ST. PAUL, SUNDAY, JULY 2, 1882.
TOM PRESNELL and Russell (Uncle Dudley) appear to be out of luck, and the land office at Duluth will soon know them no longer.

It is stated that the family of Gen. Jackson are now living at the "Hermitage," near Nashville, in abject poverty. If this is true, it is a burning disgrace to the American people.

When Conkling's senatorial craft went down at Albany, Assemblyman Armstrong's heroic constancy, says the Canonchet Chief, was made conspicuous above that of all other members of that "Spartan band" who were borne down by "abhorrent forces."

On political questions of minor importance the New York Herald-triple-sheet included—a happy faculty for asserting its independence of all parties, and rings and mankind generally, but where there is the slightest probability of the interest of the man who drew the capital prize in the lottery of assassination being jeopardized or interfered with, the Herald never allows an opportunity to pass without getting in its work in the interests of the grand old party, and of "Chet" in particular.

VISITATION CONVENT.

The Ninth Annual Exercises of this Educational Institute, which will be held at the school year, is justly famous for the great advantages which it offers and fortunate are those who enter its portals.

The school has been limited in capacity, the invitation to attend the closing exercises were necessarily curtailed, but all who were present were richly repaid and the parents of the pupils were delighted with the proficiency of their children.

The opening was the performance on the piano of the "Wedding March" (Mendelssohn) by Miss Alice Shaw, Maggie Reardon, Lily Down and Emma Scholze, accompanied on the harp by Miss Mame Kelly.

One of the most notable musical performances was the harp and piano duet by Mame Kelly on the harp, and Miss Lizzie Parker on the piano.

Miss Aggie Kelly, the daughter of Hon. P. H. Kelly, and Miss Mame Oils, daughter of Hon. Geo. O. Oils, were the graduates, and they were awarded the "gold medal" of the institute.

The closing exercises were most notable. The vocal and instrumental music rendered would have done credit to professionals, and added to the ability displayed by the young lady graduates, made up their production, and has rarely been witnessed by a St. Paul audience.

City Treasurer Elis disbursed yesterday about \$10,000 in payment of the police, fire and engineering departments of the city.

The fire department of St. Paul has contributed to the fund for the relief of Daniel O'Connell, the policeman shot on St. Anthony Hill, the sum of \$18.

Yesterday the street car people commenced running the cars on Laurel avenue, and the turn-table was removed from the end of the old track on Western avenue.

In the district court yesterday judgment was entered against I. F. A. Studdard for \$122.30 in favor of Chas. Friend, the Jackson street harness dealer, the amount being balance due on account.

TIMELY TOPICS.

The friendship which subsisted between the late President Garfield and his venerated instructor, Mark Hopkins, is well known to the country. One of the great features of commencement week at Williamstown will be a memorial discourse on Gen. Garfield by Dr. Hopkins.

DR. TALMAGE'S Tabernacle in Brooklyn will be closed during July and August for extensive improvements, and Dr. Talmage will spend his vacation at White Sulphur Springs, Virginia, and Mount Desert, Maine.

MR. BECKER'S Plymouth church in Brooklyn will be closed for cleaning after the third Sunday in July, and remain closed until September. Mr. Beecher will remain on his farm at Peekskill during his vacation.

THE condition of Egypt is most deplorable. Anarchy actually bears sway. The khedive aspires to be a monarch, and yet has no power to enforce his orders, and is wholly at the mercy of his alleged subjects.

AN exchange says: Let us indulge the pleasing hope that when the assassin of the late president is hanged, we shall hear no more of the Guitaues. The persistent and impertinent obtrusion upon the public of Mrs. Scoville and Mrs. Dunmore, and others of the kin and connection, is exceedingly disgusting.

A SINGULAR and contemporary hopes it always will be singular, decision has been made by the United States circuit court in Kentucky, that a profane postal card is not within the act of congress prohibiting the mailing of "indecent and immoral" matter.

THE SOCIAL WORLD.

The queer anomaly known as society is at this season of the year in a state of anxiety and flutter. The gorgeous society bird now plumes its wings for flight. Soon it will be in the general, but not less ardent, sun of other climes, and alas, like the migratory birds of naturalistic feathers, it will sometimes be plucked, so to speak.

At the annual reunion of the traveling men's association, at Lake Minnetonka, will be a delegation of well known vocalists from St. Paul, who will participate, by invitation, in the ceremonies. The party will consist of Messrs. A. E. Ferte, L. Wilks, L. Haas, P. J. Schaub, H. A. Simons, H. C. Drake and A. J. Lusky.

Miss Alice F. Millard, of Milwaukee, one of the members of the recent graduating class of the Milwaukee Normal school, is visiting at her uncle's, Ed. E. Barrett, in West St. Paul. Miss Millard returns to accept a situation as teacher in one of the public schools of the cream city at the September opening.

Some forty Sir Knights of Damascus commandery met by appointment at the Merchants hotel last evening and proceeded in a body to the residence of Bartlett Presley, Esq., on the corner of E. and W. streets, to pay their respects and offer their congratulations to their brother Sir Knight and his Southern bride. Sir Knight Presley is never taken by surprise, and he entertained his guests in a kindly manner.

Nick Mathis, brother of John Mathis the well known carpet man, spent a good portion of yesterday in getting out naturalization papers, preparatory to a visit of several months to "fatherland," Germany. Nick came to America when but fourteen years of age, served in the ranks of the gallant second Minnesota during the late war, pleasantness, making him a full citizen of the United States, but not protecting him as such citizen in Germany; hence, the papers taken out yesterday. The best wishes of many friends will follow Nick to the land of his birth and return. He leaves this evening.

Col. W. H. Seward and family are at the Clearmont. Mr. Thomas Stillman returned Friday from a trip down the road. Mr. C. J. Livingston and family are rusticiating at White Bear. Dick Bevin, an old St. Paul boy, is sampling Col. Allen's hash.

Mr. George W. Walsh will leave for St. Louis the last of the week. Mr. and Mrs. Geo. S. Heron are domiciled in their villa at White Bear lake. Mr. and Mrs. Geo. S. Acker are guests at the Leih house, White Bear lake. Mr. Chas. D. Efelit, of New York, is visiting his many friends in this city.

Mr. Wm. Pease, of Pease Bros., will sojourn for several days at Lake Minnetonka. Mrs. Charles Haines left on Friday for Chicago, where she will meet her husband. Mr. Frank Cram has returned from New Orleans, to spend his vacation in this city.

Rev. Dr. Thomas, a leading divine of Chicago, is the guest of Hon. H. C. Burbank. Commodore Wm. F. Davidson and family have taken up their permanent residence in St. Paul. Mr. H. B. Hill, a prominent resident of Fairmount, paid his St. Paul friends a visit last week. Mr. F. B. Larpenet and wife of Hastings have been visiting Dr. Larpenet of Exchange street.

Miss Anna Murphy, an accomplished young lady of Grand Forks, is visiting friends in this city. Mrs. Summers, of the Windsor hotel, and her niece, Miss Allie Monfort, left for the East last week. Mr. S. B. Gault, agent of the Star Union line, left for the East last week accompanied by his daughter. Hon. H. M. Rice and Maurice Amerbach will take possession of their villa at White Bear lake this week.

RAILROAD NOTES.

The Northern Pacific will receive another Pullman palace sleeper to-day. Major C. H. Brown, general manager of the union depot, in his private car, accompanied by a party of friends, went to Duluth last night to spend Sunday at Minnesota's lake port.

It has become necessary to open a new ticket office in the union depot building to accommodate travelers. This new one is in the main hall, directly opposite the old ticket office, and is intended to accommodate excursionists, Fourth of July people, and all kinds of transient travel.

At the urgent request of people interested in White Bear business, the St. Paul & Duluth Company has put on a train for the lake, leaving St. Paul at 7:15 p. m. But it doesn't pay. Few visitors care to go at so late an hour, and the summer residents have made their trains. It will go on.

Mr. George K. Barnes, general passenger and ticket agent of the Northern Pacific, received yesterday from Mr. Lonsberry, of Bismarck, a basketful of strawberries raised on the farm of the latter, about one mile from Bismarck. These berries are large, of a rich red color, and indicate that the northern county will not be without the luxuries.

The Chicago, St. Paul & Omaha road has issued a special time card, which takes effect at 6 o'clock a. m., Tuesday, July 4, 1882, and remains in force until 6 o'clock a. m., Wednesday, July 5, 1882. The train will leave Worthington at 7 o'clock a. m., and arrive at Sioux Falls at 9:45 a. m., returning they will leave Sioux Falls at 10:30 p. m., and arrive at Worthington at 1:30 a. m.

The St. Paul & Manitoba road is preparing to move the wheat crop which it expects will be large. It is receiving about fifteen box cars daily and orders for new locomotives have been forwarded, so that during the year 1882 this road will have received over 100. Yet this large number of locomotives, it is evident, will not be sufficient for the increasing business of the road.

From the Billings Herald of June 22, we learn that Gen. Anderson, chief engineer of the Northern Pacific railroad, says: "The location of the passenger depot is to be as planned; that machine shops, etc., are to be erected at Billings, and work upon them will be commenced at an early day." It is now an established fact that this point is to be not only a division headquarters but a central point. It is expected that the track will be here by the middle of August, and will be ready to receive the trains by the first of September, and from that time Billings will be the end of the track, so far as the operating of the line is concerned for the greater portion of the year, and the work orders to commence work on the branch from Billings to Fort Benton as soon as the survey is completed. This branch runs through the Musselshell and Judith valleys, and will be the route to the Magnus mines.

Capt. Raney will run boats to and from camp meeting hourly all day to-day. The Mary Morton will be the boat of the Diamond Jo line Monday night for St. Louis. The river here is falling and now measures nine feet eleven inches on the bar. The Bismarck Tribune of the 30th says: "The river is falling fast. Up to last evening it had receded about three feet since the decline began. At Benton the flood was down one inch yesterday. The Yellowstone tumbled four inches, leaving eight feet and four inches in the channel."

The Grand Pacific, of the Electric Light line, will arrive this morning and leave at noon to-day. RED ROCK CAMP MEETING. The Outpouring Yesterday and the Work Accomplished. Saturday morning came in with a bright, crisp atmosphere with the wind in the north. The reporter found at union depot a large crowd jostling each other for the train to the camp meeting at Red Rock; and a more genial company could hardly be found.

AT THE GROUNDS everything was orderly, clean and attractive. In a few moments the congregation began to assemble to hear a sermon from Rev. D. J. Higgins, of Monticello. Rev. A. J. Torbet, of Appleton, led in prayer. The sermon was one of great appropriateness, cautioning the people against desiring to live constantly on spiritual gingerbread, and urging all to strive to be useful rather than live for feeling. This was one of the best timed sermons yet preached. AT 10:30. Roy, J. F. Chaffee, of Minneapolis, preached from Mat. xix:27, "Behold we have forsaken all and followed thee, what shall we have therefore?" Mr. C. thought it a good plan not to have more in the text than in the sermon. He believed godliness a good thing for the life to come, but wanted to talk more especially to the young about the relation of godliness to this life. Mr. Chaffee is as most regular of this paper know, is a calm logical preacher, and probably pleases everybody by giving plain, sensible reasons for his Christian life. The sermons preached at this meeting almost without an exception, if published, would make a treasure. Mr. Harrison followed with a specially pointed exhortation. AT 1:30. The indispensable children's meeting was conducted at the main stand with a larger attendance than usual, the children of the public schools of St. Paul, many of them, being present for the first time. THE TRUSTEES and tent holders held a meeting at 2 p. m., in which much business was done. Forty acres, river front, was purchased at the very reasonable price of \$30 per acre; Father Holton, the central figure at Red Rock, donated one-third the purchase price. The Ladies' Christian Temperance Union was welcomed with their headquarters at Red Rock, and will at once proceed to erect a handsome cottage. The following gentlemen were elected trustees: John Holton, E. Moses, C. C. Hurd, H. J. Cobb, D. S. Johnson, A. H. Kase, J. F. Tostevin, George H. Hazzard, J. C. Quimby, and D. C. Strong. AT 3 P. M. Rev. D. Cobb led in a very earnest prayer, when Rev. A. C. Van Auda, D.D., preached to an audience of 1,200 people from Rom. xxi:1, 2. Dr. V. had few equals in the Northwest as a gospel preacher. The sermon took a powerful hold. A consecration service followed, in which a large number came forward and knelt at the altar, and were richly blessed. EVENING SERVICE. If the congregation last evening could be taken as an indication to-day will witness an innumerable multitude at Red Rock. Mr. Harrison, at the last service of the week, came on the platform as fresh as if he had been doing nothing. Rev. C.
