LODGE ROOM FUN

MR. AND MRS. SMITH COMPELLED TO MARRY AGAIN.

SURPRISED BY THEIR FRIENDS

Brotherhood of American Yeomen Have a Little Pleasure at the Close of the Regular Meeting Last Night.

(Special to Inter Mountain.) Anaconda, March 1.—Will Smith, who holds a responsible position with the foundry department of the A. C. M. Co., and wife were treated to a thorough surprise last night at the meeting of the lodge of the Brotherhood of American Yeomen, of which order they are members.

Someone discovered that yesterday was the twentieth anniversary of the marriage of Mr. and Mrs. Smith, so the idea of having the couple married over again was conceived.

Everything went along well until the lodge was about to close in regular form, when one member preferred charges against Mr. and Mrs. Smith.

Ordered to Retire. Just what the charges were is not clear; anyway, the accused members were ordered to retire to the ante room until certain supposed investigations were concluded.

In the meantime they were at a loss to know what was going to happen to them.

Presently matters were cleared up, when Mr. and Mrs. Smith were admitted to the hall again and informed that the time had come for them to go through a marriage ceremony for the second time.

Police Judge Hayes was on hand, and the couple were ushered before him. The knot was tied over again, after which the bride and groom received the hearty congratulations of their friends.

The Wedding Cake.

A member of the order brought in a wedding cake and considerable amusement was furnished when Mrs. Smith attempted to cut it.

The cake was nothing more than a block of wood that had been cleverly coated with frosting and made to appear as a genuine cake.

PLANS FOR THE NEW HIGH SCHOOL NOT ACCEPTED.

BE DISPOSED OF TONIGHT

State Superintendent Welch Wants Children to Attend School and Asks the Board to Aid County Superintendent McLaughlin.

(Special to Inter Mountain.) Anaconda, March 1.—No definite decision was reached last night relative to the accepting of plans for the new high school building at the meeting of the board of education, but it is likely that the matter will be disposed of tonight, when the members of the board will confer further.

The plans submitted by the various architects were on exhibition at the Central school building this afternoon.

At the session held last evening a communication was received from State Superintendent Welch, in which he stated that County Superintendent Miss McLaughlin had subsequently sent him a list of names of 242 children residing near Anaconda who are not attending school, and asked that the board give Miss McLaughlin whatever assistance it could in getting these children started to school.

Koontz Report.

The report of Superintendent Koontz, showing the condition of the city schools for the month of February was submitted and read as follows: Enrollment for the month 1,841; average number belonging, 1,719; average daily attendance, 1,641; number of pupils tardy, 378; number neither absent nor tardy, 659; percent of attendance, 95.5-10; pupils in first grade, 409; in second grade, 313; third grade, 271; fourth grade, 208; fifth grade, 155; sixth grade, 107; seventh grade, 111; eighth grade, 72.

A revised form of application blanks will be used by teachers seeking positions in the schools. The form was suggested by Superintendent Koontz, and according to it applicants are required to answer the following questions.

Form for Teachers.

"What is your age, weight and height?" "Are you married or single?" "If married, how many children have you?"

Another blank will be used by persons giving their indorsement of applicants. This form contains questions something like this:

"Tell of the ability of applicant as a disciplinarian; personal appearance; disposition; moral and religious character; habits and peculiarities liable to interfere with successful work;" and "Has she or he good health?"

A telegram was received from State Treasurer Barrett relative to the \$58,000 bonds recently authorized. The board offered these bonds for sale, in accordance with the law, to the treasurer.

Mr. Barrett stated that the board of land commissioners decided matters of this character and that the board would meet next Monday.

A dozen new flags were ordered purchased for the schools.

Anaconda, March 1.—The noon train today from Butte brought in the city several architects from different parts of the state with plans for the new high school building. The board will view them this afternoon at the Central school building. There will be at least eight or nine plans to select from, all drawn by well-known architects.

(Special to Inter Mountain.) Anaconda, March 1.—Judge Napton and J. J. McGuinness departed this morning for Phillipsburg, where court will convene for Granite county next Monday.

Two murder cases are to be tried there. That of J. C. Hunter for the killing of his son-in-law, H. O. Walbridge is set for March 6.

The case of Tom Wilson accused of killing former Sheriff Levi G. Johnson of Granite county, will go to trial on the 13th, if the Hunter case is concluded in the meantime.

ROOMS ARE NOW OPEN.

Lincoln Club Installed in Its New Quarters.

(Special to Inter Mountain.) Anaconda, March 1.—The Lincoln club's new rooms in the Shield's block were thrown open last night for the first time and those who inspected the place declare that the members of the club have decidedly fine quarters.

The furnishings are elaborate and everything is made to appear as homelike as possible.

The rooms will be open every evening for the use of members of the club and all republicans who are interested in the welfare of the party.

Only Attraction Next Week.

(Special to Inter Mountain.) Anaconda, March 1.—Mark Swan, the author of "Brown's In Town," has surpassed his earlier effort in his latest success, "Whose Baby are You?" which will be presented at the Margaret theater on Wednesday, March 5, by Myron B. Rice's clever company. The "effervescent ecstasy" as the fact is called, easily ranks among the few first-class comedies and rank high at that. Unlike most productions of this class, it has a plot of coherency and action, and is brimming with clean fun from start to finish.

Mr. Rice has secured an unusually strong company of acknowledged leaders in the art of amusing, and heads his cast with such well-known favorites as Miss Vokes, Charles W. Bowser and John F. Ward.

Prince Henry, soon after returning from the United States will celebrate the quarter century of his services in the navy.

GOZDANOVICH FREE

MAN WHO WAS TOO HANDY WITH A KNIFE LIBERATED.

PAID A THREE HUNDRED FINE

His Austrian Friends Furnished Him With the Funds and He Pleaded Guilty to a Second Degree Assault.

(Special to Inter Mountain.) Anaconda, March 1.—A fine of \$300 was the penalty imposed upon John Gozdanovich, the stabber, yesterday afternoon. Gozdanovich was allowed to plead guilty to the charge of second degree assault and in consideration the charge against him of assault in the first degree was withdrawn by County Attorney Duff.

Gozdanovich is an Austrian, and early one morning, about three weeks ago, he made a vicious attack with an ugly looking Jack knife upon John Starkovich, also a native of Austria, near an East Park street saloon.

He Pulled Through.

Starkovich was moved to St. Ann's hospital and for a day or two it was a question whether he would survive the effects of the cutting. But under the careful treatment of his physician, and the attention given him by the sisters of the hospital, he pulled through safely and will be able to go about his duties as of yore.

Gozdanovich, apparently has a good many friends among the Austrian colony. Anyway he was furnished with sufficient money to pay the fine and he was released from custody of the sheriff.

WHAT'S IN A NAME

MANY TOUTS AND OTHERS MAKE MONEY ON DR. STEPHENS.

SPORTS GET A GOOD HUNCH

Friends of Mayor Stephens Plunge on His Namesake at New Orleans and Make a Winning—Everybody Wins.

(Special to Inter Mountain.) Anaconda, March 1.—Dr. Stephens won the race. This is not Mayor Stephens of this city, but a horse that ran in the first race at New Orleans yesterday. He was a favorite and was backed strong.

Men who do not make a business of playing the races happening along and seeing that name on the board took a chance anyhow just because of the name. Of all the favorites Dr. Stephens was the greatest.

The odds were not big and a tidy sum had to be wagered to pull down a roll, but that name got the crowd and for that reason they stayed with this favorite. And he won.

As a result many a tout went to bed with a full stomach at night and many a man who "bet just for luck" on Dr. Stephens had money to spend that he did not have to account for to his wife.

BOERS' HEAVY LOSS

LORD KITCHENER DEFEATS THE BURGHEES.

NEWS READ IN PARLIAMENT

Over 600 Boers Been Caught or Killed

—DeWet's Son and Secretary Among the Prisoners—Many Horses and Cattle.

(By Associated Press.)

London, Feb. 28.—Following the precedent of Lord Roberts, who announced General Cronje's surrender at Paardeburg on the anniversary of the battle of Majuba hill (February 27, 1881), Lord Kitchener apparently selected the same anniversary to achieve a big success by a combined movement lasting two days against the Boer forces within the Harrismith and Van Reenan line of blockhouses. The Boer losses aggregate 600 men killed or captured and 2,000 horses and 28,000 head of cattle fell into the hands of the British troops.

This news was so welcome to the British that it was read out in the house of commons by the war secretary, Mr. Broderick, from a dispatch from Lord Kitchener, as follows:

Kitchener's Dispatch.

"Harrismith, Feb. 28.—Yesterday the combined operations of the columns terminated in driving the Boers against the Harrismith and Van Reenan blockhouse line. The river Wilge was held by the Leicester regiment and Elliot's mounted infantry from Harrismith, while the columns formed on the Frankfort and Botha's pass blockhouse line and advanced south, holding the country between the Wilge and the Natal frontier.

"On the first night a severe attempt to break through was made at a point between Remington's and Byng's columns and the New Zealanders behaved with great gallantry. The fighting was at close quarters and the Boers drove a large herd of cattle in front of them as usual.

"Manie Botha, the Boer leader, was killed and 6,000 head of cattle were left

PLAY BASKET BALL

MEN AND BOYS TRY CONCLUSIONS IN DILLON.

MEN ARE EASILY DEFEATED

Score Was 31 to 18 and the Playing Was Fast and Marked by Clever Goals—Senator Takes a Hand.

(Special to Inter Mountain.) Dillon, March 1.—Basket ball was the game last night which caught the crowd at the Dillon theater and every seat in the theater was taken long before time was called.

The game was between the men of Dillon and the lads of the high school, and the high school won the game easily by a score of 31 to 18.

The first goal thrown was by the Dillon team, which got the ball on a foul. Tom Taylor of the Dillon team got the ball a little later and scored a goal from the field.

The High school then got the ball in their territory and put the ball in the basket twice in as many minutes.

A number of clever goals were thrown from the field and time after time the ball found its way into the basket, both sides showing scoring and fouling as the humor struck them and the opportunity presented itself.

At the close of the first half the score was 25 to 18 in favor of the High school. Senator Takes a Hand.

Just before the first half came to an end Joe Wickdall addressed one of the officials and he was told to take his seat, his place being taken by Hon. Edwin Norris.

After 10 minutes' rest the game was resumed and the boys still were the liveliest on their feet and succeeded in increasing their lead until at the end the score was 31 to 18 in their favor.

Arthur Craeter, the center for Dillon, carried off the honors for good playing for his side and Walter Taylor and Norman Gilbert made every other member of the two teams look like a very small coin when basket throwing was needed.

Tom Gilbert and Fred Waldorf carried the bunt of the playing and goal tossing for the men.

Who the Players Were.

The line-up was: Dillon—center, C. W. Robison; forwards, Fred Waldorf, Tom Taylor; guards, W. L. Simmons, Joe Kliddal, Edwin Norris.

High school: Center, Arthur Craeter; forwards, Norman Gilbert, Walter Taylor; guards, Fred Woodworth, Tom Duncan; substitutes, Wason Oliver, Herbert Maddox, Frank Sharkey; referee, E. Tyree; umpires, Ralph Sebree, F. L. Albritton.

The first half was 20 minutes long, but the men could not stand the pace and at their request, the second half was cut down to 15 minutes.

On our hands. Other small attempts to break out were made and in two cases succeeded.

"On the last day 450 Boers, with rifles and horses, were captured. All the columns have not yet reported, as the operations have been wide, but over 600 Boers have been killed or are prisoners in our hands, also 2,000 horses, 28,000 head of cattle, 200 wagons, 6,000 sheep, 600 rifles and 50,000 rounds of ammunition.

"The prisoners include General DeWet's son and his secretary, Commandants Meyer and Truiter and several field cornets. These satisfactory results are very appropriate on the anniversary of Majuba."

Margherita of Italy.

Queen Margherita of Italy did a great many kind deeds in aid of men of letters and artists which are gradually coming to light. She disclosed the musical gifts of Puccini, and sent him to Milan to study at her expense. She never missed a chance to make the acquaintance of eminent foreigners. A funny story is told of her first meeting with Gregorovius. She invited him to dance in a quadrille with her, but the poor scholar could not more dance than fly, and had to excuse himself. Whereupon the queen remarked: "Very well; since you don't dance I will give up the quadrille, and we will have a chat together."
