THROWN INTO JAIL

A. W. STEVENS AND R. D. HOLLIS HELD ON BURGLARY CHARGE.

VALUABLE GOODS ARE FOUND

Prisoners Accused of Having Entered and Robbed a Room in the Montana Hotel, Occupied by a Woman.

A. W. Stevens, who claims to be associated in the real estate business with W. H. Nichols, and R. D. Hollis, alias McCarthy, were arrested this afternoon by Detective Jerry Murphy on charges of burglary in the night time, and as accessory to burglary.

Hollis is accused of robbing the room of Miss Smith, 12 Montana hotel, and Stevens is held as accessory.

Shortly after 1 o'clock this morning it was reported to Police Captain Everts that the room had been robbed and clothing and jewelry taken. Suspicion fell upon a man who had called with a letter of introduction from Stevens and who claimed to be McCarthy.

Cleverly Captured Made.
Chief Reynolds detailed Detective Murphy on the case and after four hours' work the detective succeeded in making a clever capture and which resulted in the locating and return of most of the stolen property.

The officer learned that Stevens had formerly roomed at the Montana and had left owing a board bill. He first located Stevens and finally succeeded in locating Hollis in a room in the New Montana, on East Park street.

Hollis at first denied his identity and then insisted that his name was McCarthy, until taken to the police station, when he admitted his right name, and said he came from Virginia.

Hollis, after a severe sweating by the chief and Detective Murphy, finally confessed to having stolen the goods, and said that Stevens had planned the job and had waited down stairs.

Diamonds Are Found.
On Hollis' person was found a lady's pocketbook containing rings and five unset diamonds, ranging from an eighth to one and one-quarter karats. These, with other trinkets, are supposed to have been stolen also.

Hollis has a wife here, who is said to be employed in a laundry.

When Hollis entered the rooms last night the little 7-year-old sister of Miss Smith awoke and discovered him. She was kept quiet with threats.

This afternoon the child positively identified Hollis as the burglar.

Owned by a Constable.
Detective Murphy found a lady's and child's coat and an overcoat, which belonged to Jake Rantz, a constable from Anaconda, in the room of Billy Triste in the Lynch block. Triste's story that Hollis had left them there at 4 o'clock this morning to be taken care of proved true, and he was released from custody.

Constable Rantz had come up from Anaconda to visit the Montana and had left his overcoat there, and it was taken with the other things.

Both men will be turned over to the county attorney.

Deserving special mention were Nlee Brothers, gymnasts; King and Van, comedians; George Jones, barytone, and the Bicycle Novelty, Zig Zag Alley.

NEW BOARD IS IN

COUNTY COMMISSIONERS ORGANIZED WITH NEW MEMBERS.

HAGGERTY AND PEOPLES IN

Commissioner Clark Re-elected Chairman—Change Was Made This Morning in Happy and Harmonious Fashion.

The county of Silver Bow today passed into the care of a new board of county commissioners.

The old board went out by adjourning sine die, and the new board organized and began its official duties.

Ex-County Commissioners Mathewy and Farrell doffed their official robes, and the new commissioners, Patrick Peoples and M. P. Haggerty, took up the scepters of official power.

The official change took place at the rooms of the county commissioners at the courthouse, and the best of feeling was displayed by all the gentlemen concerned in it.

The county commissioners meet daily at 10 o'clock, and at the hour named today the old board and Messrs. Haggerty and Peoples gathered at the commissioners' rooms.

Mr. Clark called the old board to order and addressed them on the subject of the proposed change.

Thanked Mr. Clark.

In his remarks Mr. Clark expressed appreciation of the assistance he had received from the outgoing officials during their association in office and thanked them for the same.

He complimented Messrs. Farrell and Mathewy upon the ability they had displayed upon their labors, and expressed regret that their pleasant association was to end, and the other members responded in kind.

After that the old board disorganized and the new board was formed. Mr. Clark was immediately elected chairman of the new board, and thanked his new compatriots for the honor.

It was then suggested that the new board of commissioners begin its official labors with an inspection of the county poor farm and the other county institutions. The suggestion was followed.

Poor Farm Visited.

A conveyance was secured, and the commissioners, accompanied by the ex-members of the board and the commissioners' clerk, Mr. Kennedy, drove out to the poor farm.

The inauguration of the new body of commissioners was a very harmonious and conspicuous event, and indicated that its members will work together in a serene and effective manner.

J. A. Henshaw Going East.

John A. Henshaw will leave tomorrow for New York and other Eastern cities, with the expectation of being absent about three months. While absent he will pay his respects to St. Louis, his old stamping ground.

BANK WRECKER CAUGHT.

H. St. John Dix, Formerly of Washington State, Arrested in London.
(By Associated Press.)
London, Nov. 8.—At the Bow street police court, H. St. John Dix was charged on a provisional warrant with larceny committed in the United States.

It is alleged that he obtained control of three banks in the state of Washington, in 1900, and that he subsequently wrecked the Scandinavian-American bank at Whatcom, Wash., and disappeared with over \$8000.

Some weeks back the authorities of Scotland yard informed the United States embassy that Dix was available if required. The usual inquiry was instituted, and Tacoma sent a request for his arrest.

Stone Information at Washington.

(By Associated Press.)
Washington, Nov. 8.—All that can be gathered here touching Miss Stone's case is that the reports from the Levant are to the effect that some kind of communication is being maintained, though very indirectly, between Miss Stone's captors and the people who are seeking to secure her release. It is believed that up to this point the missionaries themselves, have been the only persons able to keep open the line of communication.

SMOKEHOUSE SUIT

DISMISSED AS TO 175 DEFENDANTS THIS MORNING.

WAS BROUGHT TO QUIET TITLE

Involved Surface Ground on Smokehouse Lode Claim Worth Hundreds of Thousands—Plaintiff Pays the Costs.

The suit known as the "Smokehouse lode case," in which George Winters is the plaintiff and the State Savings bank and about 200 others are the defendants was dismissed this morning as to something like 175 of the defendants, by Judge Harney.

The dismissal was made on the plaintiff's motion.

The case still stands as to the remainder of the defendants. The action was brought by Winters to quiet title to the surface ground of the Smokehouse claim, and the ground in controversy is of great value, being worth hundreds of thousands of dollars.

The suit was begun May 5, 1900, and ever since that time the court has been occupied with the demurrers and answers of the defendants and the amended complaints of the plaintiff.

It is understood that the suit was settled out of court as to the defendants dismissed this morning, as the plaintiff pays the costs as to them.

The names of the defendants as to whom the suit was dismissed today are as follows:

State Savings bank, Newbro Drug company, Lee Mantle, Miner Publishing company, First National bank of Butte, Lewisohn brothers, Rocky Mountain Bell Telephone company, Butte city, William Owsley, Butte Realty company, H. I. Wilson, Lulu F. Largey, W. D. Thornton, David Goldberg, Marcus Daly, J. B. Haggin and others.
