A Notable June Event for Buyers of CARPETS AND FURNITURE

PRICES
To Bring the
Masses

CHIEFNESS and little prices are being promised on all sides. Promises, like notes, depend on the maker for value. Our notes have never gone to protest. Our promises have always been fulfilled. May sales were the largest ever made by this house. We have determined to make June sales larger than those of May. It will take bargains to do it, and bargains cannot be made without breaking prices any more than omelets can be made without breaking eggs.
