LANKY BOB WILL BE AT THE MARGARET THURSDAY

Former Champion of the Prize Ring the Star in "The Honest Blacksmith"—A Tremendous Hit.

[SPECIAL TO INTER MOUNTAIN.] Anaconda, Oct. 13.—Bob Fitzsimmons, the "grand old man" of the prize ring, champion of the world's heavyweight pugilists, and today probably the most popular knight of the padded mitts before the public will be at the Margaret Thursday night.

Fitzsimmons is starring this season in the play entitled "The Honest Blacksmith," which has created such a furor wherever it has been produced. Lanky Bob is, of course, the center of attraction, and his bag punching and sparring are the principal features of the show, but he is supported by a capable company of actors each of whom is acceptable in parts more or less small.

The story of "The Honest Blacksmith" is an interesting one and never fails to please the audience. Although a melodrama it is generously sprinkled with funny sayings and clever witticisms which keep the house in a continuous uproar. Fitzsimmons and his company have been playing to packed houses wherever they have appeared, and it is likely that the engagement at the Margaret this week will prove a record breaker in point of attendance.

ANACONDA LABOR UNIONS WILL DO ALL THEY CAN

Plans Under Way to Send Substantial Aid to the Striking Miners in the Pennsylvania Fields.

[SPECIAL TO INTER MOUNTAIN.] Anaconda, Oct. 13.—Citizens of Anaconda will do all in their power to help the striking miners in the anthracite coal regions of Pennsylvania. Yesterday the committee of fifty appointed at the mass meeting held Thursday evening, met in Silver hall and took action which will probably result in raising considerable money to aid the striking miners.

Dr. H. W. Stephens was chosen chairman of the meeting in the absence of Judge M. J. Fitzpatrick, the regular chairman of the committee. A committee of six was appointed to solicit aid from the local labor unions. Mrs. Justine Peckham, treasurer of the central labor council, was selected to care for the funds that will be collected. Addresses outlining the struggles of the miners in the coal regions of Pennsylvania were delivered by the following: F. V. Hurley, M. J. Fitzpatrick, J. Rordan, J. McDonald, Miss Geddis, Frank Carlen and J. C. Haggerty.

[SPECIAL TO INTER MOUNTAIN.] Anaconda, Oct. 13.—D. U. McFarland, who has been employed as a switchman on the air line at the new works, is at St. Ann's hospital, suffering from several bruises, the result of an accident which occurred yesterday morning while employed at his engine.

McFarland was standing on the footboard of his engine, which was being run through a portion of the converter building, when the engine either got beyond control of the boy who was engineer, or was simply running fast enough to give a sudden jolt, so that McFarland was thrown off, and, being caught between the footboard and the track, was pushed along the rails ahead of the engine for 100 feet.

HORRIBLE SUICIDE DISCOVERED

Theodore Knopf Found by His Wife Lying in a Pool of Blood at Their Home on Walnut Street—No Cause For Deed Known.

[SPECIAL TO INTER MOUNTAIN.] Anaconda, Oct. 13.—One of the most sensational cases of suicide in this city was brought to light yesterday when Mrs. Theodore Knopf discovered the body of her husband lying in a pool of blood on the floor of the kitchen in their home at No. 60 Walnut street. It was evident that the man had committed suicide, his razor with which he cut his throat across almost severing the head from the body, being found in the basin of the sink. Blood covered the floor in a stream and the corpse presented a ghastly appearance. There was evidence that the man had attempted to set fire to the house before committing his rash act and but for the gust of blood which flowed onto the ignited pile of papers in the corner of the room, extinguishing the blaze, the flames would undoubtedly have destroyed the dwelling.

Knopf had been drinking heavily of late and had lost his position at the brickyard here on account of his drunken condition. When sober he was considered one of the best workmen at the plant but his pericardial sprees made his services an uncertain quantity. Knopf was a German, hailing from Baden. He was about 45 years of age and had been in this country for 25 years. He owned the house and lot at 604 Walnut street and was a member of the A. O. U. W. lodge in which order he carried insurance to the amount of \$1,500. It is not known what was the definite cause for the rash deed, but it is supposed that the man was despondent over the loss of his position. He leaves a wife and five small children, the oldest of whom is 10 years. The coroner will hold an inquest to-day.

She was accompanied by Sister Charlene, who has been visiting at St. Ann's.

Sister Alphonsine had a host of friends here, and her absence will be sincerely regretted. She will be succeeded by Sister Mary Agnes, who was stationed at St. John's hospital at Helena for 26 years.

GEORGE H. SEWELL INJURED

Carpenter at New Works Hit by Compressed Air Engine.

[SPECIAL TO INTER MOUNTAIN.] Anaconda, Oct. 13.—George H. Sewell, a carpenter employed at the New Works, while crossing the railroad tracks at the smelters yesterday was struck by one of the dummy compressed air engines, which whirled rapidly by him.

He was knocked down and a severe gash cut in his forehead, but suffered no serious results, other than a fractured rib. Had Mr. Sewell been but a few inches further toward the center of the track the accident would no doubt have resulted fatally.

THEY ARE STILL LUGGING 'EM

Fellows Up at the Smelter Have Not Been Able to Throw Buckets Away.

[SPECIAL TO INTER MOUNTAIN.] Anaconda, Oct. 13.—Last week the employees in the general office at the New Works were bolstered up with the hopes that as soon as the new street car tracks was completed to the top of the Washoe hill they would once more be allowed to come to the city for their midday meal, and be able to throw away their lunch buckets.

It proved to be a false hope, however, and they are still carrying the little package under their arm every morning.

C. CRITTENTON HAS GIVEN HALF A MILLION DOLLARS

Rev. Dr. C. S. Mason Tells Anaconda Congregation of Great Work Done by a Noble Man.

[SPECIAL TO INTER MOUNTAIN.] Anaconda, Oct. 13.—Methodists, Baptists, Presbyterians and Christian congregations met in the union at the Methodist church last evening to listen to the sermon of the Rev. C. S. Mason of Washington, D. C., in the interests of the Christian mission.

Dr. Mason preached an able sermon on "Twenty Years in Rescue Work." In the course of his talk he told of the magnificent work that had been done by Charles N. Crittenton, who had already given over \$500,000 for the prosecution of Christian mission work. Others are recognizing this great work and coming to its assistance with money and enthusiasm.

Dr. Mason pleaded with his hearers to give their individual encouragement to the work, for he believed that a great deal more activity was needed to accomplish the ends desired.

NEW ORLEANS STREET CAR MEN TO GO BACK

Ordered to Take Out Cars by Officials of Unions—Sort of an Agreement Reached at Last.

[BY ASSOCIATED PRESS.] New Orleans, Oct. 13.—Although an agreement was reached last night between the New Orleans Street Railway company and its striking motormen and conductors, whereby the latter agreed to return to work this morning, there was some delay in resuming traffic today, over a demand that the strikers, on returning to work, sign new applications for places, which were to be referred to persons who would pass upon the eligibility of the applicant and which some of the employees declared would give the company to reject any man they desired.

After a conference between the officials of the carmen's organization and the company's representatives, the applications were withdrawn and the men were ordered to take out the cars, though it will be impossible, on account of the condition of the tracks and wires, to resume the full service.

FITZ WILL TAKE ON A LOCAL MAN

(Continued from Page One.)

Fitz to return to Butte Wednesday and take on some other man while his sparring partner went against another. This offer was accepted and everybody in Butte will be afforded the opportunity Wednesday night of seeing the "grand old man" go at it in earnest.

As yet arrangements are not completed with reference to the bouts. Frank Dunn has consented to go in one contest and there are several big fellows anxious to attain glory by mixing it with the lanky one.

Will Have Lively Time. Whoever man is selected will have just about the liveliest time of his life, although Fitz has promised faithfully to be a gentleman and land no solar plexus blows or rib or nose breakers.

The regular performance will be given in connection with the bouts and the latter will be conducted as to insure the proper reception of ladies, of whom there will undoubtedly be a great number to see the lanky one go in earnest.

Another feature of the performance Wednesday night will be the presence of the Butte baseball champions. Manager Clark Ball wired yesterday to McCloskey in Spokane inviting the champions to attend the extra performance and last night received a wire from the Marys announcing their arrival here tonight and their intention of going to the Broadway in a body to greet Fitzsimmons as only our own champions can.

It looked good to the sports of Butte when the announcement of the match was made and preparations went on for a big fistie event.

The making of the match came through the jests in the Inter Mountain about Fitz wanting some local man to box with him. King, who is undoubtedly the biggest man in Butte, and probably the strongest, took the offer in earnest and immediately challenged the big fellow.

At first the challenge was taken as a joke, and Fitz and his manager treated it as such.

King Means Business.

Later it developed that King was in deadly earnest, and as it was plainly apparent that Fitz, with his immense following in Butte could pack any opera house in the city by consenting to appear for a sparring match, it looked good to the Cornishman. "I'll take him up," declared Fitzsimmons, "and I only hope he can fight. I don't care how big or strong he is. The only thing I want to know is whether he knows anything about the game. I wouldn't, under any circumstances, go on with a man who doesn't know the boxing game, because I wouldn't be a party to a fake or rob the people and my many friends in Butte with a poor exhibition such as a novice would force me to give."

"You can say for me that I will take on King, winner take all; will pay him \$1,000 to stay four rounds with me, or will give him 25 per cent of the gate receipts. I've never done that before, but I love Butte, and I would like to return the many favors done me by the hundreds of friends I have in this city and who have treated me so royally."

Ball Consented to Match.

The matter was referred to Manager Ball last night, and he consented to allow Fitz to go on with King. The manager stipulated only that it must be at a time which wouldn't interfere with the regular performance.

It was finally arranged that Fitzsimmons should return to Butte next Wednesday to meet King after one or two preliminaries between local boxers. This plan took, and then came a split over the question of percentages.

The representatives of King insisted upon 40 per cent of the gate receipts, but this was refused by Fitzsimmons.

"I won't go on for 40 per cent," declared Fitz, as he took up his hat to go. "You can have 25 per cent, or there'll be no contest. I'm the drawing card, and I'm taking chances of getting hurt by that big fellow and not being able to go on with my show. I don't know King, but I saw him at the show the other night, and he's too big for me to take chances with without getting my share. Take it or leave it."

The precincts of the station and the route to the hotel were thronged with spectators who heartily cheered the generals, although the crowds present and the enthusiasm manifested were nothing like the assemblages and demonstrations witnessed on the occasion of Mr. Krueger's arrival here two years ago.
