WORK ON NEW LINE TO WASHOE BEING PUSHED

Contractors Expect to Land Smeltersmen at Door by September 1—Ready Before the First Snow.

[SPECIAL TO INTER MOUNTAIN.] Anaconda, August 11.—Work on the grade for the new street car track to the top of the Washoe hill is being pushed rapidly and according to the terms of the contract, will be finished by September 1. It was begun July 1.

After that the Electric Light company will take up the matter of laying their track. For the most part, steel that has been used will form the road. Several days ago the work of tearing up the piece of track below Carroll was begun and this material will be used in the construction of the new piece of road. The entire job will be completed long before snow falls and the smeltersmen will then be landed at the top of the hill, instead of having to climb the slippery incline, which is almost impassable in the winter time.

BIG BOND ISSUE BY THE MORGAN SHIP COMBINES

Said That One Hundred Million Dollars Is the Figure—To Be Chartered Under New Jersey Laws.

[BY ASSOCIATED PRESS.] New York, August 11.—From what it considers a reliable source, the Journal of Commerce hears that the securities of the Morgan combination of Trans-Atlantic Steamship lines will soon be placed upon the market. Full details of the company and of the amount of securities to be offered are not available, but it is understood that a new corporation will be chartered under the laws of New Jersey, the capitalization including stocks and bonds approximating \$150,000,000.

"It was understood before Mr. Morgan sailed for Europe," says the same paper, "that the tentative plan was for an issue of \$100,000,000 stock and \$44,000,000 in 4 1/2 per cent bonds and it is on this basis the underwriting syndicate, which is thought to be virtually the same as that which underwrote the United States Steel corporation, was formed. The bond issue may exceed the amount mentioned.

MODERN WOODMEN ENJOY DAY AT ANACONDA PARK

Drilling Contests, a Baseball Game and Several Other Exercises Are the Features of One Big Time.

[SPECIAL TO INTER MOUNTAIN.] Anaconda, Aug. 11.—Modern Woodmen to the number of several thousand spent yesterday in Mountain View park. There were Woodmen from Butte, Anaconda and other places in the state, the first train from the former bringing over 300 persons. Manager Daniels of the park had everything in splendid shape to receive them.

One of the features of the day was the drilling match between the Silver Bow and South Butte lodges of Woodmen. At the conclusion of the various movements the score stood 89 to 86 in favor of the Silver Bows. The prize was a set of aluminum axes and \$200 on the side. The Anaconda team did not take part in the grill. The judges were James Quane, Phil Greenan and J. W. Payne. Before going to the park, the Woodmen paraded the streets of the city. The column was headed by the officers of the Anaconda lodge and a brass band. The Silver Bow Woodmen wore white and green uniforms and were under the chaperonage of D. L. Winchester. The South Butte boys were clad in navy blue and gold and were in charge of J. J. Lorenz. The Anaconda camp boys wore red and black and were guided by Capt. McMurray. Back of the uniformed boys were about 500 members of the order dressed in their Sunday clothes.

At the park the two clubs composed of Woodmen played ball and put up a good game considering the fact that none of them had done any playing since the days of the Red Stockings of Cincinnati, which was 40 years ago. During the first three innings it was thought the Butte boys would win in a walk around the grounds, but they got rattled and used axes on the ball. At the close of the ninth inning the score stood six to ten in favor of the Anaconda club.

TOO MUCH WHISKY IS CAUSE OF HIS TUMBLE

Crippled Vender of Coat Racks Falls on Iron Grating and Sustains Painful Injuries.

[SPECIAL TO INTER MOUNTAIN.] Anaconda, Aug. 11.—John Doe took a tumble this morning and striking his face on an iron grating in the sidewalk cut his lower lip in a serious manner. Constable Jake Rentz happened along and loaded the fellow on a dray and took him to the county jail, where a physician dressed his wound.

This specific John Doe is a crippled vender and maker of wire coat racks who has been around town for several days. He got loaded with squirrel foot whiskey this morning and became helpless, hence his tumble.

PORTLAND DEFEATS TACOMA

All the Runs Crossed the Plate in the First Three Innings.

[SPECIAL TO INTER MOUNTAIN.] Portland, Aug. 11.—Both Portland and Tacoma opened yesterday's game with the evident intention of making it a slugfest. All five runs were made in the first three innings. After the third both Engel and Johnson settled down and neither allowed a run to cross the plate. Both teams played a fine game in the field. Two base hits by Andrews and Smith, and double plays,

Saturday's Game.

[SPECIAL TO INTER MOUNTAIN.] Portland, Aug. 11.—Cunningham went in to pitch for the home team Saturday and lasted just a trifle over one inning. His wildness was something remarkable, and such a performance in the pitchers box has not been witnessed on the local grounds for many a day. Two passes to first in the opening inning started both the players and the spectators, and it was more a matter of luck than anything else that no runs were scored. In the second after filling the bases, Cunningham allowed another man to walk, thus forcing a run. Werner was substituted at this juncture, but he was touched for three runs, enough to win the game for Tacoma. The score by innings: Tacoma 4 0 0 0 2 0 0—6; Portland 0 0 1 0 0 0 1—3.

INDIFFERENCE LOSES GAME

Pfeister and Frary Quit in the Eighth and Seattle Takes the Advantage.

[SPECIAL TO INTER MOUNTAIN.] Seattle, August 11.—Pfeister and Frary were responsible for Spokane's defeat yesterday, both deliberately quitting in the eighth inning and allowing the locals to score two unearned runs. Frary allowed 12 stolen bases during the game. Nearly every man who got to first made the attempt to steal second, and usually got there ahead of the ball, too. Such indifference on the part of the players takes all the interest out of the game. Spokane started business in the first, scoring one run. Seattle failed to send a man over the plate until the sixth, when they tied the score. The visitors made a game effort to recover lost ground in the ninth, but Hogg settled down and struck out Pfeister and McLaughlin after Donohue, Frary and Frary has lined out safe ones. The score by innings: Seattle 0 0 0 0 0 1 0 2 X—3; Spokane 1 0 0 0 0 0 0 0—2.

SUMMARY

Earned Runs—Seattle, 1; Spokane, 1. Sacrifice hits—Hurley, Stanley, J. Kelly. Stolen bases—Tom Kelly, Campbell, 2; Dalrymple, Drennan, 5; Stanley, Hogg. Two-base hits—Klopf, Campbell, Reitz, McKeitt, Frary. Bases on Balls—Off Hogg, 3; off Pfeister, 4. Struck out—By Hogg, 6; by Pfeister, 8. Left on bases—Seattle, 9; Spokane, 8. Time of game—Two hours. Attendance, 3,000. Umpire—Fisher.

Saturday's Game.

[SPECIAL TO INTER MOUNTAIN.] Seattle, August 11.—Saturday's game between Seattle and Spokane was largely a pitcher's battle between Stovall and Gordon, the former having a little the best of it in the long run. Both teams played a remarkably fast game in the field. Stovall besides being effective in his position as pitcher fielded well and stopped many hits that would ordinarily have been good for a base. The score by innings: Seattle 0 0 0 0 1 0 0 1—2; Spokane 0 0 0 0 0 0 0 0—1.

SUMMARY. Earned Runs—Seattle, 1. Two-base hits—Klopf, 2; Stanley, McLaughlin. Double play—Stovall to Balbitt, to Hurley; Gordon to Grin. Stolen bases—Tom Kelly, McLaughlin. Struck out—Stovall, 6; Gordon, 3. Bases on balls—Off Stovall, 3; off Gordon, 6. Left on bases—Seattle, 9; Spokane, 8. Time—1:30. Attendance, 1,500. Umpire—Fisher.

MARY M'LANESARE IN SPLENDID FORM

M'CLOSKEY'S MEN RETURN TO BUTTE IN BETTER CONDITION THAN EVER BEFORE.

SNAPPY WORK OBSERVED IN MORNING'S PRACTICE

Changes Made Strengthen the Team, Which is Certain to Give the Best of Them a Run for Their Money—Removal of Treadway From Right a Great Benefit—Dowling in Fine Shape.

"Honest" John McCloskey and his bunch of ball tossers arrived in the city early this morning and went to their quarters at the Finlen hotel. Promptly at 9 o'clock the boys were mustered together and driven out to the garden grounds where they went through a snappy practice which boiled all luck to the Senators in tomorrow's game. The boys all show a speed and spirit that was not there when they last crossed bats with an opposing team on the home grounds. Most of them seem to have lost weight in the salt breezes of the coast, which speaks well for the form of the beefy aggregation. McIntyre is back at his old job on third where he is playing phenomenal ball. It is seldom he makes an error and he covers a large territory. Mac is batting even better than ever before and this is saying a good deal for the popular old "home runner."

Instead of big, clumsy Treadway out in right, Marshall is playing there, and he is one of the surest fielders in the league. The Butte fans will be glad of this change for all lazy mortals Treadway took the cake. He couldn't bat and he was slow to field, so his removal was one of the best steps taken by the management thus far.

Perhaps Piggy Prevaricates. "Piggy" Ward declares he only weighs 220 pounds now but we are willing to take this with a pinch of salt. However, "Piggy" is doing good work and there is no kick coming it he happens to make the scales groan. Since doing the "split" on the Spokane diamond, he has buckled down to business and he picks up grounders now with all his old time alacrity.

As for Butte's pet battery—Dowling and Zearfoss—it would be hard to duplicate their work. Pete has taken the pledge and with his farewell to the wine cup comes a streak of phenomenal pitching that even the mighty Hickey couldn't touch. Zearfoss is the same steady, cool catcher that he always was.

The other players are all in fine fettle and if they lose the coming series to Helena it won't be through lack of form.

BIG CHESS TOURNEY CLOSES

Pillsbury Clinches Second Prize at International Games—Others Unsettled.

[BY ASSOCIATED PRESS.] Hanover, August 11.—The final round of the international chess masters' tournament, which was begun in this city under the auspices of the German Chess association on July 21, was played this morning.

When an adjournment was taken at 1 o'clock six games had been concluded. The remaining three games were adjourned in even positions, play being resumed at 3 o'clock this afternoon. Gottschalk won against Levin, Tschigorin lost to Mason, Pillsbury beat Swideraki, Janowski beat Poppel, Gunsberg went down before Wolf and Cohn and Suetching drew. Pillsbury is thus sure of the second prize, Janowski having won the first prize on Saturday. The disposal of third prize and some of the other prizes is still uncertain, owing to the three adjourned games. The results of these contests will affect most of the prize takers.
