BUTTE DEFEATS WHITEHALL

Visiting Ball Players No Match for the Home Team—Slugging Match Throughout.

It was not a question of who would win yesterday between the Butte regulars and the team of ball tossers from Whitehall, but rather a question of whether the visitors would score. The game was conceded to the home team after the second inning, and the way the Butte aggregation jumped onto the delivery of Carle, who was on the rubber for Whitehall, was shocking. They pounded the ball all over the lot, and when the dust of the fracas cleared away it showed a total of 27 hits, including two three-baggers and four two-sack drives to the credit of the locals, against nine hits, including two for two bases, for the visitors. The error column of the latter contained a total of seven glaring black marks, against a lone one for Butte.

The score would indicate a game lacking in interest, but such was not the case. The locals piled up a total of 23 tallies against a bare two for Whitehall, and though the game was one-sided, the interest centered in the possibility of the latter team to score. It looked as though they were going to be shut out, until the sixth, when a base on balls and two two-baggers gave them their only runs of the game.

King, who dispensed the twisters and benders for Butte, proved a mystery, and had the visitors at his mercy, scattering their hits well. Tommy Lloyd at short assisted in two double plays and played a snappy game. He had four hits to his credit. H. Lloyd, Clayborn, Donahue and Kelly shone in the field, and Schills was the particular star with the stick, making three hits—a double and a triple. The score follows:

KING CASHIER THE WINNER

Joe Hoskings Grey Hound Carries off the Sixteen Dog Coursing Stake.

With the hounds in good form and the hares fairly lively, the Butte Coursing club yesterday, at the local park, ran off a sixteen-dog stake, before a good sized crowd of enthusiasts. The day was almost perfect for the dogs and the hares but at rifle warm for the dog handlers, officials and the spectators. Still the sport was all that could be desired and as some of the kills were made after hard chases there was sufficient at intervals to create enthusiasm. The betting on the results was spirited and no little money changed hands.

The star of the day was King Cashier by Battle Royal-Brunette, who beat his sister, Jessie II, in the first round; Spindle in the second round; Jersey Lilly

in the semi-finals and Montana Chief in the final, winning the stake. The dog showed great form and ran well.

The feature of the Coursing next Sunday, will be two match races. The first will be between Ben Corin's Jersey Lilly and Rowe and Noall's Charlie Prince, for \$100 and the second will be between C. H. MacDougall's Lethbridge and A. W. Jones' and Dr. Hansen's Montana Jack, for \$250 a side. The last named dogs will doubtless put up a great fight for the \$500 purse. The summary of the sport yesterday follows:

First round—Harry Corbis' Dartmoor Dan beat Ed. Wilkinson's Princess Amelia; James Ayers' Rusty beat Ed. Wilkinson's Castaway; Abe Angrove's Defender beat Joe Hosking's Rash Adventure; Joe Dawes' Montana Chief beat George Wilson's Shamrock; Ben Crin's Jersey Lilly beat Charles Gardner's Gold Standard; Joe Hosking's King Cashier beat Rowe & Noall's Jessie II; C. H. MacDougall's Col. Topet beat James Ayers' Foxy; G. H. MacDougall's Spindle beat W. H. Smith's Fitz Regia.

Second round—Rusty beat Dartmoor Dan; Montana Chief beat Defender; Jersey Lilly beat Col. Lopez; King Cashier beat Spindle.

Semi-finals—Montana Chief beat Rusty; King Cashier beat Jersey Lilly. Final—King Cashier beat Montana Chief in the final.

THE BOULDER MINES BOOMING

Free Milling Gold in Abundance—The Snow Has Lately Gone From the Hills.

"There will be some surprises for the state from the gold mines around Independence, Montana," said a gentleman direct from that place this morning, but who, for personal reasons preferred to remain incognito.

Independence is up the Boulder river, south from Big Timber, about 60 miles in the Boulder mining district. The ore is all free milling, and is worked at the mines, the stamps being operated by water power. E. H. Cowles, the principal mine owner, and the man to whom all the development of the country is due, is taking out gold that would make a fellow sick with envy. Almost every trip to Big Timber or Livingston, he carries out a fine shipment of the precious metal. The ore is not especially rich, but it is in vast quantities, and easy to work, so the profit is large. The district is going to prove a bonanza in the near future, I am sure.

"Independence is not more than 20 miles from Cooke City, where there are almost limitless quantities of ore that needs only transportation facilities to make it a great camp. Talk has been revived of a railroad into Cooke, and when that comes, there will be a great rush into that part of the country."

"Down at Contact, 25 miles nearer to Big Timber, on the Boulder, there are some mines that are turning out a good lot of money for their owners. The Natural Bridge and the Standard are at present the principal producers. Both these companies are so well satisfied

PIERRE LORILLARD PASSES AWAY LEAVING A FORTUNE OF MILLIONS

New York, July 8.—Pierre Lorillard died yesterday at the Fifth Avenue Hotel, where he was taken from the Deutschland when that steamer arrived from Europe, July 4. The members of the family present at the bedside when the end came were Mr. Lorillard's daughters, Mrs. T. S. Taylor and Mrs. William Kent and their husbands, and Pierre Lorillard, Jr., and his wife, also Pierre Lorillard, third.

and went to his lodge at Ascot, hoping to see his horse, David Garrick, win the gold cup. He was stricken with a uraemic chill and was sick for a week. He was advised to come to America and boarded the Deutschland, but his condition became graver each moment.

The funeral will be at 11 o'clock, Wednesday, from Grace church. The interment will be in Greenwood.

Pierre Lorillard was the eldest son of Peter Lorillard, founder of the fortune which made the family name famous. In 1874 he became interested in the turf. His first great horse was Parole. With Iroquois in 1881 he was the first American to win the classic English Derby.

WANTED TO KNOW ABOUT STOCKS

But Mr. Morgan's Man Wasn't Giving Tips That Day.

A little old man, with long chin whiskers, a far-away look in his eyes, and a gray hooped suit on his back, walked into the office of J. P. Morgan & Co. the other morning. Smith, the big six-foot detective, encountered him just as he was about to walk into Mr. Morgan's private office.

"Where did you come from?" "Thirty miles from Hartford. I just wanted to talk to Mr. Morgan on stocks. Say, what do you think of those Texas oil wells at 10 cents a share? Any good in 'em, eh?"

"Is this Mr. Morgan's office?" asked the old man.

"Yes," replied Smith, "what do you want?"

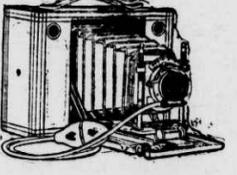

"Oh, I came down to see him. I want a little advice about stocks. I've got a little money I'd like to invest. Say, isn't this Mr. Morgan what brings all these big iron and steel men together? Um! Um! So I heard. Well, he's the man to advise me what to invest in."

INDIAN MEDICINE MEN AND THEIR RETREATS.

The ceremony of the grand medicine is an elaborate ritual, covering several days, the endless number of gods and spirits being called upon to minister to the sick man and to lengthen his life. The several degrees of the grand medicine teaches the use of incantations of medicines and poisons, the requirements necessary to constitute a brave. "When a young man seeks admission to the grand medicine lodge, he first fasts until he sees in his dream some animal (the pink, beaver, otter, and fisher being most common), which he hunts and kills. The skin is then ornamented with beads and porcupine quills, and the spirit of
