In Every Mouth. While there are a great many people figuring on the question as to why "Boot-Jack" is the best name ever given to a plug tobacco, there are very few who have any difficulty in telling why it is the best tobacco. It is made by the successful caterer, D. R. Musclemann & Co., Louisville, Ky. Its pure white barley stock and dainty flavor, make it the grandest of chewing tobaccos, and puts its name and self in every mouth.

All mineral ores critically examined and carefully assayed. Leave orders at H. Smith's, manufacturer of jewelry, 317 Wabash street. T. M. NEWSON.
