of making a correction in the assessment against lot 14, block 4, Robert & Randall's addition for sewer on Minnesota, Twelfth and Cedar streets, came up, and no one appearing or objecting thereto, said assessment was ordered to stand corrected so as to read as follows, to wit:

Lot 14, block 4, Robert & Randall's addition, benefits \$230, and that the City
Treasurer be notified of the same. Yeas 5.

Pursuant to due notice the matter of making and completing the assessment

making and completing the assessment for constructing the unfinished portion of a sewer on Exchange street from a point 50 feet east of Sherman street to a connection with the Eagle street sewer, came up, and after hearing all persons in interest present it was ordered to stand completed and the Clerk was ordered to give the confirmation notice on a basis of assessing all property on the line of the sewer proportionately and benefited, as more fully appears by the assessment

Pursuant to due notice the matter of making and completing the assessment making and completing the assessment for constructing a sewer on Seventh street from Broadway to a point about 100 feet east of Jackson street, came up, and no objection being made, the said assessment was ordered to stand completed and the Clerk to give the confirmation notice on a basis of assessing all property on the line of the sewer proportionately and benefited, as more fully appears by the assessment roll. Yeas, 5.

Pursuant to due notice, the matter of making and completing the assessment for the grading of Holly avenue from Western avenue to Dale street, came up, and after hearing all persons in interest present, it was ordered that said assessment stand completed, and the Clerk to give the confirmation notice, on a basisof assessing all property on the line of the grading proportionately and benefited, as more fully appears by the assessment roll. Yeas 5.

The Clerk was directed to give the first essessment paties for the opening wider.

assessment notice for the opening, widen-ing and extension of University avenue from east line of Brewster's addition to

The following, offered by Mr. Quinby, was adopted. Yeas 5:
Resolved, That it is the sense of this

Board that the cement pipe manufactured in this city be given the preference in the sewers and connections now being under construction, under proper tests, as made by City Engineer. The following estimates were examined and allowed, to-wit;
Estimate No. 1 on Maria avenue grad-

ing, John Clonan, contractor, amount \$212.50

Estimate No. 3 on North street grading, Gus. Moline, contractor, amount due \$172.50.

Plans and specifications for the construction of a sewer on Ramsey street, from Pleasant avenue to Forbes street. Also on Pleasant avenue, from Sixth to Third street; and also for grading Macku-bin street, from Summit avenue to Dayton avenue, were submitted by the Engin-eer, which were approved, and the Clerk directed to advertise for bids. Yeas 5.

The great increase in our business during the past year has necessitated larger purchases this spring than ever before, and we are now receiving the largest stock of every description of choice goods in our line which we have ever had in stock. Anxious to keep pace with the recent marvellous growth of our city, we have made all necessary arrangements for a still farther increase of our business, and are now prepared to fill all orders for imported or domestic table delicacies, fine wines, liquors and all kinds of fancy and staple groceries, with fresh goods of the very best quality and at Chicago prices.
