Wealth of Natural Resources The quality of wheat grown in the Northern Pacific country, proving superior to any ever before known, and bringing higher prices, it required a new name to designate it in the markets, and it is known as "No 1. Hard"

The lands offered by the Northern Pacific railroad range from \$2.50 to \$4.00 per acre, and are the chapest and best lands now in market 1n Minnesota, Dakota and Montana there are over 17,000,000 acres of land for sale. Crops are large and sure; stock raising is very prefitable, and there are ready markets at the East by rail or lakes, and at the West at numerous mining cumps—good business opportunities—file chances for paying investments, and work for all at good wages. The prosperous condition of existing settlements along the line of the Northern Pacific railroad in Minnesota and Fastern Dakota is the best guarantee of the permanency of the sgricultural interests of the enter region.

Vast Gold and Silver mining sections occur in Montana, Idaho, Washington and Oregon, and each are famous as the best agricultural, grazing and stock raising country in the United States.
