The most sensible method for our city to adopt would be to send to Chicago, or some other eastern city, and engage a fit man to fill the position of chief of the fire department; a man schooled in the business. FINANCIAL & COMMERCIAL.

St. Paul, Friday, February 17. The board of trade markets in St. Paul yesterday were not different in any material respect from those of the day before. The fact that the Chicago market was held level and that the general break up there had been stopped and held so for one day gave an encouraging feeling to the market here. There was no disposition manifested, however, anywhere, to take hold of anything. A few sales of corn and oats were made, but these were for immediate use, and not to be taken as any indication that St. Paul operators are willing to do anything. They are disposed to wait until an immediate ultra move develops. Corn and oats were in slight demand. Barley was in some request. Rye without change. Ground feed, corn meal and bran were weak. Baled hay was weaker owing to the fact that there is a considerable quantity on hand that must be disposed of. The following are the quotations of the board: Wheat—No. 1 hard, \$1.30; No. 2 hard, \$1.26; No. 3, \$1.23; No. 3, soft, \$1.05; No. 4, soft, \$1.00; No. 5, white, \$1.05; No. 6, white, \$1.00; No. 7, white, \$1.00;
