EPWORTH LEAGUERS CONVENE TUESDAY

MAYOR DAVEY WILL ADDRESS METHODIST CHURCH WORKERS IN THE EVENING.

DELEGATES COMING FROM ALL PARTS OF MONTANA

Mountain View Church Will Be Scene of Annual Convention—Largest Attendance in History of Organization Is Expected—Those Who Will Be Here From Other Cities.

Tomorrow the annual convention of the Epworth leaguers meets in Butte at the Mountain View Methodist church. The first session will be held tomorrow evening at 8 o'clock and will be opened with an address by Mayor Davey.

It is fully expected by those who have been working in behalf of the convention that it will be the largest and most successful ever held in this state. It will last through three days and will close with a platform meeting Thursday evening.

The officers of the state league, all of whom will be present at the convention are: President, Charles E. Avery, Missoula; first vice-president, Miss Clara D. McDonel, Phillipsburg; second vice-president, Rev. C. D. Danner, Forsyth; third vice-president, Philip I. Cole, Choteau; fourth vice-president, Miss Leah E. DeGroat, Livingston; secretary, Rev. R. P. Smith, Dillon; treasurer, C. W. Craven, Butte; junior league superintendent, Mrs. Florence H. Mickel, Helena.

One of the most interesting addresses of the convention will be that of Rev. Edward Laird Mills, of Boston, who speaks Wednesday morning on the "Qualifications of Leadership." Mr. Mills enjoys the reputation of being one of the most eloquent pulpits orators before the pulpit, and the leaguers are looking forward to his address with a great deal of interest.

Among the delegates who will attend from different parts of the state are the following: From Whitehall—Misses Christina Morrison, president; Grace Noble, Lily Slack, Jenny Black and Rev. J. M. Tull, pastor.

From the Junior league of St. Paul's church, Helena—Mrs. A. D. Raleigh and Carl Bovard, the latter only twelve years old.

From Livingston—Rev. Mr. Smith, Mrs. H. Roe, Misses B. Lyall, L. DeGroat, M. Morris, Mary Evans and Mr. P. Scott.

From Hamilton—Rev. Mr. Martin, and Misses Lillick, Kitty Grayton, Medea Butler and Effie Moats.

From Dillon—Rev. R. P. Smith, Mrs. A. Bodkin, Mrs. C. Thomas, Misses Flora Craver and Emma Burgund.

From Helena the following regular delegates will come: Rev. C. L. Boverd, Mrs. Jacob Mills, Mrs. W. C. Packer, Miss Edith Mills, Miss Hattie Packer, Miss Edna Ridgway and Messrs. Valiant and Vanosdol.

From Bozeman—Rev. Mr. James, Miss Nellie Harkins, and Messrs. Hyatt, Jones and Halph Halgates.

From Billings—Mrs. Maud Hassler, and Mrs. Stevensville—Miss Irene Jameson and Mr. Ed. Van Vliet.

From Phillipsburg—Rev. J. A. Smith and Mesdames Carmichael, Herring and W. M. Loring.

Other towns in the state will be represented at the convention by delegates, but those named above are the only ones whose names have been received by the local committee.

POPULAR YOUNG LADY
 Those in the Race to See Who Will Represent the Goddess of Liberty on July 4.

It has been decided by the Fourth of July committee on arrangements to arrange for the daily papers of Butte to receive the votes for the young lady who is to represent the Goddess of Liberty.

The papers are to receive the votes and the money and when all the votes shall have been cast the committee, consisting of Dr. Copperthwaite and Dr. Kinckel, will count them.

Dr. Kinckel, who suggested the idea of voting for a Goddess of Liberty, says: "We feel very much encouraged over the enthusiasm evinced in the election for the Goddess of Liberty which virtually amounts to a vote for the most popular young lady in town."

"The idea was originated in southern California, my former home, and I thought it would be a good plan to introduce the idea here."

Miss Theo Russell has withdrawn from the race, giving her votes to Miss Kilgallon. This is the way the vote now stands:

Miss Kilgallon, 740;
 Miss Carrie Bowman, 710;
 Miss Julia Gindrup, 680;
 Miss Mabel Zinn, 244;
 Miss Gertrude Pierce, 154;
 Miss Mary Thompson, 97.

The committee on arrangements will meet tonight in the United States courtroom and will take up some suggestions recently made for the exercises on the Fourth.

JOHN H. MARTIN WINS A TRIP AROUND THE WORLD
 Butte Man Will Tour the Globe at the Expense of the San Francisco Examiner.

John H. Martin, No. 489 East Park street, is all smiles over his phenomenal luck which has won for him a trip around the world. He will girdle the globe at the expense of the San Francisco Examiner which has declared Mr. Martin the victor of a contest for a globe-trotting trip which has been running in the columns of that paper for several weeks.

The good news has just come to Mr. Martin and he is naturally elated. He says he never won anything in a contest of any kind before, but is a firm believer in the sentiment that all things come to him who waits and that luck has at last found the right man and a person who can appreciate it. Every time fortune smiles Mr. Martin makes it a point to smile back, so today his face is all bent with ripples of gladness.

EFFORT OF MINERS NOT A SUCCESS

SOME OF THE FIRE BOSSES AND OTHER BOSSES REFUSE TO GO OUT AT REQUEST OF UNION.

SHOOTING AFFRAY IN DURYEY LAST NIGHT

International President of the Team Drivers' Association Assures Mr. Mitchell of His Sympathy and Assistance—If Necessary He Will Call Out His Men to Help the Mine Workers Win.

[BY ASSOCIATED PRESS.]
 Wilkesbarre, Pa., June 16.—As far as can be learned the effort of the strikers to bring out the fire bosses and other bosses today was not as great a success as was hoped for by the union. The number that refused to go to work is difficult to ascertain, but it is generally believed the number was not large.

Jasper Clark of Toledo, international president of the Team Drivers' association, who came here last night, saw President Mitchell today.

Mr. Clark said his union is in entire sympathy with the miners and will do everything possible to help them. If it were necessary to call out his men to help the miners, he felt sure they would respond.

There was a general shooting affray near the William A. colliery of the Lehigh Valley Coal company at Duryea shortly after midnight, in which no one was hurt. There are conflicting reports as to the nature of the trouble.

Residents of the neighborhood said several coal and iron police left the colliery after midnight and were attacked by a number of men who were lying in wait.

They managed to board a car for Pittston without being injured.

The officials of the company said a number of Italians were holding a celebration and that they fired revolvers in the air. They were not near the colliery.

MINSTRELS HAVE SAFE TRIP
 Go to Helena and Back and Will Never Regret the Journey.

The Overland minstrels are back again in Butte. They came back from the capital of the state in fully as good shape as they went away last Saturday afternoon, and the ovation they received at Minn's opera house Saturday evening warmed the cockles of their hearts.

The box receipts, too, were well worth having, and all things considered the trip was a pleasant and profitable venture. There is no means of telling when the Overlands will give another performance of the celebrated program. Every town in the state is clamoring for a one-night engagement, but no dates have definitely been decided upon.

The Overlands put up a brand of fun which the amusement-loving public will not be willing to allow to lay dormant.

TRIAL OF HARVEY HOLMES
 Judge McClernan Sets Time for Hearing Case Against "Colored King."

It was agreed in Judge McClernan's court this morning that the gambling cases against Harvey Holmes and others be set for trial June 27. Attorney Booth representing the gamblers, asked that the other gambling cases be set at once. The court announced that the cases would be called for disposition next Monday.

Mr. Booth took occasion to state that the cases against Jessie Woods and Harvey Holmes in which the pair are charged with robbery and with being accessory to the robbery of Paul Legar, had been hanging fire and that the defendants were ready for trial at any old time. The court failed to take cognizance of the matter and the cases were not set.

EUGENE DEBS WILL SPEAK HERE

(Continued from Page One.)

find it possible and in the towns where there is an opportunity to put in a new branch of the central body. We are all aiming to build up and strengthen unionism. One is the economic wing and the other the political wing of the labor movement."

In Spokane Tomorrow.

The socialist leader will leave tomorrow night for Spokane, to which place he was ordered yesterday from Helena, and which order interfered with the plan to greet him with a well advertised meeting next Wednesday night in Butte.

From Spokane he will visit other towns in the northwest for 10 days and then return to Butte from which point he will start on a tour of the principal towns in Montana.

From this state Debs will go to Utah Wyoming and Colorado and is billed for a speech in Davenport, Iowa, Labor day. From there he will go to his home in Terre Haute, Ind., and rest preparatory to a semi-political tour in other parts of the Western country.

The old strike leader differs little in appearance from the days when his name was in every mouth and when the mammoth movement of the men he controlled made it appear as if martial law, as declared by President Cleveland in Chicago, must spread through every section of the country where Pullman sleepers were operated.

Riley's Little Joke.

If anything, he is looking better and more prosperous than in the days when his food and sleep consisted of ham sandwiches and coffee and the soft side of an office table in the old Ulich's hall headquarters in Chicago.

There is the same Bill Nye quantity of hair on his head and about the same amount of matter which James Whitcomb Riley once said resembled a stock-feder steer after the steer had left.

He is the same earnest advocate of the principles which he evolved with his famous class in the Woodstock jail, and where was given birth to the idea resulting first in the birth of the social democracy, and later, when that movement was captured by Lucy Parsons and the radicals in Chicago, which resulted in the effort to blend unionism and socialism into a political power.

To the men who listen to him tonight he will be the same orator who sent men wild in other and darker days and whose eloquence swayed the labor movement for a time as no other man's oratory has—probably ever will.

FUNERAL NOTICE.

ELLSWORTH—Freddie Earl Ellsworth, aged 10 years and 8 months, son of Mr. and Mrs. William A. Ellsworth, died last evening. The funeral will take place tomorrow at 2 p. m. from the family residence, No. 96 Main street, Meaderville.

In the consolation shoot Neil MacAulen of Idaho made the highest average, missing only one bird.

THE MAYOR'S BOOTBLACK.

Won \$40,000, Lost It Quickly and Is Again Shining Shoes.
 [New Special Philadelphia Ledger.]
 Blue-eyed Herman, the "mayor's boot-black" was back again shining shoes in front of the city hall today, after an absence of nearly a year, during which he won and lost a fortune. His story of his poverty, his rise and his tumble was told by him in a shower of tears.

Previous to last June he had been doing business in city hall park, and three or four mayors were his steady patrons. Craps was the foundation of his fortune and horse racing its brittle walls. With a capital of \$46 which he had laboriously accumulated, he won \$300 one day in an uptown gambling house, and the next day he went to the race track.

"During the first week," he said, "I was \$8,000 to the good, and when the season closed I had \$40,000 put away. During the winter I made a few bets in the pool rooms and lost them. I opened the season with \$24,000 cash. My luck changed in April, and from that on everything I touched went wrong. Last week I sold my kit for \$1 and put the dollar on a 20 to 1 shot, and that was the last of a big fortune. 'Shine, sir!'"

RIOTING ON ONCE MORE IN PAWTUCKET

DISORDERS EXTEND OVER SO LARGE AN AREA THAT THE PRESENT FORCE UNABLE TO CONTROL.

[BY ASSOCIATED PRESS.]
 Pawtucket, R. I., June 16.—The presence of 700 armed men sent by Governor Kimball to restore order had little influence except in the central parts of this city today, where the soldiers formed an invincible guard, and this afternoon rioting broke out anew in the suburbs and spread to the neighboring city of Central Falls. The resumption of the electric service, which had been abandoned since Thursday was the signal for demonstrations at the points where neither soldiers nor police were stationed, and the character of the attacks grew worse and the traction company was forced to abandon the car service.

The disorders extended over so great an area that the troops available were unable to handle the situation, and it was said that before car traffic can be resumed it will be necessary to place the city of Central Falls and parts of Cumberland, Lincoln and North Providence under military control. To do this an increase in the number of troops will be necessary. It was demonstrated that the cars will not be operated in safety under the present conditions.

The tracks were obstructed and cars were pelted with stones by the mob, not only in the suburbs of this city, but in Central Falls. Missiles struck many of the employees, some of whom were injured, and rolling stock was injured.

About 3,000 people gathered around one car in Central Falls and their attitude was so threatening that a machine gun was loaded and two companies of marines were ordered to charge the crowd. The car proceeded, but the line was later abandoned. The crowds marched through the city and at another point the machine gun was made ready for action when it became apparent that an outbreak was imminent.

Mayor Fales of Central Falls, not having requested military protection from the governor, asked that troops be withdrawn, and this was done after two hours' service. No new disturbances occurred in this city or elsewhere during the forenoon, and the troops patrolled even a greater stretch of territory than before in preparation for the resumption of traffic.

Killed Her Children.

Jackson, Miss., June 16.—Mrs. L. Westrop, a white woman living near Martin, a small station several miles from here, last evening killed five of her children by shooting them to death in an outhouse and afterwards burning the structure. The woman escaped.

Joe Kipp Free From Debt.

Helena, June 16.—Joseph Kipp, formerly one of the wealthiest half-breeds in the state, was discharged from bankruptcy this morning by Judge Knowles in the United States court. Kipp was an Indian trader on the Blackfoot reservation.

PATTI BUNKOED.

Pretty Girl Clerk Swindled Her Out of Her Furs.
 (Paris Cor. New York World.)

Adelina Patti had been shrewdly swindled out of a large part of her wardrobe, including all her furs, which were worth a fortune. She sent her husband to a firm which makes a specialty of storing furs and other expensive winter trappings throughout the summer. Her husband spoke with a pretty girl employe, who took his order.

Later Mme. Patti received a telephone message telling her to prepare her garments for storage, as a man and a woman would be sent to take them.

The man and woman appeared with a carriage. Mme. Patti helped fold and pack for two hours.

After the goods had gone another vehicle called, when it was discovered that the pretty girl, after transcribing the order had decided that she would care for the furs herself and left the shop, pretending to be sick. The man who assisted her probably was her lover, who also disappeared.

Mme. Patti was taking tea with the Dowager Duchess of Manchester when she was notified of her loss. The news fairly distracted her and it is said she cried and called her husband harsh names, not minding the crowded tea room. The young baron is said to have borne the tempest with admirable patience.

HALF OF THE FIRE BOSSES QUIT WORK

EXPECTED THAT THIS ACTION WILL CAUSE DISASTER TO THE MINES FROM GAS AND FIRE.

[BY ASSOCIATED PRESS.]
 Scranton, Pa., June 16.—Nearly 100 h. losses in the mines in the Lackawanna region refused to make the usual inspections today in compliance with an order from strike headquarters, asking them to quit and thus assist the strikers in winning their fight.

This is claimed to be more than half the force of these workmen in this region, and the result cannot be otherwise than disastrous to the mining property for, with the accumulation of gas, pump runners cannot keep at work.

There are also the dangers of explosions which only the greatest precautions can provide against. Those fire bosses who did not quit today are confidently expected to do so tomorrow.

The operators will find it impossible to fill the places of these men, as it requires much experience to become expert in this work.

Robinson, the Delaware & Hudson deputy, who was shot through the right lung, at Olyphant late Saturday night by some unknown person alleged to be a striker, is still alive with the chances against him.

The company offered \$1,000 reward for the arrest and conviction of his assailant.

There Are Always Some Busy Ones.

Those who have occasion to visit the detective agency or call at their offices for information of any kind always receive the best of advice that can be given by their knowledge and long experience. Why is it that some people will stand to lose jewelry or valuables of different kinds and say nothing about it? Why do they do this when they are in a position to get their valuable experience, we do not know.
