Also in connection with this nomination has been mentioned the name of P. D. Twoby, the present treasurer.

Washington Authorities Think Gentleman Whose Description Is Given Below Came to Montana.

[SPECIAL TO INTER MOUNTAIN.] Anaconda, Sept. 19.—If the suspicions of the authorities in Washington, D. Devlin has as his accomplice one James Reilly, alias Ritchie, alias Richards. The latter has been landed and now awaits trial in the Washington jail.

CROPS AND STOCK IN FINE CONDITION

CONDITIONS IN THIS VALLEY HAVE NEVER BEEN SO SATISFACTORY IN YEARS.

[SPECIAL TO INTER MOUNTAIN.] Anaconda, Sept. 19.—Regarding the condition of crops and stock up the valley, M. Johnson, a milkman residing two miles west of the city, remarked yesterday: "For many years past affairs have not been in a more satisfactory condition. The ranges and pasture have been good all summer, the stock is in good condition, in fact could not be in better condition. Although the summer has been short the abundance of the hay crop in that vicinity has assured plenty of feed for the winter, even if it should be long and hard. Until the snow prevents the pastures will be good. The cattle are healthy, range horses in good flesh and the people satisfied."

ROACH AND STOVALL DO GOOD WORK IN THE BOX

The Field Was Too Slippery for Fast Playing and the Ball Was Hard to Handle—Seattle Makes a Game Finish and Comes Near Winning Out in the Ninth—How the Game Was Won.

HOW THEY STAND.

Table with columns: Pacific Northwest League, Played, Won, Lost, P. Ct. Rows: Butte, Seattle, Helena, Portland, Tacoma, Spokane.

[SPECIAL TO INTER MOUNTAIN.] Seattle, Sept. 19.—Notwithstanding the fact that the grounds were in a miserable condition yesterday Butte and Seattle put up a pretty exhibition of ball. A drizzling rain that began to fall early in the morning continued all day and the field was so slippery that it was almost an impossibility to play anything like fast ball. The ball frequently became too soggy and slippery to handle and that there were no more errors is a surprise.

Roach and Stovall were opposed in the box and both did good work considering the circumstances under which they played. It is not an easy matter to control a ball when it becomes slippery from rolling on the wet ground, but both twirlers managed to locate the plate pretty regularly. Roach was, perhaps, the steadier of the two, and up to the last inning Seattle had been unable to bunch sufficient singles in any one inning to score a run. At times the home team had opportunities to score and more than once the bases were filled, but the necessary stick work was not in evidence. Roach was invincible in tight places and it was not until the ninth that Seattle loomed up as a possible winner.

Seattle's Game Finish.

In that inning Dalrymple started the fun with a single and Campbell hit a key one to McHale, which the clever fielder handled in brilliant style. Stanley hit for two bases, scoring Dalrymple, and he began to look as if the visitors were destined to again suffer defeat. Stovall banged the ball to the fence in right field, but Marshall made a sensational catch. With two men out Hulien connected for a single. Kelly went in to bat for Babbitt and popped a foul fly to third. The ball properly belonged to McIntyre, but Zearfoss made a run for it. Hurley, who was coaching at third, ran in and jostled Zearfoss so that he missed the ball and Umpire Fisher promptly called Kelly out for Hurley's interference.

Butte scored in the second inning after two men had been retired. Marshall connected for three bases and scored on a single to Knox. Again with two men out in the third inning, Kane swung the ball for a three-bagger and scored on Babbitt's fumble of Weaver's grounder.

SENATORS SUFFER SHUT-OUT

Spokane Plays Snappy Ball and Pfeister Pitches in Fine Form.

[SPECIAL TO INTER MOUNTAIN.] Spokane, Sept. 19.—Yesterday's game between Spokane and Helena was a one-sided affair. Too one-sided in fact to be interesting. The home players put up an exceptionally fast game in the field and the Senators could do little or nothing with Pfeister who assayed to do the twirling. Pfeister has not pitched a better game this season and in the entire game allowed the Senators only five hits.

Contagious Blood Poison

Is the name sometimes given to what is generally known as the BAD DISEASE. It is not confined to dens of vice or the lower classes. The purest and most moral people are sometimes infected with this awful malady through handling the clothing, drinking from the same vessels, using the same toilet articles, shaking hands, or otherwise coming in contact with persons who have contracted it.

It begins usually with a little blister or sore, then swelling in the groins, a red eruption breaks out on the body, sores and ulcers appear in the mouth, the throat becomes ulcerated, the hair, eye brows and lashes fall out and, as the blood becomes more contaminated, copper colored spots and pustular eruptions and sores appear upon different parts of the body, and the poison even destroys the bones.

S. S. S. is a Specific for this loathsome disease, and cures it even in the worst forms. It is a perfect antidote for the powerful virus that pollutes the blood and penetrates to all parts of the system. Unless you get this poison out of your blood it will ruin you, and bring disgrace and disease upon your children, for it can be transmitted from parent to child. S. S. S. contains no mercury or potash, but is guaranteed a strictly vegetable compound.

Write for our free home treatment book and learn all about contagious blood poison. If you want medical advice give us a history of your case, and our physicians will furnish all the information you wish without any charge whatever.

Twice Helena had a man on third base but in each instance it was with two men out and the next batter fell an easy prey to Pfeister's curves. Eisey again took the center field and the initial sack was held down by Weeks who played it in such a manner as to bring forth the applause of all who witnessed the game. At the bat, too, Weeks did some good work and contributed materially to the winning of the game.

Thompson started in to pitch for Helena but was such an easy mark for the local batsmen that the exhibition became really painful. Sullivan emerged from his position behind the bat and relieved Thompson in the box but he was little if any more effective than his predecessor.

The visitors also put up a slow game in the field and each of their errors proved costly. In the first Howells led off with a hit over Thompson and came home on Thompson's wild throw to first of Donahue's infield hit, the latter taking three bases. Weeks singled and on a wild throw by Sullivan both men scored. Again in the second Spokane scored three runs. Quick hit for two bags and Reitz muffed Pfeister's hit. Donahue singled and Quick came home. Eisey hit for three sacks sending in Pfeister and Donahue.

In the fifth Frary got a two-bagger, Weeks a single, Ferris a double and Kelly and Quick both singles, netting three more runs for Spokane. Pfeister connected for two bases in the seventh, Donahue for a single and Eisey for a two-bagger, sending two more runs across the plate. Score by innings:

TIGERS WIN IN THE TWELFTH

Portland Puts Up Good Game but Tacoma Proves Too Much at Finish.

[SPECIAL TO INTER MOUNTAIN.] Portland, Sept. 19.—Twelve innings were necessary to decide the game yesterday between Portland and Tacoma and although the interest was maintained throughout because of the closeness of the score there were few features. Twice the score was tied by Tacoma. The visitors scored the first run of the game in the fifth inning. Andrews reached first on an error by Deisel and later scored on a long fly by Zalusk.

Portland came up in the same inning and before the visitors knew what had happened four runs had been chalked up. Murdoch got his base and Deisel was safe on a wild throw to first by McCarthy. A hit by Engle sent both runs home. Muller sacrificed and Van Buren was presented with a free ticket. Engle scored on Weid's out and a two-bagger by Anderson sent Van Buren across the plate. The Tigers tied the score by making three runs in the following inning. Portland scored again in the seventh, but Tacoma promptly retaliated by doing the same thing. Both sides were blanked in the ninth and in the tenth each side scored two men.

Tacoma won out in the twelfth on a double by Andrews and McCarthy's single. The feature of the game was Rockenfield's home-run drive over right fence when two men were on bases. The score by innings:

Table with columns: Tacoma, Portland, Earned runs, Sacrifice hits, Muller, Deisel, Zalusk, Nagle, Stolen bases, Van Buren, Vignoux, Two-base hits, Weed, Anderson, J. THAT TWO-STEP OF JERRY'S

Doc Flynn Landed Him One in One of His Little Impromptu Jigs.

It was so funny about our own Jerry McCarthy last night. Jerry had been told a hundred times that the dancing two-step figure he does occasionally would result in a fast man getting him. Last night he two-stepped in the Waukerville style, and Flynn landed him one on the nose. Jerry is too big and too well preserved for Flynn to do anything with in a business way, but it looked good to see Jerry get that one punch.

HAWKINS SAYS HE'S QUIT

Thinks He Has a Hoodoo on and Will Not Again Enter the Ring.

"I'll never fight again," said Dal Hawkins last night at the Butte hotel after Sam Goodman had told him he wouldn't back Clifford again. "It's no use talking to me. I've got a hoodoo on. I had Clifford licked, and then I got it. "So you did," said Goodman; "but it was pure luck."

"Well, you needn't talk to me any more," said the former coast champion. "Here, Flynn, you can have those sweaters and the training outfit. I'm up against a bad game, and I'll never go into the ring again."

LOSS OF GAME WAS TOO MUCH

Result of a Baseball Contest Turns a New York Man's Brains.

It is not often that one hears of the result of a baseball game being responsible for a man going insane. The news comes from Mount Vernon, N. Y., that the loss of a baseball game which was played between teams composed of the office employees of the Westchester Lighting company of Mount Vernon and its parent concern, the United Gas Improvement company of Philadelphia, is responsible for wrecking the mind of Charles Kneen, the town clerk of Pelham, and causing him to desert his wife and family and wander away from home.
