REPORTED FOR THE POST.

The Congressional Printer "P's" Farm.

Buffalo, May 29.—A personal encounter occurred yesterday between Congressional Printer (Clapp, now, on a visit to this city, and Hon. D. S. Bennett, member of Congress from this District. An angry dispute was followed by Bennett being knocked down, when friends interfered.

Butler on the War Path.

Chicago, May 29.—The decoration of soldiers graves was observed today with usual ceremonies. The day was rainy and unfavorable. The attendance was not so large as usual.

At Gloucester, Mass., Yesterday.

Gen. Butler made a speech on the occasion of decorating the graves, in which he inveighed bitterly against the conduct of England during the rebellion. He declared, we will teach our children by these green mounds which cover their fathers' ashes the history of how England sought to strangle free government at its birth by hiring Hessians and savages to fight our fathers in the war for independence.

The War in Cuba.

New York, May 29.—A Havana special to the Herald says the government is in great want of coal and will probably embargo all stock in the island.

Prison Delivery.

Detroit, May 31.—Six prisoners escaped from the jail in this city yesterday noon, among them Johnson, who attempted to assassinate Allen Pinkerton. The lock of the inner door had been taken off for repairs, leaving the prisoners secured by the outer door only. The jail at the hour named was in charge of a boy 17 years old, during whose absence the inmates were unlocked by a false key and the prisoners walked off and proceeded to Canada.

Peru Recognizes the Cubans.

New York, May 31.—A Lima letter of the 14th says the Peruvian government has recognized the Cubans as belligerents and decided to grant them all the usual privileges.

The Cuban Affair Coming to a Focus—The Herald on Recognition, etc.

New York, May 31.—The Herald says a proclamation of belligerent rights to the Cubans from President Grant would settle the question in Cuba in less than a month. In fact, the Peruvians may settle it within that time; but what a sorry settlement that would be for the United States. This country expects to annex Cuba, and Gen. Grant ought to be ashamed of this sort of American duplicity and decorum. It is nonsense; it is stupid old fogeyism, and we have had enough of it.

Learning Bad Tricks.

St. Louis, May 31.—A special from Fort Leavenworth says Passet creek station on the Kansas Pacific Railroad was attacked by the Indians on Friday night last and two men killed and four wounded. The track was torn up, and the train from Hays city thrown off the track. A squad of Gen. Curtis's regiment now at Hays city, has been ordered in pursuit, and it is hoped they will overtake them. Orders have also been sent to recapture the mules stolen from Hays. A company of seventy cavalry has been ordered to accompany the train to the Alabama country in the event of the English, and it has been so

Washington, May 31.—N. McGruder, an ex-Mayor of this city, died last night.

Yesterday Judge Barnard granted an injunction against the Michigan Southern and Northern Indiana railroad at the suit of John V. Prouty, restraining all officers of the company from disposing of any property, franchise or securities of the company or transferring to any other company operating with the company, including the Lake Shore company. The suit involves a question of great importance to this and other companies. The case will be shortly continued. Present counsel has been engaged on both sides.

A letter from Brazil says the last colony of Southern men from Alabama and Louisiana, is about breaking up. Numbers will return to the United States.

Washington, May 31.—Gen. Reynolds has telegraphed to the War Department an engagement to place near Douglas Mountain, west of Fort Griffin, between a scouting party from the Fort and a band of Comanches and Kiowas. Fourteen Indians were killed.

The President has determined to attend the battle of Gettysburg on Saturday, Friday, and will leave for West Point June 10th.

Among the callers on the President today was Hon. A. G. Curtin, Minister to Russia, and E. F. Wade. The latter received his commission as director of the U. S. Mint.

Philadelphia, May 31.—The will of D. J. Rush disposes of a million dollars of estate, which, after providing for certain moderate legacies, goes to the Philadelphia Library Co. to purchase a lot to erect a building to be called the Ridgeway branch of the Philadelphia Library.

Pittsburg, May 31.—Mrs. Mary Tuston, a widow lady, residing on Pennsylvania Avenue, was struck by lightning during a storm today, and instantly killed. She was putting down a window at the time.

Memphis, May 31.—The first shipment of what is called the Saturday Evening Post to Memphis, Mississippi, consisted of 5,000 bushels.

Boston, May 31.—The carriage manufactory of S. Chapman, Cambridge, was burned yesterday. Loss \$15,000.

New York, May 31.—In the steamship Quaker City case, the owners of the vessel filed the answer, which simply denies the allegation that the vessel was fitted out as a privateer.

In the case of J. D. McHenry, convicted on Saturday of perjury, in making false affidavits, etc. against Messrs. Collins, Harlan and others, a motion to set aside the verdict of judgment, pending the argument on motion for a new trial.

Washington, May 31.—Mr. Curtin leaves June 17 for the Russian mission.

Vienna, May 31.—It is said that Ismail Pasha's tour, which will extend through Europe, is for the purpose of determining the question whether the Suez Canal is to be considered a subject for the neutrality of all nations and for all time.

Prison Delivery.

Detroit, May 31.—Six prisoners escaped from the jail in this city yesterday noon, among them Johnson, who attempted to assassinate Allen Pinkerton. The lock of the inner door had been taken off for repairs, leaving the prisoners secured by the outer door only. The jail at the hour named was in charge of a boy 17 years old, during whose absence the inmates were unlocked by a false key and the prisoners walked off and proceeded to Canada.

Butler on the English.

New York, May 31.—Boyer's lined of mills on Water street were burned yesterday. Loss \$30,000.

The Fitzgibbon varnish works at Brooklyn were burned last night. Loss \$6,000.

The eight-hour law has been promulgated at the navy yard in Brooklyn.

Congressman Butler is reported to have said that the law in the Alabama controversy is on the side of the English, and it has been so

decided by our own Supreme Court. But we should nevertheless withdraw our intercourse with England, because of her course in taking advantage of a technicality of the law to injure us. He opposes the reciprocity treaty with Canada, as we were unfairly treated in the last one, but he thinks such a treaty would be a great advantage to Canada and England, and expressed the greatest confidence in Boutwell's policy and considers him the best Secretary of the Treasury since Hamilton.

Protestant Congress.

Worms, May 31.—The Protestant Congress which assembled here today was attended by 20,000 persons, including representatives from all the States of Germany. The Congress, by unanimous vote, resolved against the Papal ex-communication to return to the Roman Church and in condemnation of the encyclical formation and Silbas' idea of formation. An United German Church is mooted.

Miscellaneous.

New York, May 31.—The Tribune's Washington special says the War Department has later advice from the plains, showing that the quartermaster is forwarding supplies with unusual rapidity.

Many military agents are en route for their posts. There is increased confidence here that no real trouble with the Indians will be avoided.

A delegation of Georgians today called on the President and represented that a man had lately been appointed Assessor of Internal Revenue in the rebel service, and was discharged for drunkenness and gross immorality. It is believed the President has ordered his removal.

Interview with the President yesterday, regarding affairs in the West India Islands.

The opinion of the Attorney General on the rights of military commanders to take what is called the military courts, will probably be considered by the Cabinet today.

It is held that Georgia is in the same condition as Texas, Mississippi and Virginia, so if the Attorney General decides the military have a right to interfere, it will probably put an end to the lawlessness in all those States.

The National Division of the Sons of Temperance of North America commences their annual session in Washington June 9th. Delegates will be entertained by the Grand Lodge of the district.

Chicago, June 1.—The breach of promise case of Amanda J. Craig, a Cincinnati school teacher, against Elisha E. Sprague, also of that city, but lately a resident of Chicago, where he is a better known man, is set for trial in DuSable county court. Dana claims \$100,000. The trial excites much interest.

The Herald's special from St. Petersburg says the Emperor of Russia has signified his intention of sending an envoy extraordinary to Washington for the purpose of congratulating President Grant on his success in securing his election, and to express the value his majesty sets on the maintenance of friendly relations between the two nations.

Governor Hoffman declines to interfere in the case of Messrs. Rochester and Manchester, sentenced to death on Friday next. It seems Messer has uttered threats of killing more people in case he should ever regain his liberty.

The claimant and owner of the steamship Quaker City and Colombia, filed his answer to the libel against her, denying all allegations and praying the libel be dismissed.

Montgomery, June 1.—Messrs. Bingham, Longbridge and Eldridge, Congressional committee on the subject of the proposed canal, Judge Busted, reached this city on Saturday night. Judge Busted adjourned court today until Wednesday.

Private letters from Paris say the agitation concerning the election is greater

than represented by the press. One hundred and forty-nine prisoners were arrested in three days, and many others threatened.

Wishing Forgiveness without Expiation.

London, June 1.—Nearly all the journals have articles to-day on the presentation address to Minister Motley, and discuss the probable future relations between Great Britain and the United States. The Times, after contrasting Sumner's speech in the Senate with Motley's language yesterday, hopes the peaceful tendency of the latter is not attributed to appearances, but is a real practical indication of the intention of his government in setting aside all controversies. Great Britain offers Motley a hearty welcome. The Times is assured both the government and people of both nations will reciprocate his friendly expressions.

The Indians in Kansas.

Topeka, Kas., June 1.—The Sheriff of Saline county, reports that 13 persons, men, women and children, have been killed in that country by Indians, and as many more are supposed to have been killed. The women are carried off and some worse than death. The settlers of Saline county are coming east for protection. The correspondent says if the Quaker agents don't hurry up, the poor Indian savages will destroy all the frontier settlements in Kansas and Colorado.

Leavenworth, Kas., June 1.—About 20 white persons have been killed by Indians in western Kansas during the past week. The murders have been committed by roving bands of Indians, no large bodies have been heard of. The massacres have been the result of guerrilla fighting rather than a general Indian war.

The scene of operations extends from the Republican river to the end of the Kansas Pacific R. R. The settlements in that part of the State are scattered and very much exposed. General Schofield has only a small number of troops at his disposal, but is making the best use he can.

Gov. Harvey has organized two companies of scouts, for which Gen. Schofield furnishes arms.

There are now in the field four U. S. surveying parties, all without military protection. One of these parties are north of Fort Hayes, one between Hayes and Larned, and one sixty miles west of Hayes. This last is exposed, and great fears are felt for the safety of the surveyors.

The Times and Conservative have news of an attack on the settlement along the Saline river west of Saloma. One woman was killed and one boy wounded. Three children were kidnapped. The soldiers are gone in pursuit.

Maryland Colored Convention

Baltimore, June 1.—The State Colored Convention met here to-day. Delegates were present from nearly every county in the State. The afternoon session was occupied in speeches and permanent organization.

The Convention held a night session, at which a series of resolutions was adopted expressing confidence in Grant and his administration, and asking that colored apprentices be admitted to all branches of trade, that no colored mechanic shall be prohibited from any trade; thanking the President and the Federal office-holders for the appointment of colored men to positions, and pledging the colored Republicans of Maryland to support the regular nominations of the party.

Pile gets an Office at last.

Washington, June 1.—The President has appointed Wm. Pile of Mo., who was lately rejected for the Brazil mission as Governor of New Mexico, vice Crowe ineligible. The impression prevails that Crowe would be confirmed to this office.

Canada.

London, June 2.—In the House of Commons last night in response to a query McNeill, under Colonial Secretary, stated a part of the policy of the government toward its American colonies was to throw the cost of self defence on each colony. He believed the cessation of the Hudson Bay Co's territory would be ratified by Canada. If the scheme was successful, the dominion would extend from the Atlantic to the Pacific, and every facility be given to forward the interest of British Columbia in connection with those of Canada.

Stafford Northcote thought the Canadians able to decide their own action. He believed the question would be satisfactorily settled.

Burrie regarded Canada as the future highway to India, and ridiculed any project of annexing Canada to the United States.

The official report announces that four cannon and all other munitions brought by the filibusters were captured.

Heavy Democratic Increase in Illinois

Springfield, June 2.—The Register describes a remarkable shower of snakes near Taylorville last Sunday. Every ditch and pool on the prairie after the subsidence of the rain were found to be alive with nondescript creatures from eight inches to two feet long, and about three-quarters to one inch in diameter. The tail is fat like an eel, without fins; the head was shaped somewhat like an eel; the eyes small, ears simply orifices immediately behind the head on each side, the flippers were like those of a turtle, about an inch long, including the limb, which has a perfectly developed point. The color of the snakes is a dark blue. The number of these creatures is beyond all estimate. They swarm in every puddle of water; they swim entirely under water or with the head or a portion of the body above the surface. They are perfectly harmless. The boys take them from the ponds by hundreds and bring them to town for inspection. The story is vouched for by numbers who have seen this phenomenon.—(OPERATORS)

COMMENTS: "Salt Lake" says the Chicago Reporter has the delirium tremens. "San Francisco" says he has been on a somebody's third story apartment has bursted. "Virginia" says it is a stand off for the Musselshell "pickled ears." "Corinne" tells Chicago salt and water is good for what ails him.]

In Pursuit.

St. Louis, June 2.—Kansas dispatches say Col. Weir with a squadron of cavalry is scouting on the line of the river for Indians. Col. Merrill will take the field from Fort Harker, Gen. Custer from Hays, and Hamilton from Riley, with orders to pursue vigorously and punish severely any Indians that may be found. The killing of thirteen persons in Saline county is confirmed. The outrages were committed by the Sioux and Cheyennes, divided into bands of from nine to seventeen.

Fraternizing.

Chicago, June 1.—Charles Crocker, Superintendent of the Central Pacific Railroad, Campbell, Division Superintendent, Samuel Barstow, of the Alta California, and several other Californians, were in this city yesterday and took a trip on a special train of elegant cars to the Union stock yards as guests of the Pullman car company. Other railroad officers were in the party. They were hospitably entertained and expressed themselves highly gratified.

D. O. Mills, President of the Bank of California, passed through the city yesterday bound home.

The trains from the East daily bring immense numbers of passengers bound for the Pacific coast.

Passengers arrive regularly five days and a few hours from Sacramento.

Beecher Recognizes Cuba.

Chicago, June 1.—The Tribune's New York special says that at Plymouth Church yesterday, Henry Ward Beecher read an address of an entertainment to be held by the Cuban patriots and took occasion to say that if any people were ever justified in throwing off their government, the people of Cuba were justified in relieving themselves from the yoke of Spain. If any people deserved freedom, it was the Cubans. Some people said it was insurrection, but if so, it was based on a righteous cause and ought to succeed.
