

ENGLAND'S KING AND QUEEN LOYALLY CHEERED

Court Returns From Windsor to London and Festivities Have Commenced.

ROYAL VISITORS COMING OVER IN LARGE NUMBERS

Big Throng Took the Opportunity of Greeting the King and Queen and Following Them to Buckingham Palace—Much Enthusiasm Displayed by the People Because of the Monarch's Recovery From His Recent Illness.

[BY ASSOCIATED PRESS.] London, June 23.—King Edward and Queen Alexandra arrived in London from Windsor at 12:30 p. m. today. His majesty appeared to be in his usual health. With the return of the court to London from Windsor today the festivities of the coronation may be said to have commenced, and each day until midnight Saturday, when the last gun of the royal salute will be fired by the fleet at Spithead, will furnish its quota of the attractions which promise to make the week memorable.

From today the special ambassadors, envoys and princes invited to join in the festivities became the guests of the king. Throughout the day numbers of royal personages have been arriving from the continent. They were met at the railroad stations by royal carriages and guards of honor, and were escorted to the official residences assigned them. Consequently plenty of entertainment was provided for the crowds of sight-seers filling the streets. A big throng took the opportunity of greeting the king and queen on their entry into the capital and semi-state progress to Buckingham palace.

Rode in Landaus. Accompanied by Prince and Princess Charles of Denmark their majesties reached Paddington at 12:30 p. m., and proceeded in semi-state landaus, drawn by four horses with postillions, preceded by outriders and attended by an escort of the royal dragoon guards, along the route usually followed by the late Queen Victoria.

The thoroughfares were thickly lined with people and the enthusiasm of the spectators evinced their delight at the ocular proof of recovery of the king from his recent indisposition.

Rigorous police protection was installed at the railway stations and the royal train was everywhere greeted with cheers.

The king lost no time in alighting, and after chatting with the railroad officials entered a carriage. He appeared to be in his usual health. He walked, perhaps, somewhat heavily, but showed few symptoms of his recent illness.

Their majesties reached Buckingham palace shortly before 1 o'clock. They received the same hearty welcome from the thousands of people who congregated on the avenues leading to the royal residences which greeted them throughout the entire route from the station.

WIRELESS SYSTEM TO THE HAWAIIAN ISLANDS

John D. Spreckles Proposes to Establish Communication With His Sugar Estates.

[BY ASSOCIATED PRESS.] Chicago, June 23.—John D. Spreckles, multi-millionaire, who controls a great share of the industries of the Hawaiian Islands, is contemplating connecting the islands by wireless telegraphy with San Francisco, according to the Chronicle's Los Angeles correspondent.

Experts in his employ are establishing a system between Los Angeles and Catalina Islands in the Pacific ocean. If the work here is entirely satisfactory Mr. Spreckles will at once begin figuring on the Hawaiian system.

Mr. Spreckles is owner of the Oceanic Steamship company whose four vessels, the Australia, Alameda, Ventura and Hades ply between the islands and San Francisco. These will also be fitted up with the wireless apparatus regulated to the instruments placed at San Francisco and Honolulu.

DROWNED IN OLD RESERVOIR

Older Brother Dragged Down in Attempt to Save Younger.

[SPECIAL TO INTER MOUNTAIN.] Virginia City, June 23.—Two little sons of Thomas Cort, foreman of the Shafter mine, near this place, were drowned yesterday in an old reservoir. The boys were playing on the edge of the bank when the younger, aged 7, fell in and stuck in the mud. The elder brother, in attempting to save him, also lost his foothold and was dragged down. A third brother, a wee child, who was upon the spot and witnessed their struggles, ran home to summon his mother, a half mile away, but before the frantic parent could reach the scene the boys had sunk in the mud bank. The funeral will be held this afternoon.

Officers Are Entertained.

Lisbon, June 23.—The officers of the United States cruiser Albany which has been here since June 19, have been entertained by the American officials and residents. United States Minister Loomis will present Captain Craig of Albany to King Charles on Wednesday.

SIXTH WEEK OF THE STRIKE OPENS

PRESIDENT MITCHELL'S ADDRESS CREATES CONSIDERABLE INTEREST AMONG THE MEN.

SO FAR NO BREAK IN RANKS OF MEN REPORTED

None of the Companies Are Making Any Attempt to Resume Mining—Mine Workers Committee Endeavoring to Persuade the Engineers and Pumpmen to Quit Work.

[BY ASSOCIATED PRESS.] Wilkesbarre, June 23.—The sixth week of the anthracite coal miners' strike began today very quiet. The big towns of the coal region show no outward evidence of the fact that a strike is on, but in the small settlements men can be seen on all corners idling away the days waiting for something to turn up.

Interest was centered today in President Mitchell's address to the public. Groups of men gathered in places in the mining towns and listened while one of their number read aloud the address of their chief. The rumors that the coal companies expected a break in the ranks of the men are not borne out by the actions of the men. Here and there a few men may be ready to go back, but they cannot be found.

Some of the officials of the company say that they get applications daily from strikers who want work.

These when they say, are given work about the mines whenever they have work for them.

So far as known none of the companies in this region are attempting to resume mining. The mine workers' committee is still endeavoring to persuade the men who remained at the engines from continuing work. Very few, however, are joining the ranks of the strikers.

The union is unable to make any headway with the new men brought here to take the strikers' places.

GENERAL BURT HAS PLAN OF HIS OWN

HE PROPOSES TO SELL THE PHILIPPINES TO JAPANESE AND HOLD OUT COALING STATIONS.

[BY ASSOCIATED PRESS.] San Francisco, June 23.—General A. S. Burt, retired, who has recently arrived from the Philippines, has a plan for the solution of the Philippine problem. He believes he has arrived at a conclusion that will ultimately be accepted by the administration and the public at large.

"Turn them over to the Japanese," said the general, "let them have them on the installment plan for the consideration of say \$150,000,000. Our government does not need the money in a lump sum, and by making a proposition of that kind we can dictate as to coaling stations and make such reserves as are thought to be best for trade interests."

An arrangement of that kind can be effected that will give the United States as broad a road to the markets of the orient, as if we retained the islands, besides we will be making strong allies that will represent our interests on that side of the globe without the necessity of the presence of a large army at an enormous cost.

BOLO MEN ATTACK GUARD OF SOLDIERS

MOROS DO SOME DAMAGE AND GET AWAY WITHOUT CAPTURE OR BEING INJURED.

[BY ASSOCIATED PRESS.] Manila, June 23.—Five soldiers of the Twenty-seventh infantry forming an advance guard which was escorting a wagon train half a mile from Camp Vicars, island of Mindanao, were attacked today by ten bolo men.

One soldier had an arm badly cut and another was seriously wounded in the head.

The Moros captured a rifle and escaped uninjured. The Badjaling Moros say the attackers were Moros from Bonolod who went on the warpath in the morning for the avowed purpose of killing negligent Americans.

The first and second squadron bridges have been consolidated. Lieutenant Colonel Frank D. Baldwin, from the island of Mindanao, reports that the Moros have held a big conference at Bonolod. The sultan urged a policy of friendship with the Americans, but two dattos said they would die first.

Others declared that if the two dattos caused war they would not assist them. Three towns in the western part of the island are inclined to be unfriendly. Colonel Baldwin hopes to win them over to peace.

Captain Gets a Medal.

[BY ASSOCIATED PRESS.] London, June 23.—The Lloyds medal for meritorious service was presented to Captain Freeman of the British steamer Roddam, by the committee of Honors in recognition of his action in gallantly taking his vessel from St. Pierre, Martinique, on May 8, during the destruction of that town by the outbreak of Mount Pelee.

GREAT FALLS TO BE PORT OF ENTRY

RESOLUTION ADOPTED BY HOUSE CALLING FOR INFORMATION AS TO THURBER PAYMENTS.

CONSIDER PHILIPPINE GOVERNMENT MEASURE

De Armond of Missouri Makes a General Speech in Opposition to the Policy of the Administration—He Outlines What He Considers Good Democratic Doctrine—Objects to Retaining Islands.

[BY ASSOCIATED PRESS.] Washington, June 23.—Some routine business preceded the resumption today of the debate on the Philippine civil government bill. Bills were passed to make Great Falls, Mont., the port of entry for the collection of the district comprising Montana and Idaho and to authorize the secretary of war to issue duplicates of certificates of discharge instead of certified copies as provided under the present law; to extend the privileges of transportation of dutiable merchandise without appraisement to the sub-ports of Tacoma and Seattle, Washington.

To authorize the secretary of the treasury to bestow medals upon First Lieutenant David S. Garvis, Second Lieutenant E. B. Berthoff and Surgeon J. Call of the revenue cutter service.

A resolution was adopted calling on the secretary of war for information as to any payments made by Governor General Wood to F. B. Thurber and any person or corporation together with the dates and amounts of such payments for advocating reciprocity with Cuba.

Philippine Bill Resumed. The consideration of the Philippine civil government bill was then resumed and Mr. De Armond of Missouri made a general speech in opposition to the policy of retaining the islands.

He repudiated utterly the charge that the opposition to the Philippine policy in criticizing some of the acts of army officers in the Philippines was slandering and assailing the army.

Recalling Mr. Kuhn's statement last week that in giving up a slice of northwestern territory on the occasion of the Oregon boundary line dispute, we had a mistake which should not be repeated now, Mr. De Armond agreed that the surrender of the territory west of Washington on the Pacific had been a mistake, but he pointed out that the territory was contiguous to our border and was capable of furnishing homes for our own Indians, and eventually coming into the union as a state, while the Philippine islands, already densely populated by an alien people, could never be incorporated into the union.

The democratic party, he declared, was not opposed to expansion founded upon American principles; expansion was one thing, colonial empire was another.

The democratic party was anxious to see the country expand as expansion was understood by the fathers, De Armond said.

KANSAS REFORM SCHOOL ACCIDENT

MATRON LOWE IS SHOT AND WILL DIE BY ACCIDENTAL DISCHARGE OF A REVOLVER.

[BY ASSOCIATED PRESS.] Topeka, Kan., June 23.—Matron Lowe of the reform school lies at Stormont hospital with two bullet wounds through her abdomen, unconscious and with no hope of recovery. Her husband, J. H. Lowe, is in prison charged with the crime, with a slight bullet hole in his head.

When the shots were heard Sunday by a watchman he rushed to the scene and found Mrs. Lowe writhing on the floor, exclaiming it was an accident. Lowe also declared that the shooting was accidental. Nearby lay a revolver with four empty chambers.

Passing the medical ward, Lowe seized a quart can labeled "carbolic acid," and swallowed it, but the contents proved to be a weak solution and had no injurious effect.

There had been no quarrel between them that was known of, and the entire affair is enveloped in mystery. Lowe is a graduate of the state normal school. His father is a wealthy stockman of Prescott, Kan. Mrs. Lowe was formerly a school teacher. They have been married seven years. Lowe is 32 years old and his wife 30. They have two small children.

MANY SILK MILLS OPEN

No Disorder of Any Kind Although Streets Throng With Idle Men.

[BY ASSOCIATED PRESS.] Paterson, N. J., June 23.—Although many silk mills were open today it was estimated that one-third of the regular number of employes reported for work. A meeting of the strikers is to be held today, but it is not expected any definite action will be taken until the decision of the bosses, as to the holding of a conference with representatives of the strikers has been announced. Details of infantry and cavalry were on duty at the mills today.

Silk Plants Opened.

[BY ASSOCIATED PRESS.] New York, June 23.—In accordance with the decision of the mill owners, reached on Friday last, all the silk plants in Hudson county, New Jersey, opened for business today. At only one mill, however, that of R. H. Simon, in Union Hill, did the full number of men report for work.

INVESTIGATE THE CHRISTMAS STORY

SPECIAL COMMITTEE OF THE HOUSE LOOKING UP THE CHARGES MADE BY THE DANE.

HIS STORIES DO NOT IN ANY MANNER AGREE

Christmas Now Claims That His Official Report Was Tamped With and Changed and He Now Denies a Number of the Allegations Made in It—Minister Swensen Is Disgusted.

[BY ASSOCIATED PRESS.] Washington, June 23.—The special committee of the house of representatives, investigating charges in connection with the purchase of the Danish West Indies, resumed its sessions today and Chairman Dalzell laid before the members a number of papers including letters from the United States minister to Denmark, Mr. Swenson, Henry White, secretary of the United States embassy at London, and Captain Walter Christmas, who has been the central figure in connection with the charges. Secretary Hay forwarded the letters without commenting on their contents. Mr. Swensen's letter encloses that handed to him by Captain Christmas, in which the latter states that Nels Gron obtained his official report by foul means, he has reason to believe.

He has reason to believe that Gron falsified it, and denies a number of allegations which it contained.

He says he never tried to impress Minister Harring that bribery was the only way of getting the islands sold. He had not given the name of any congressman in connection with the case of money.

He makes a general denial of several matters.

Absurd Statements.

Minister Swensen says that in view of Christmas' character and "absurd and contradictory statements," he attaches no importance to the letter. He says the opponents of the sale are using the Gron-Christmas scandal to prevent ratification of the treaty.

Mr. White's letter is a detailed account of his visit to Denmark to bring about an agreement for the sale of the islands.

H. H. Rogers of the Standard Oil company sent a letter in which he says he had but one interview with Christmas and that was devoid of importance. He adds: "The story he tells as to my claim—the ownership of 26 United States senators—is simply a falsehood, and so absurd on its face that it is hardly worth referring to." Mr. Rogers offered to come as a witness if the committee wanted him.

Richard P. Evans, one of the attorneys mentioned, denied some of the statements made concerning himself.

Mr. Rogers will not be asked to appear, but Chairman Dalzell has written him to forward an explanation of a dispatch which Christmas quoted as sent by Rogers, saying the negotiations were again on.

The committee also talked over the report and will reassemble later to pass on this part.

Fusion in Kansas.

[BY ASSOCIATED PRESS.] Topeka, Kan., June 23.—Many leaders of the populist party of Kansas, including Congressman M. A. Jackson and Senator W. A. Harris, are in Topeka today in conference, twenty-four hours in advance of the state convention. It is understood that the convention will endorse the nominations made by the democrats at Wichita and fill in the remainder of the ticket themselves.

WHITELAW REID TO HAVE A BUSY WEEK

AMERICAN SPECIAL ENVOY IS GIVEN HIGH HONORS AT THE ENGLISH COURT—SEATED WITH KING.

[BY ASSOCIATED PRESS.] London, June 23.—Whitelaw Reid, the special envoy of the United States to the coronation, began a busy week today. During the afternoon he made a round of calls at the embassies in a royal carriage, accompanied by Lieutenant Colonel Sir Fleetwood Edwards, the exte equerry of his majesty who is on special attendance on Mr. Reid.

Tomorrow all the members of the American special embassies will probably be present at a big reception at Buckingham palace, though it is possible in view of the fact that Mr. Reid and all his suite have been previously presented to the king they may be excused from attending at the crowded function tomorrow.

Tomorrow night will occur the dinner in the ball room of Buckingham palace to which all the coronation guests have been invited. The ball room has been elaborately decorated.

There will be a large table for the king and the chief envoys at the end of the hall and fifteen smaller tables for the other guests.

Mr. Reid will be seated at the king's table.

JUSTICE TAYLOR LOSES HIS MIND

POPULAR SOUTH BUTTE MAGISTRATE STRAPPED TO HIS COUCH A RAVING MANIAC.

INSANITY INDUCED BY CHRONIC MALADY

News Comes as Great Shock to Many Friends, From Whom His Condition Has Been Kept Secret—Has Evinced Signs of Mental Troubles for Weeks Past and Relatives Fear the Worst.

With the madness of insanity rushing through his veins, frantic with pain and broken mentally, though physically as strong as four ordinary men, Cornelius Taylor, the well-known justice of the peace in South Butte, lies strapped to a bed in a room in St. Paul's hospital, awaiting the verdict of the physicians as to whether there can be entertained hopes of his recovery, or whether, as feared, there must come the mandate of the court to remove him to the insane asylum at Warm Springs.

Though the popular justice of the peace has been in the hospital for many days, the news of his condition will come as a shock to his numerous friends outside of a small circle, as extraordinary efforts have been made to keep secret the affliction in the hope that a speedy recovery might be his fortune. In the minds of all his intimates, however, there is little hope now of the sick man recovering, at least for some months.

Court Will Examine Condition.

Steps have been taken to have a commission appointed by Judge McClernan just as soon as the physical condition of the justice is such as to warrant an examination without danger of fatalities. This is done at the instance of personal friends, who believe the Justice will be afforded more expert treatment in the asylum than can be given in a crowded hospital.

For some weeks past Justice Taylor, according to his friends, has been showing signs of mental trouble. He has been a sufferer from an incurable malady, and the physical torture as well as the mental strain proved too much for him. A collapse followed, and the former mild and easy-going justice was taken to the hospital, raving and fighting.

Justice Taylor was elected a little over a year ago, and had his office on Front street near Utah avenue, South Butte. He was elected for the two-year term, which will expire in January next.

In the event of his being declared insane and removed to the asylum, the office will necessarily be declared vacant. Under the law the vacancy can be filled by the board of county commissioners of Silver Bow county.

A Native of Portland.

Justice Taylor came to Butte from Portland, Ore., where he was for some time city attorney. He took up the practice of law in Butte and became popular with the party which elected him to office a year and a half ago.

George Chapman, former justice of the peace and an intimate friend of Justice Taylor, has charge of the office and business in South Butte and is caring for the interests of the unfortunate man.

It is believed the patient will be in such condition this week as to admit of a trial on the ground of insanity.

G. H. Chapman, connected with Judge Oleson's court in South Butte, is sending telegrams out today in an effort to locate Mr. Taylor's relatives. A sister of Mr. Taylor, Mrs. Charles Barker, lives at Grass Valley, California, and Benjamin Taylor, a brother of the judge, is also located there. Two other sisters are said to reside in Portland, but so far no reply has been received to telegrams sent to these places.

HOT HEADED GENERAL EAGEN

He Makes an Attempt to Shoot But Loses His Revolver.

[BY ASSOCIATED PRESS.] Tucson, Ariz., June 23.—General Charles Eagen, of army beef fame and A. B. Goldbaum, who has charge of W. C. Greene's cattle interests in the state of Sonora quarreled in a restaurant in Hermosillo.

After some hot words Eagen drew a revolver and would have shot Goldbaum, had not the latter been too quick for him. Goldbaum grasped Eagen's arm and the bullet was discharged into the ceiling.

The revolver was wrested from Eagen's hands and he was thrown to the ground by Goldbaum. Friends interfered, before any other damage was done.

SOLDIERS AT PAWTUCKET

Many Cases of Stone Throwing and Two of the Employes Are Injured.

[BY ASSOCIATED PRESS.] Pawtucket, R. I., June 23.—Three companies of infantry and two divisions of the naval reserves have been relieved, after 11 days' duty in connection with the railway strike riots.

In their stead an equal number of militia men have been called into service. Brigadier General Tanner and his staff also were relieved. There were a dozen cases of stone-throwing Sunday and two employes were injured. With police protection the cars were run in Central Falls, but obstructions were piled upon many of the lines.

In Valley Falls a car was stoned and the conductor answered by firing a shot into the crowd.

Butte Athletics Lose.

Livingston, June 23.—By a score of 12 to 11 the Butte Athletic team again went down to defeat yesterday afternoon before the Livingston baseball team. It was not nearly as good a game as Saturday, the Butte team going to pieces in the first inning again, allowing the home team to score three runs, when they ought to have been shut out.

BITTER DOSE GIVEN OUT BY JUDGE M'CLERNAN

Sentences Perry and Young to Penitentiary for 30 Years For Stealing \$30.

PRISONERS REMAINED DEFIANT TO THE LAST

Both Men Have a Very Bad Record and the Court Was Anxious to Rid the State of Their Presence—The Robbery Was Committed April 24 Near Great Falls—Heavy Sentence Causes Dire Fears at Jail.

Thirty years for thirty dollars. That is the rate of punishment fixed by Judge McClernan in the case of A. C. Young, alias Smith, and William Perry, tried and convicted of the charge of holding up and robbing Thomas Donovan.

Perry was sentenced this morning to 30 years in Deer Lodge prison. His partner in crime, Young, was sentenced last week.

When Young was given the unusually heavy sentence it created something of a sensation about town and brought fear to the hearts of other criminals of the county jail who are slated to come before the inflexible nemesis who presides over the criminal court. At once there was a movement on the part of the prisoners to clear Perry of the charge, but this fell

through, mainly because of "premature publication" to the officers of the jail.

Martin, accused of the murder of Williams, was included in the plot to free Perry by swearing on the stand that he was Young's partner. Martin was subpoenaed but did not testify. Young took the stand to swear that Perry was not with him but this was not believed by the jury.

Perry Is Defiant.

Perry was convicted Friday last and today was set as the time for him to be sentenced. In court this morning he was defiant and abusive. He had been assured that his sentence would be no lighter than that of Young and his conviction made escape impossible.

When asked by Judge McClernan if he had anything to say why sentence should not be passed upon him, Perry arose and said: "I don't see what I could say that would help me any. I got soaked in this case and my attorney did, too. It wouldn't do me any good to say anything."

"I don't think it would," replied the judge. "I don't see any reason why any more leniency should be shown to you than to your partner."

"I'll say this, Judge," said Perry. "I'm not guilty of the charge they say I'm guilty of. I never was there. But then you and these fellows are goin' to soak me, so it would do me no good to say anything. Go ahead and land on me."

"You have been tried and convicted," said the court, after going through the usual formula, and it is the order of the court that you be confined in the state penitentiary at hard labor for the term of 30 years and to pay the costs of this prosecution, which will be charged against you."

Perry swung recklessly around and started with his guard for the door. As he passed McClernan, who was sitting behind the attorneys waiting for the resumption of the trial for horse stealing, Perry turned and pointed his finger at the prisoner, exclaiming in a loud tone: "And you — — — I hope you get all the — — — limit and — — —" Bailiff Quinn and the other deputies shut off the obscene remarks by hustling the frantic desperado out of the courtroom.

Robbed Partner in Box Car.

The crime for which Young and Perry were tried and found guilty was the robbing of Thomas Donovan, who was in Great Falls April 24 with the two men in a box car. Donovan had between \$20 and \$30 in cash and a check for \$32, which he had exhibited.

After the robbery, which took place soon after the trio reached Butte, Donovan complained to the police and 10 days later Detective Jerry Murphy and Captain Everts arrested Young and Perry in a cabin in South Butte. In the cabin were found a lot of plunder, burglars' tools and dynamite.

Both Young and Perry, it was learned, had done time in Deer Lodge and both admitted being ex-convicts on the witness stand. Perry was also wanted for a burglary in Missoula and it was these ad-
