## FOR MILES ON ICE

### EXPERIENCES OF ALDERMAN FLEMING ON A RECENT TRIP

### MADE FROM DIVIDE TO WISDOM

Roads Filled With Snow He Took to the Frozen Big Hole River With Several Heavy Loads of Machinery.

(Special to Inter Mountain.) Anaconda, March 31.—Alderman T. J. Fleming and some of his men made an unenviable trip through the Big Hole valley as far as Wisdom one day last week.

Mr. Fleming was engaged to take in some heavy loads of freight which had landed at Divide station on the Oregon Short Line and consigned to a merchant at Wisdom.

The freight consisted of mowing machines and other kinds of farming implements.

Excepting perhaps the first 20 miles out of Divide the roads were in an abominable shape. The snow was deep and in many places almost impassable, but fortunately the intense cold weather up in those regions had frozen the Big Hole river over solidly and 25 miles of the trip was made upon the ice.

All the while Mr. Fleming was out on the trip the thermometer played frisky antics. At Wisdom it registered 23 degrees below zero. At one or two ranches where the party stopped for meals this side the weather man's indicator showed 18 below.

Mr. Fleming declares that it was one of the worst trips he ever made in his life.

## EASTER IN ANACONDA.

### Churches Were Well Attended and Bright Sunny Day Enjoyed.

(Special to Inter Mountain.) Anaconda, March 31.—Easter Sunday was quietly observed in Anaconda. At all the churches appropriate services were held and were largely attended. The day was all that could be desired and the array of Easter gowns and hats seen at the churches and on the streets were beautiful indeed.

The musical programs given at St. Paul's and St. Peter's Catholic churches, St. Mark's Episcopal church and at the Methodist churches were of extraordinary merit and it is to be regretted that things of the kind come only on Easter.

## Funeral of Bernard Dolan.

Bernard Dolan, who died at St. Ann's hospital after a brief illness, took place from the residence of Captain William Kelly this afternoon. Requiem high mass was sung at St. Paul's Catholic church this morning at 8 o'clock. The deceased was a brother of Mrs. Kelly and Hurlbert Dolan.

## FATHER MULCONRY

### VISITING MISSIONARY PRIEST IN ANACONDA.

### OPPOSED TO TREATY HABIT

Will Remain for Some Weeks—Believes in Temperance But Not in Total Abstinence—Will Circulate Cards.

(Special to Inter Mountain.) Anaconda, March 31.—At St. Paul's Catholic church yesterday, the pastor Rev. Father Mulconry was assisted in the Easter services by Rev. Father Mulconry, a visiting missionary. Father Mulconry delivered an able address and sprung something novel upon his hearers in the shape of an "anti-treat" pledge.

Father Mulconry believes temperance is a good thing for people to practice, yet he does not believe that straight-out total abstinence pledges are productive of so much good. People who sign them, too often break them and not unfrequently does it happen that they are caused to do it through a supposed friend offering to treat them; some not having the will powers to resist the temptation.

### Will Seek Pledges.

The father expects to labor in Anaconda for several weeks and while doing so will spread among his congregations and among the people he comes in contact with, cards for the signatures of persons who are willing to attach their names to pledges to refrain from "treating or being treated" for a period of one year.

Father Mulconry has seen much good results from his work in this direction in the past and indications are that the plan will take well here.

He looks upon the practice of treating of others to imbibe liquor as a pernicious habit and is one of the weaknesses of American civilization.

Much money would be saved, he thinks, for the use of needy families if the treating habit were abolished.

### SCHOOL BOARD MEETING.

### Superintendent Koontz Will Probably Be Re-elected Tonight.

(Special to Inter Mountain.) Anaconda, March 31.—The members of the board of education will meet this evening, and among other things to come up for consideration is the election of a superintendent and principals for the ensuing year.

Prof. J. A. Koontz will undoubtedly be chosen for the position of superintendent again. He has accomplished good work in the schools since he took charge of them last September and it is not likely that there will be any change made at this time. Prof. Koontz has done efficient service and is generally liked, both by teachers and scholars.

It is expected that Architect Kern will be present and matters relative to the erection of the new High School building will be discussed.

### ONLY ATTRACTION THIS WEEK.

### "When Reuben Comes to Town" at the Theater Tomorrow.

(Special to Inter Mountain.) Anaconda, March 31.—A stunning and slightly galaxy of shapely maidens, abruptly arrayed in chromatic raiment of gossamer texture, is one of the distinct recollections anyone has, who sees the new musical comedy by Herman Perlet, "When Reuben Comes to Town," that will be the attraction at the Margaret theater on Tuesday, April 1.

Full of vim and life, pretty women, catchy jingling music, smart lines, tuneful lyrics and a series of the most amusing situations, the comedy is said to appeal irresistibly to all classes of theatergoers. The company engaged by Messrs. Morris and Hall to present this newest novelty, is an exceptionally strong one, and an elaborate scenic production adds much to its general interest.

### WAS MARRIED YESTERDAY.

Schwend, was solemnized at the home of the bride's parents in Lost Creek yesterday afternoon. Rev. Frank Minnick of the Christian church of Anaconda officiating.

## FISHER ON TRIAL

### NEW DEVELOPMENTS IN AN OLD CASE.

### IMPLICATED BY CONFESSION

Kate Sullivan Says She Gave \$780 Stolen Money to Fisher Last August —He was Arrested in Dillon a Short Time Ago.

(Special to Inter Mountain.) Anaconda, March 31.—M. L. Fisher, the colored man arrested in Dillon some time ago charged with having received from Kate Sullivan the \$780 she stole from Maxim Legault last August in the red light district of Anaconda, will be given a preliminary hearing this afternoon in the coroner's office at the courthouse, before Justice of the Peace Frank Kennedy.

The hearing was set to take place in the courthouse, because the three principal witnesses in the affair are in jail, and as a matter of convenience they will not be brought down town.

It will be remembered that for this crime the Sullivan woman was convicted and sentenced to five years in the penitentiary.

She managed, however, to secure a new trial, and so was brought to Anaconda and confined in the county jail.

### Woman Confessed.

While there she confessed to Sheriff Conley that she stole the money, as accused, but gave it to Fisher, who was at that time the proprietor of a colored club on West Commercial avenue. Fisher, she said, promised to do all he could to keep her out of jail, but this she alleged he did not do.

She told the sheriff of Fisher's whereabouts, and he was immediately arrested and brought here.

Fisher pleaded not guilty when arraigned last Wednesday. The case is being prosecuted by County Attorney Duffy.

J. R. Boorman is the attorney for the defense.

### Fisher Bound Over.

The preliminary hearing of M. L. Fisher, accused of receiving \$780 stolen money from Kate Sullivan last August, was called before Justice of the Peace Frank Kennedy at 2 o'clock this afternoon.

The Sullivan woman was called to the stand first and told the story of how she robbed Maxim Legault at her place in Malville and took the money to Fisher's club and gave it to Fisher, telling him that she had turned a fellow for it and expected to be arrested, and that she wanted Fisher to take the money and do the square thing by her.

She said Dollie Smith was present at the transaction.

On cross-examination she said that at her trial she denied stealing the money.

Dollie Smith told of coming across to Fisher's club with the Sullivan woman and saw Fisher take the money. She knew that the money had been stolen.

Officer Powers told of the arrest of Kate Sullivan and of seeing Dollie Smith with her.

Fisher was bound over to the district court in the sum of \$1,200.

## WINSTON RETURNS

### AFTER A VISIT TO SOUTHERN CALIFORNIA.

### HEALTH IS MUCH BENEFITED

Says That Montanans Are as Thick as Flies on the Coast and They Never Stop Asking About the Old State.

(Special to Inter Mountain.) Anaconda, March 31.—Judge G. B. Winston returned last night from a several weeks' stay in Southern California. Mrs. Winston accompanied him on the trip and remained at Santa Monica. She will not return for some little time.

Judge Winston was compelled to leave here for his health after a severe spell of illness. The brief respite in a lower altitude did him a world of good and he is again stout and hearty.

"The Montana people," said Mr. Winston, "are in evidence everywhere on the coast from Washington to Lower California. One is meeting them continually, and while they seem to be satisfied with their surroundings, they never tire of asking about Montana, people, places, things, even to the condition of the weather, and I think the majority of them would rather be here than where they are."

Judge Winston reports the weather of the past few weeks in Southern California to have been ideal. "Just enough rain to keep things from drying up," he said.

Characteristic of his devotion to the republican party, the judge has already the grasp on local affairs and is making every effort to further in interests of that party in the coming city election.

### UNIQUE FUNERAL PROCESSIONS.

### Mourners Were All Armed With Winchester Rifles.

(By Associated Press.) Whitesburg, Ky., March 31.—Two unique funeral processions were witnessed in Pike county Sunday afternoon. There were over 200 mourners, and every man carried a rifle across his shoulder. One was the funeral of the two Hatfields, Thompson and his son Eph, who were killed in the quadruple tragedy of Saturday morning, the other victims being John Rutherford and Harry Watts.

The Hatfields were buried on the mountain by the side of their kinsmen and it is likely a feud which may eclipse the celebrated Hatfield-McCoy feud has just begun.

Any suspicious movement on the part of the mourners in either procession would have caused a reopening of the warfare.

### REFORM WAVE AGAIN.

### Policemen Wanted Who Will Enforce the Ordinances.

New York, March 31.—Coney Island has been plunged in gloom by the announcement that a wave of reform will sweep over the resort. Police Commissioner Partridge has decided to abridge the privileges of the islanders during the summer and a circular letter bearing his signature has been read to members of the police force, calling for volunteers to assist in the work.

In calling for volunteers, Commissioner Partridge says applications will be received from patrolmen of undoubted sobriety.

"Fearless and willing men" are wanted, who will "do real police duty," and not consider the seaside assignment as a summer junket.

## PATRICK MARRIED

### SPITE OF PRECAUTIONS MARRIAGE CONTRACT WAS SIGNED.

### MATRON TURNED HER BACK

Prison Officials Wanted to Prevent It But as Ceremony Is Not Necessary It Was Easily Consummated.

(By Associated Press.) New York, March 31.—Albert T. Patrick, convicted last week of murder in the first degree for plotting the death of millionaire William March Rice, and now awaiting the death sentence, and Mrs. Addie L. Francis, have become husband and wife in the matron's room of the Tombs.

A pen stroke did it in spite of all measures to prevent. The arrangements were so perfectly made, so correctly planned and so cleverly executed that not until the marriage was irrevocably complete, were Patrick's guards cognizant that it was even intended.

The fact that Commissioner of Correction Hynes had declared his opposition to a marriage between the prisoner and the woman who has been so faithful to him during his long incarceration, and the exhausting tension of the long drawn out trial made the Tombs officials more alert to prevent a marriage in the prison.

The marriage is said to have been accomplished, however, while the matron was present. The latter, however, was so much preoccupied with attending to the linen and her other duties that she was unaware of what was going on.

Mrs. Francis, attended by her sister and Patrick's father, called at the Tombs and asked for a conference with the prisoner.

He was escorted to the matron's room and after a few minutes the guard is said to have stepped outside.

The marriage contracts were then signed by Patrick and Mrs. Francis.

Under a law enacted by the legislature a year ago, this form of marriage is legal when the signing of the marriage contract is witnessed by two persons.

To perfect the ceremony, it is only necessary to file a copy of the contract with a magistrate within six days.

### MEET IN CHRISTIANA.

### Young Men's Christian Association Have Junket This Year.

(By Associated Press.) Washington, March 31.—The world's conference of the Young Men's Christian association, which meets once every four years, will be held in Christiania, Denmark, from August 20 to 24. The storthing, or parliament, has made a government appropriation for this conference.

The international committee of Young Men's Christian association has, it is announced, secured special rates and is arranging itineraries for those who plan to attend the conference and for those who wish to make long or short summer tours in Europe.

### Bootblacks of Mark.

(Chicago Journal.) "Harper & Co., Polishers of Boots and Shoes to Morgan Park Academy." This was the sign hung up yesterday at the institution mentioned. The fact that the head of the firm was Master Paul Harper, son of the president of the University of Chicago, attracted a great rush of business. Students and professors swarmed to the bootblack stand to see the offspring of President Harper hustle like a street urchin. But Paul wasn't disconcerted—not in the least. Like his father, he raked in the shekels and smiled.

Paul's partner was somewhat eminent also. He was the son of Colonel Francis W. Parker, but he bent his elbows to the task with true democratic energy. The boys are about 13 years old.

### Agreement.

(Chicago Tribune.) Between M. Jan Kubelk and M. Ignace Paderewski.

M. Kubelk agrees that every time he sees a picture of M. Paderewski he will put his fist through it, and denounce the pianist as a cheap chatechivik.

M. Paderewski agrees that he will pull down all of M. Kubelk's lithographs, froth at the mouth, and proclaim M. Kubelk a lobsterstitch.

M. Kubelk and M. Paderewski further agree that all extra profits resulting from this method of advertising will be divided equally between them.

## PASSING REMARKS

### YOUNG MEN WOUNDED FOR COMPLIMENTING EASTER HATS.

### WOMEN'S ESCORT SHOT BOTH

Boys Who Infest the Street Corners of Chicago Are Taught a Very Severe Lesson—Both May Die.

(By Associated Press.) Chicago, March 31.—Because a number of boys made remarks about the Easter hats worn by two girls who were accompanied by two young men, George Stranz, 18 years old, of 683 West Seventeenth street and Stanton Goblinski, 18 year old of 643 West Seventeenth street were mortally wounded by one of them.

The stranger who did the shooting, was pursued by a number of citizens and the police, but he made his escape. During the confusion, the two girls and the other man
