## The Talent Does Well When Two Favorites Land the Money

Ellis Glenn and Aurifera as First Choices Reward Their Backers—Sisquoc, a Rank Outsider at 15 to 1, Easily Beats Out Amasa. The Card for To-day.

Comparing yesterday's results at the race track with those of previous days of the present meet, the talent had a great day. It was great in the respect that the pickers selected two horses, to carry the money, which really landed it. That was doing pretty well with a lot of dogs, particularly in view of the fact that it has been no common thing to see every favorite of a card bowled over. Yesterday was an exception and as two favorites showed in front the plungers and pickers got a little money for a little while. It was hard picking in the other events however and it would appear that the talent broke to the bad on the day.

There were two or three features of the day, one of which was given in yesterday's report. That was the questionable driving in the trotting event. Whether it was on the trot or not, it attracted the attention of the judges and Kennedy was called into the stand and told a thing or two. Another feature was the win of Yellowstone with Goulin up from Innocencia in the third race. It was a hard drive to the wire and found Abercrombie's horse just a nose in front. Many thought the race a dead heat but the judges who are better able to see a finish thought different.

From the standpoint of the talent the principal feature of the day came in the fourth race. That event saw Amasa, a well played, even money favorite, beaten handsly by Sisquoc, a rank outsider, against whom the books laid 15 to 1. Amasa got the place and Blanche Shepard at 2 to 1 finished third. The second race found Charley Lamar

fancied at 8 to 5, Don H a third choice at 20 to 1 and Jack the favorite at even money. They finished in the order named, with Pay Day, Walkpugh and Gleamore strung out.

The first favorite of the day to land the money, was Ellis Glenn. The filly rewarded her backers by winning easily at even money from Abba L, who was second and Undergrowth who finished third. The only other favorite to win was Aurifera, who at the odds on price of 7 to 10, won all the way. Delgado at 6 to 1 got the place and Joe Bell at 2 to 1 ran in the money.

### FAITH IN THE INDEPENDENCE

Managers of the Lawson Yacht Sanguine That the Craft Can Make a Good Showing.

(By Associated Press.)  
Newport, R. I., July 10.—None of the big racing boats moved out of the harbor yesterday. It was intended to take the Constitution out for a short spin in the afternoon to try out a couple of new jibs, but about 3 o'clock a threatening squall came up from the west and it was decided that the boat would better remain at her moorings.

It was rather expected that a little ballast would be taken out of the Independence yesterday, but Mr. Adams, who is in charge, has decided to make no change until after today's race, at least.

On the Columbia there was practically nothing to do while the managers and crew of the Independence are still

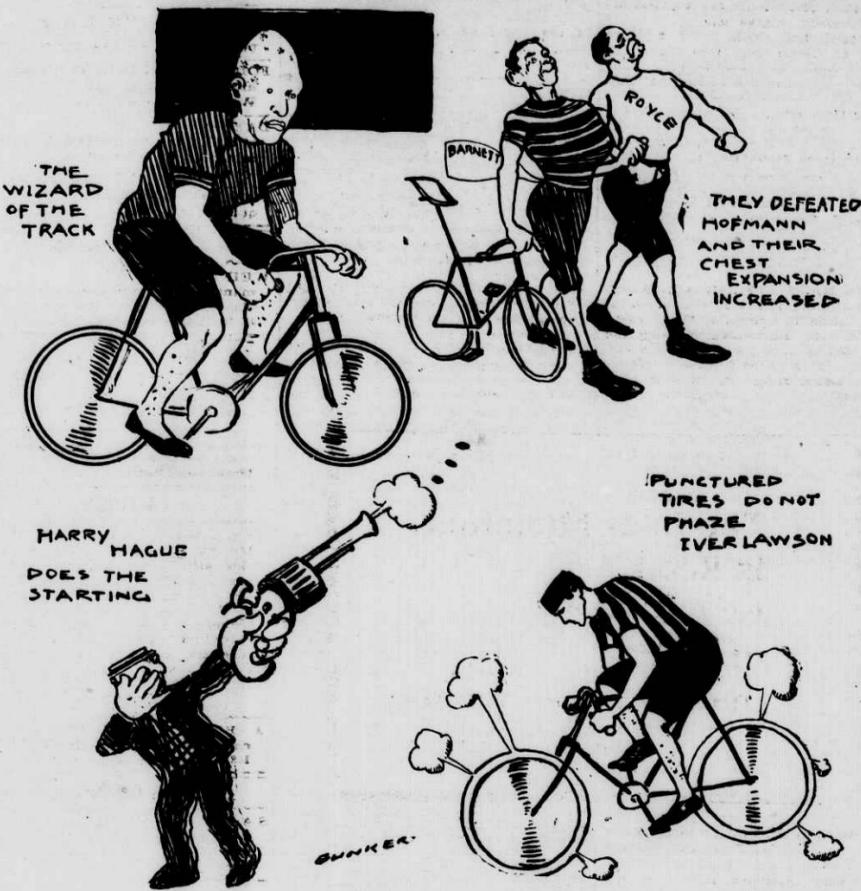

undismayed by the showing their boat has made thus far and are as full of hope and courage as ever. They feel that their craft has had an unusual run of hard luck in finding all the bad spots possible in the two races in which she has sailed. They know that the boat has sailed fast in a good breeze and they believe that she will yet surprise those who have condemned her as a hopeless candidate for the cup honors.

Today's race, the third of the Newport Yacht Racing association's series, will be 15 miles to windward and return if the breeze will allow.

### IMPRESSIONS BY THE WAY AT THE SAUCER TRACK

## Artie Bell Almost Equals the One Mile Time of Iver Lawson

Plucky Californian Goes Nine Laps Behind the Motor in 1:37 2-5—Conditions Unfavorable for Record Breaking—Hofman Beaten by Two Amateur Motor Tandem Race Tonight.

The sport at the saucer last night was easily the best furnished at the big board track since it opened. The crowd enjoyed it too and the best evidence of that was the enthusiasm displayed. There were many thrilling finishes, particular among them being two dead heats and there was Artie Bell's attempt to lower Iver Lawson's time for five miles and an individual mile.

The attempt failed through no fault of Bell's, as conditions were decidedly against him. The track was damp and the atmosphere so humid that the delicate mechanism of the motor tandem was effected and could not be operated as well as would have been the case had conditions been different. John Nelson who handled the motor did all in his power to combat the bucking of the machine but was unequal to it. His efforts were not appreciated by the spectators, as few except those who thoroughly understand can detect a fault with the machine unless it is particularly apparent.

Despite the disadvantage under which he labored Bell made good time and came within one three-fifths seconds of Lawson's best mile. Lawson's time was 1:38 and that of Bell was 1:37 2-5. His time for the five miles was 9:21 2-5.

The dead heats were in the trials for the one-third mile professional handicap. The first heat found Burris and Walne so close to the tape that the judges could not determine the winner. Bell was but

a short distance behind them. In the second heat Staver and Lawson came to the tape together and again the judges declared a dead heat. Green was beaten by a short length. The race finally went to Lawson with Bell second and Burris third. The time was 39 2-5.

The two-thirds mile amateur handicap furnished a surprise in the shape of the defeat of Hofman. He conceded 139 yards to Barnett and 165 yards to Boyce and they finished as named. The handicap was too severe for the plucky Californian.

Artie Bell carried off the money in the two-mile professional lap race for points with Iver Lawson second and Burris third. Bell scored 36 points, Lawson 34 points and Burris 26 points. The time was 4:22 1-5.

The programme for tonight has as its chief feature the match race between the two motor tandems. The well known Turville brothers, who arrived from Salt Lake this afternoon, will ride their tandem against John Chapman and Iver Lawson, for ten miles. The race promises to be the greatest thing of its kind ever seen in Butte. The other events are as follows:

First race, two-thirds mile handicap, professional, purse \$30, \$15, \$10, \$5. Entries—Iver Lawson, scratch; Green, 50 yards; Bell, 40 yards; Chapman, 55 yards; Clem Turville, 55 yards; Walne 50 yards; Burris 60 yards; John Lawson, 85 yards; P. May, 90 yards; Sherman, 90 yards.

Second race, half mile handicap, amateur. Prizes \$15, \$8, \$4, \$2—Hofman, scratch; Barnett, 55 yards; Royce, 60 yards; Allen, 65 yards; Ferguson, 80 yards; Gorman, 80 yards; Stern, 90 yards; Holson, 105 yards; Spofford, 105 yards.

### GOLFERS SKULL FRACTURED

Willie Dunn, Former English Champion, Struck on the Head With a Ball.

(By Associated Press.)  
New York, July 10.—Willie Dunn, who was professional golf champion of England in 1894 and who is now engaged at the Innis Arden Golf club, near Sound Beach, Conn., is suffering from a slight fracture of the skull, the result of a blow from a golf ball. It was reported last night that he was resting comfortably at his home.

Dunn was injured while out on the course. A member of the club was playing well behind Dunn. Thinking he could not possibly strike him if he were careful, he swung back his brassie and brought it down in an easy swing at the ball. The ball flew nearly 200 yards, straight at Dunn's head. The blow was glancing and did not rob him of consciousness.

A lady who saw the accident, bound up his head. It was not discovered until very recently that there was a slight fracture.

### MANY SWIMMING RECORDS GO

Otto Wahle Lowers Six Marks in the Contests at the Pan-American Exposition.

Buffalo, July 10.—The national amateur athletic union swimming championships, at the park lake, at the Pan-American exposition grounds, ended yesterday. Many records were broken. They began to go in the mile event, when the men had passed the half-mile mark, with Otto Wahle, of the New York Athletic club in the lead.

From the time that the 660 yards record was broken the swimmers did not stop until they had broken every record up to the mile. Wahle lowered every record up to the mile, as follows:

600 yards, 10:37 4-5, old record 10:47; 880 yards, 14:42 2-5; 1,100 yards, 17:19, former record, 18:31 1-5; 1,320 yards, 21:47 4-5, former record, 22:45 1-5; 1,540 yards, 25:24, former record, 26:28 4-5; 1,760 yards, 28:52 3-5, former record, 29:51 3-5.

Schaeffer of Philadelphia lowered the 440 yards record from 6:33 1-2 to 6:26.

## RUHLIN GETS TWO FALLS OVER FITZ

LANKY BOB NO MATCH FOR THE AKRON GIANT AT WRESTLING.

Gus Secures Two Falls Handily—Never in Any Danger of Defeat—Game Savored of Glove Contests Several Sporting Celebrities, Including Tom Sharkey, Witness the Bout.

(By Associated Press.)

New York, July 10.—Gus Ruhlin and Bob Fitzsimmons in a Graeco-Roman wrestling bout attracted 2,500 people at Madison Square Garden last night. Ruhlin was both cleverer and heavier than the Cornishman and won two falls in succession with a quarter of an hour's rest between them.

In the boxes around the wrestling platform was a gathering of men whose faces were always a familiar sight at the ringside when boxing was in vogue in this city. Several noted characters were in evidence, among them being Tom Sharkey, who has taken to the wrestling game recently, and Terry McGovern, who acted as timekeeper. Charley White was referee.

There were three preliminary bouts between lesser lights before Fitzsimmons and Ruhlin made their appearance. When Fitz jumped on the platform the crowd cheered. Ruhlin followed him and also got a warm welcome. His weight was announced at 195 pounds and Fitz was said to weigh only 160.

When they faced each other the spectators cheered as Fitz, in trying for a hold, swung his right as if he were going to fight. He repeated these tactics a couple of times, to the intense amusement of the onlookers.

Ruhlin dropped and remained on the defensive three times and twisted quickly, the third time getting Fitz underneath for a rolling fall. They got up again and Fitz ducked with his old-time cleverness when Ruhlin's big arm tried to encircle his man and the movement made many remember the last meeting between the two big fellows.

With Ruhlin again on the defensive, Fitz got a strangle hold, but only for a few seconds, as Ruhlin broke it cleverly. Fitz got a body hold and brought Ruhlin to the mat. Ruhlin got on top and secured a half-Nelson and a body hold. Ruhlin then had Fitz in a bad place and finally threw him. First fall for Ruhlin. Time, 14 minutes and 34 seconds.

A breathing spell for 15 minutes was then allowed. When they came together again they sparred as if for an opening at the old game and occasionally slapped each other on the neck and shoulders. After five minutes of this kind of work Fitz got a back body hold and put Gus to the mat, but only for a moment. He repeated this twice over and secured a strangle hold which Ruhlin broke easily.

Ruhlin was too heavy for Bob, who essayed a back hammer hold, but was unsuccessful, and they got to their feet again. Fitz, with a body hold from the back, gave Ruhlin a flying fall and Gus knelt on the mat in defense.

Fitzsimmons secured a neck hold and a quarter hold, but both rolled over and nothing came of it and they got up once more to their feet. Bob then got a throttle hold on Ruhlin and tried to pull him over, but Ruhlin stood close and fell on Fitz and with a combination lock pinned Bob's shoulders to the mat, gaining the second fall and the match. Time, 12 minutes, 37 seconds.
