

WALL STREET STOCKS

Today's Quotations: [BY ASSOCIATED PRESS.] New York, Sept. 5.—The market showed but little trace at the opening of yesterday's selling movement. A buoyant rise of 3/8 in St. Paul infused courage into the bulls and they bid up the entire market well above yesterday's close. The market received a chill when call money rates reached 8 per cent. There was not very much selling on this account, but the market lacked its recent snap. Bonds were steady. Room traders offered stocks down in expectation of an unfavorable bank statement tomorrow and a number of prominent Sugar lost a point, selling extra dividends. The specialties supplanted the railroad stocks as bull leaders during the early afternoon, a rise of nearly 3 points in People's Gas causing a better demand for stocks of this class. Railroad stocks were higher all round, but did not recover the best forenoon prices. Buying to cover shorts caused a gradual hardening in prices and there was an active demand for some of the low-priced specialties. The soft coal stocks made good recoveries and the market generally sold above yesterday's final prices. United States Express dropped 5 points. The close was moderately active and firm.
