

BE ECONOMICALLY INCLINED.

The glorious Fourth will soon be here, the day that is dear to the hearts of all American people in all parts of the world, and for a proper celebration of the day it is necessary that we should be appropriately and neatly clad; no man or boy can enjoy a holiday if his clothes are shabby or ill-shapen. A tastefully dressed man always has more respect for himself and commands respect from his friends and acquaintances. In fact it pays to dress well, but to men of small or moderate incomes, it is often a serious question how to accomplish this.

To such men we would say that for thirteen years we have been catering for you, and have been helping you to dress neatly, and giving you shapely garments made from cloth of a substantial and durable character, at moderate prices. We can give you to select from twelve lines of \$10.00 suits; fifteen lines of \$12.00 suits; ten lines of \$8.00 suits and from fifteen to twenty lines each at \$15.00, \$16.00, \$18.00, \$20.00, \$22.00, \$25.00, \$28.00 and \$30.00, any of which would cost double this price if made to order and would be no better.

THE POOREST PEOPLE

are apt to pay more for their goods, for the reason that they are too often persuaded to buy an article because it is *cheap in price*, forgetting that it is also *cheap in quality*. This is very poor economy; had they added a little more money to their purchase they would obtain goods of lasting value, and when the so-called cheap article is gone to the everlasting bow-wows, the substantial article of moderate price is not half worn out. Suits for little boys 4 to 10 years of age, \$2.50, \$3.00, \$3.50, \$4.00 and \$5.00. All these suits have the *cavalry knee* and pieces for patches. Suits for big boys 8 to 13 years of age, \$4.00, \$4.50, \$5.00, \$5.50, \$6.00, \$6.50 up to \$9.00. These prices are for goods that it will pay you to buy. "The Boston" cater for the public, rich and poor alike, and whoever exchange their money for clothing at the B. O. P. C. H. is sure to receive full value in return.

HATS AND CAPS.

HERE, we are at home; High price Hat and Cap dealers laughed in their sleeve when we opened this department, and tried their best to control the best goods so we could not make the low prices that they knew would bring us the trade of the masses. Eastern manufacturers were too wise to kill the goose that lays the golden egg. It soon dawned on them that the B. O. P. C. H., St. Paul, was using four times the quantity of fine goods, of any one retail Hat and Cap dealer in St. Paul, and the consequence is, we now control many of the best makes, including the famous "YOUNG MAN" Hat, which is the best Hat manufactured in America, Stetson's Hats in all the new shapes, Stiff and Flexible Hats in Pearl, Black, Blue, and Brown, Straw Hats in Mackinaws, French, and Webster braids, Children's and Boys' Hats, Flannel and Scratch-up Hats, Pith or Cork Hats, Railroad Caps and Bands, in fact anything and everything known to the Hat and Cap trade can be bought at prices that make rival dealers jealous. The consequence is we are doing the Hat and Cap business of St. Paul.
