Wallace Released on Bail. Horace E. Wallace, charged with inaugurating a fraudulent lottery scheme, particulars of which have been given in the GLOBE, was arraigned before United States Commissioner Spencer at 2 o'clock yester-day afternoon, and through his attorney, W. W. Erwin, waived examination, when he was held in \$200 bail for his appearance at the October term of the United States district court, to convene in St. Paul the first Monday in that month. Hon. John M. Gilman, an old acquaintance of the father and mother of accused, furnished the required bail and Wallace was released from custody. This in all probability is the last that will be heard of the case in the courts, as up to the present time no positive eyidence against Wallace has been obtained.
