

THE MARCHING SONG OF SHERMAN'S ARMY.

[The following is the latest army song which Sherman's veterans chanted on their victorious march.]

Our camp-fires shone bright on the mountains,
That frowned on the river below,
While we stood by our guns in the morning,
And eagerly watched for the foe.

When a rider came out from the darkness,
That hung over mountain and tree,
And shouted, "Boys, up and be ready,
For Sherman will march to the sea."

Then cheer upon cheer for bold Sherman
West up from each valley and glen,
And the bugles re-echoed the music,
That came from the lips of the men.

For we knew that the stars in our banner
More bright in their splendor would be,
And that blessings from Northland would greet us,
When Sherman marched down to the sea.

Then forward, boys, forward to battle,
We marched on our warlike way,
And we stormed the wild hills of Resaca—
God bless those who fell on that day—
Then Kansas' frontier in its glory,
Frowned down on the flag of the free;
But the East and the West bore our standards,
And Sherman marched on to the sea.

Still onward we pressed till our banners
Swept out from Atlanta's grim walls,
And the blood of the patriot dampened,
The soil where the traitor flag falls.

But we slept not to weep for the fallen,
Who slept by each river and tree,
Yet we trained them a wreath of the laurel,
As Sherman marched down to the sea.

O, proud was our army that morning,
That stood where the pine-darby towers,
When Sherman said, "Boys, you are weary,
But to-day fair Sherman is ours."
Then sang we a song for our chieftain,
That echoed o'er river and sea,
And the stars in our banners shone brighter
When Sherman marched down to the sea.

Friday's New York Tribune says: "It is understood that Henry Ward Beecher yesterday asked and received from the Secretary of War permission to preach the gospel in Charleston in the ripeness of time. He expressed a particular desire to preach an election sermon in the cradle of the rebellion, on the occasion of Ben. Butler's assumption of the Governorship of South Carolina."

An extensive emigration from New York to Mexico is going on just now in a very quiet way. The barque *Ilonduras* has been chartered to sail on the 11th inst., with as many passengers as she can find accommodations for. The emigrants are said to be for the most part foreigners.

LAW OF MONTANA TERRITORY.

[PUBLISHED BY AUTHORITY.]

AN ACT

Securing Liens to Mechanics and others.

Be it enacted by the Legislative Assembly of the Territory of Montana:

Sec. 1. Every mechanic, builder, artisan, workman, laborer, or other person who shall do or perform any work or labor upon, or furnish any materials, machinery or fixtures, for any building, erection or other improvement upon land, or for repairing the same, under or by virtue of any contract with the owner or proprietor thereof, or his agent, trustee, or sub-contractor, upon complying with the provisions of this act, shall have for his work or labor done, or materials, machinery or fixtures furnished, a lien upon such building, erection, or other improvement, and upon the lot or lands, belonging to such owner or proprietor on which the same is situated, to the extent of one acre, if outside of any town or incorporated city, or if within any town or incorporated city, then to the extent of the whole lot or lots on which the same is situated, to secure the payment of such work or labor done, or materials, machinery, or fixtures furnished.

Sec. 2. Every sub-contractor wishing to avail himself of the benefits of this act, shall give notice to the owner or proprietor, or his agent or trustee, before or at the time he furnishes any of the things, materials, or performs any of the labor, or in satisfaction to furnish or perform the same, and the probable value thereof; and if afterwards the things are furnished or labor done, the sub-contractor shall settle with the contractor therefor, and having made the settlement in writing, the same signed by the contractor, and certified by the contractor, shall be presented to the owner or proprietor, or his agent or trustee, and left with him, and within thirty days from the time the things shall have been furnished, or the labor performed, the sub-contractor shall file with the Recorder of the county in which the building, erection or other improvement is situated, a copy of the settlement between himself and the contractor, which shall be a lien on the building, erection or improvement for which the things were furnished, or on which the labor was performed, and shall be the time for a correct description of the property to be charged with the lien, the correctness of all of which shall be verified by affidavit.

Sec. 3. In case the contractor shall, for any reason, fail or refuse to make satisfaction in settlement in writing with the sub-contractor, when the same is demanded, then the sub-contractor shall file a just and true statement of work and labor done, or things furnished by him, giving all credits which he shall present to the owner or proprietor, or his agent or trustee, and shall also, within thirty days, file a copy of the same, verified by affidavit, with the Recorder of the county in which the building, erection or other improvement is situated, together with a full and correct description of the property to be charged with the lien.

Sec. 4. The certificate of settlement, made as aforesaid, or statement of the sub-contractor, shall be a just and true statement of work and labor done, or things furnished by him, giving all credits which he shall present to the owner or proprietor, or his agent or trustee, and shall also, within thirty days, file a copy of the same, verified by affidavit, with the Recorder of the county in which the building, erection or other improvement is situated, together with a full and correct description of the property to be charged with the lien.

Sec. 5. The notice mentioned in the preceding sections may be given by the sheriff or any constable of the county in which such building, erection or other improvement is situated, and the return thereon of such sheriff or constable shall be received in evidence with the proof.

Sec. 6. It shall be the duty of every person except as has been provided for sub-contractors, who wishes to avail himself of the benefit of this act, to file with the Recorder of the county in which the building, erection or other improvement is to be charged with the lien, a statement, and within sixty days after all the things aforesaid shall have been furnished, or the work or labor done or performed, a just and true account of the demand due or owing to him, after allowing all credits, and containing a correct description of the property to be charged with said lien, and verified by affidavit.

Sec. 7. It shall be the duty of the Recorder of the county to endorse upon every account the date of its filing, and make an abstract thereof in a book, by him to be kept for that purpose, and properly indexed, containing the date of its filing, the name of the person filing or imposing the lien, the amount of such lien, the name of the person against whose property the lien is filed, and the description of the property to be charged with the same, for all of which he shall receive the sum of two dollars from the person filing or imposing the lien, which shall be taxed and collected as other costs in case there be suit thereon.

of said land which is not covered with such building, erection or other improvement as that which is covered with the same, shall be subject to all liens created by this act to the extent and only to the extent of the right, title and interest owned therein by the owner or proprietor of such building, erection or other improvement, of whose immediate use or benefit the labor was done, or things were furnished, and when the interest owned in such land by such owner or proprietor of such building, erection or other improvement, is only a leasehold interest, the forfeiture of such lease for the non-payment of rent or non-compliance with any of the other stipulations therein, shall not forfeit or impair such lien, so far as concerns the building, erections and improvements thereon put by such owner or proprietor, charged with such lien; but such building, erection or improvement may be sold to satisfy said lien, and be moved within twenty days after the sale thereof, by the purchaser.

Sec. 10. The liens aforesaid, or work, shall attach to the building, erections or improvements for which they were furnished, or the work was done in preference to any prior lien, or incumbrance, or mortgage upon the land upon which said buildings, erections or improvements have been erected or put; and any person enforcing such lien may have such building, erection or improvement sold under execution, and the purchaser may remove the same within a reasonable time thereafter.

Sec. 11. Any person having a lien under or by virtue of this act, may bring suit to enforce the same, and to obtain the benefit thereof, in the District Court of the county wherein the property on which the lien is attached is situated, without regard to its amount.

Sec. 12. The pleadings, practice, process and other proceedings in the several District Courts in cases arising under this act, shall be the same as in ordinary civil actions and civil proceedings in said Courts, except as herein otherwise provided. The petition among other things shall allege the facts necessary for securing a lien under this act, and a description of the property charged therewith.

Sec. 13. In all suits under this act the parties to the contract shall, and all other persons interested in the matter in controversy, and in the property charged with the lien, may be made parties, but such as are not made parties shall not be bound by any such proceedings.

Sec. 14. In case of the death of any of the parties specified in the immediately preceding section, whether before or after suit brought, the executor or administrator of such deceased party shall be made plaintiff or defendant, as the case may require, and it shall not be necessary to make the heirs or devisees of such deceased persons parties to such suit, but if there (is) (be) no executor or administrator may be made parties to such suit, if any of said heirs or devisees are minors—under the age of twenty-one years—their guardians shall be made parties with them; but if such minors shall have no guardian, the court in which the suit is pending shall appoint guardians ad litem for them, in the same manner and under the same rules and regulations as guardians ad litem are appointed in proceedings for partition of real estate, and the judgment and proceedings of said Court in any such suit shall be as binding on such minors as if they were of the age of twenty-one years.

Sec. 15. The court shall ascertain by a fair trial in the usual way, the amount of indebtedness for which such lien is established, and render judgment for the same and for costs of suit.

Sec. 16. Judgment by default shall be rendered against every defendant who, after being summoned or notified according to law, shall not appear, and plead or answer within the time allowed in ordinary civil actions.

Sec. 17. When the debtor has not been served with a summons according to law, and has not appeared, but has been lawfully notified by publication, the judgment, if any, for the plaintiff shall be that he recover the amount of the indebtedness found to be due, and costs of suit, to be levied out of the property charged with the lien thereof, which said property shall be correctly described in said judgment.

Sec. 18. When the debtor has been served with summons according to law, or appears to the action, the judgment if for the plaintiff, shall be against such debtor, as in ordinary cases, with the addition that if no sufficient property of the debtor can be found to satisfy the judgment and costs of suit, then the residue thereof be levied as provided in the next preceding section.

Sec. 19. The execution to be issued shall be a special fieri facias, and shall be in conformity with the judgment, and such writ shall be returnable as ordinary executions; and the advertisement, sale and conveyance of real or personal estate under the same shall be made as under ordinary executions.

Sec. 20. All suits under this act shall be commenced within ninety days in case of sub-contractors, and six months in all other cases, from the time of filing the account or statement as aforesaid, and not after, and be prosecuted without unnecessary delay to final judgment.
