

WHOM HAD HE MADE HIS WEST.

THE WHISKY INVESTIGATION BEGINS TO FIND FRAUDS.

The Business of the Distillers Conducted on Fairly Business Principles—The General Deficiency Bill and its Appropriations—Danehower—General Capital News.

Work of the Windmills.

A CONTINUOUS WITNESS.

WASHINGTON, June 2.—The examination of Atherton was resumed before the Windom committee. The witness was asked if he had given any further thought to the question which he declined yesterday to answer and replied that he had and must still decline to answer.

Work of the Windmills.

What of the Louisville, was next examined. The witness was asked if he had been paid all his expenses with the exception of \$50 for speeches which they had distributed, and \$35 for printing. He knew of no other expenditures by the association.

ALL AROUND THE GLOBE.

ATLANTA, Ga., June 2.—James E. Harvey, white, was hanged at Carrollton today for the murder of Arthur McCullough in July last. Wm. L. Moore was to have been hanged at the same time for the murder of John B. Ward, but early in the day he took poison and came near dying. He will be hanged to-morrow.

WASHINGTON DOINGS.

WASHINGTON, June 2.—Danehower, accompanied by his father and Tang Sing, the Chinese steward, paid an official visit to the navy department this morning to report his return and presenting a detailed account of his expenditures. He also brought the log of the Jeannette, the log of the broken rigger, another gun belonging to a party, supposed to belong to Collins, and certain other articles found in the cases by the search of De Long. These articles, together with several specimens of specimens, were turned over to Commodore Walker by the chief bureau of navigation.

DEFICIENCY BILL.

WASHINGTON, June 2.—The general deficiency bill appropriates nearly \$90,000,000. Following are the principal items: To defray the expenses of the centennial anniversary of the surrender of Fort Mifflin, \$32,000; To pay judgments of the United States courts, \$40,000; To pay salaries of United States officers, \$275,000; For army transportation, \$900,000; For interest due the Osage Indians, \$125,000; For compensation of postmasters, \$100,000; For interest due the Osage Indians, \$189,000; For the navy department, \$397,000; To pay the Creek Indians for land, \$175,000; To pay indebtedness incurred for Indian service during 1881 and 1882, \$262,000; To complete the work of the tenth census, \$80,000; Among the claims allowed by the accounting of the treasury department are the following:

Table with 2 columns: Item, Amount. Includes: For collecting revenue from customs, \$94,600; For pay of the navy prior to July, 1879, \$40,000; To pay judgments of the United States courts, \$40,000; To pay salaries of United States officers, \$275,000; For army transportation, \$900,000; For interest due the Osage Indians, \$125,000; For compensation of postmasters, \$100,000; For interest due the Osage Indians, \$189,000; For the navy department, \$397,000; To pay the Creek Indians for land, \$175,000; To pay indebtedness incurred for Indian service during 1881 and 1882, \$262,000; To complete the work of the tenth census, \$80,000; Among the claims allowed by the accounting of the treasury department are the following:

LABORERS' HIRE.

WASHINGTON, June 2.—An investigation of the rate of wages of farm laborers, made by the statistician of the department of agriculture, shows an increase of 24 per cent since 1879 in the Eastern States. From 1874 to 1879 his decline was the heaviest in the manufacturing sections, where artisans were thrown out of employment, and who complained to depress the rate of farm wages. The advance since 1879 has been 16 per cent in the Western States and 18 per cent in the Southern.

Trunk Line Arrangements.

NEW YORK, June 2.—At the office of Commissioner Fink, it is said, a committee of the presidents of the trunk line roads had made some important changes in the methods of arbitration adopted at the peace conference held last January. It was decided then to submit all questions, on which the managers of the roads could not agree, to the decision of a permanent board of three arbitrators. The presidents now determined to appoint a single permanent arbitrator, and selected Charles Francis Adams, Jr. Adams was notified of his appointment, but Commissioner Fink has as yet received no reply from him. It was also provided that when demanded two additional arbitrators may be chosen by the trunk lines when the question is to be arbitrated upon affected interests, and by the executive committee of the Western roads when questions concern the connection of trunk lines.

Disarming the Indians.

FORT THOMAS, Ariz., June 2.—Orders have been dispatched to all detachments of troops in the field to concentrate at once at San Carlos, as trouble is anticipated. It is stated on good authority that an order for disarming the Indians has been received at the agency, which causes the anticipated trouble. The forces on Ash creek have been increased by four companies. This is the pass the Indians generally go through when leaving the reservation.

Disarmed Labor Party.

PHILADELPHIA, Penn., June 2.—The Knights of Labor are dissatisfied with the Greenback state ticket and have sent printed blanks to every labor organization in the state asking the officers to resign. The blanks are being distributed by the Knights of Labor, and the Greenback party is being organized in the state.

ROFED INTO HEAVEN.

Sandy Matthews Explains His Sins upon the Gallows—His Harangue.

MEMPHIS, June 2.—Sandy Matthews, colored, was hanged this afternoon at 1 o'clock in the county jail yard for the murder of Esick Polk, colored, which occurred on the 6th of last October. The gallows had been erected in the southern portion of the jail yard and was built high enough to give a full view to the crowd that jammed the streets around the jail.

THE STRIKES AMONG THE IRON MEN EXTENDING.

A Larger Number of Mills Shut Down Than Thursday—Thousands of Men Idle—No Change Reported Among the Original Strikers—Both Sides Confident of the Short Duration of the Strike—Police Hunt for the Chicago Miscreants Who Malreated Their Suppliers—Coal and Coke Interests Affected—Other Strikes.

THE KICK CONTINUES.

SOUTH CHICAGO, June 2.—There is no material change in the situation at Iron-ore this morning, all the men are arrived out. President Jarrett has not arrived and a telegram is received stating he will not come as expected. Corresponding Secretary Pat Cormody, of the Iron-maker's association, has just received the following dispatch from President Jarrett at Pittsburgh: "My instructions being my advisory, you are at liberty to stop, provided they all stop." Mr. Cormody has also received the following telegram from Vice President J. C. Bullock, of Bay View Mill, Milwaukee: "Do not stop, provided they all stop. We are out and will stop out until they all sign. I will call them out."

THE GLOBE HOROSCOPE.

As It Casts Its Light on the Chicago Market.

CHICAGO, June 2.—Cables dull and weather wet and cold. Business in wheat is dull, with few outside orders. Iron and July are still strong. On the new wheat prices were a shade easier, although steady. Operators are trading in settlement all they can. Corn stronger on the rain and under the demand for "shorts."

On the new wheat prices were a shade easier, although steady. Operators are trading in settlement all they can. Corn stronger on the rain and under the demand for "shorts."

THE GLOBE HOROSCOPE.

CHICAGO, June 2.—Cables dull and weather wet and cold. Business in wheat is dull, with few outside orders. Iron and July are still strong. On the new wheat prices were a shade easier, although steady. Operators are trading in settlement all they can
