WALL STREET STOCKS

Today's Quotations: [BY ASSOCIATED PRESS.] New York, Sept. 15.—The opening stock market was helped by higher prices for Americans in London and the hope of relief for the money market. Professional traders sold out stocks purchased Saturday and these offerings forced the active list below last week's close.

Liquidation was renewed and carried prices lower than before. Money continued in scanty supply, many leaders holding out for higher rates than were bid. Out of town funds made up the supply at the lending rates.
