

KING SPORT HELD SUPREME SWAY ON DAY OF THANKSGIVING

MOSE LA FONTISE IN TRAINING

Word Comes From Boulder That He Is Doing the Same Old Stunts and a Few New Ones--Willie B. Goode's Up-to-Date Comment.

I received a letter from the trainer of Mose Lafontise at Boulder Springs and he backs up the story recently published that Mose is going in for a society swell. In speaking of his training, Patsy says:

"Mose is drilling every day and it's surprising the amount of work he does. He never tires and he'd do twice as much if I didn't stop him. Needless to tell you the routine, as it's the same old gag, with the exception that he's sawed all the wood in this part of the country.

"Mose goes shooting every day for an hour or so, and he's getting to be a crack wingshot. He says it's murder to shoot anything sitting. He bags a rabbit or a chicken occasionally and the cook fixes them up for him. The other day a couple of fellows who were hunting killed two grouse and sent them down to the kitchen to be cooked. Mose and I were the first at the table (as he's always hungry) and on this particular night the waitress, who, by the way, had seen the chickens in the kitchen, said: 'Mr. Lafontise, do you wish your chickens cooked tonight?'"

"Of course Mose was taken by surprise, but he recovered instantly and said, 'Certainly.' 'Well, we had grouse for supper all right, but we ate in a hurry, because we didn't want those other guys to catch us, and just as we finished they came in and we ducked. No, the waitress didn't lose her job, but the other fellows told her a thing or two.

"The hum thumb is as good as ever and won't trouble him in the least. Tonight we are going to a ball. I send you his latest parlor song, which is so rotten that it is more than funny."

Biddy Bishop writes me that he is still anxious to bring Herrera to Butte for a match and that he will hold the Mexican scrapper until an effort has been made to secure a match here. I judge Clifford has been unable to do business on the coast, but he isn't at this time being considered.

Herrera the other day knocked out Caesar Attel in two rounds at Point Richmond, Cal.

Parson Davies is willing to send Kid Broad to Butte if a match can be made with Herrera, and it may be that this deal will go through shortly after January 1. If the match is made it will be for a purse, as there is considerable talk about the respective merits of the two lads.

By the way, it's just another exemplification of the rule that one must go away from home to hear the news or to get honors as a prophet.

When Sam Karp's All-Americans were

here I spent two or three hours with Captain Al Selbach dragging a good description of bowling out of him as a lesson for beginners and amateurs. Al's remarks were greatly appreciated by the Butte bowlers and the interview was copied everywhere except in Butte at that time. Up in Chicago Brunswick-Balke-Collender framed the interview, together with a picture of Selbach, and are using it as an endorsement of the Thornton alleys which were put in by "Pat" Kern.

That was a month ago, and the story went the rounds, to come back to Butte again this morning and to be published in the Standard without credit and practically as original matter. Nothing like knowing a good thing when you see it.

They tell me there never was a dog fight in the state like the one which attracted several hundred fanciers of chickens and dogs to the usual resort down on the flat last night. The battle between the two dogs lasted for 2 hours and 24 minutes and most of the time the victor was down, but fighting gamely on his back.

The winner was "Dartmoor Dan" and the loser was Pickett's famous "Karl." There were \$300 a side bet by the owners and over \$1,000 was wagered on the dogs, most of it going at 7 to 10 against "Dartmoor."

Both dogs came to weight, 36 1/2 pounds, and the only scratch was made by "Dartmoor" at the end when "Karl" lay out of the fight.

"Karl" cost his owner \$700 and was supposed to be the greatest fighting dog in his class in the state. "Dartmoor's" owner found his dog in Dublin Gulch and expended \$2 on him. The battle ended with the blooded loser carried out in a dying condition.

There were two chicken fights before the main event and, taken altogether, the fanciers of this kind of sport had a genuine good time, except when they lost their money on poor pickings.

The football game scheduled between Anaconda and the Butte Elks was not played, as the Anaconda team failed to materialize. No explanation has been received as yet from the smelter town.

Beginning next week Friday afternoons will be set apart for the ladies at the Thornton alleys, and all lady bowlers in the city will be permitted to roll without charge. The innovation is for the purpose of getting all of the good bowlers among the ladies to practice in order that a couple of good teams may be picked out.

FORT SHAW INDIAN GIRLS TOO FAST FOR HIGH SCHOOL LASSIES

Butte went down to defeat in the basketball game at the Auditorium last night between the Indian girls from Fort Shaw and the high school team. Although older and more practiced players, the high school girls could not stand the fast pace set by the Indians, especially in the second half, and the result was a score of 15 to 9 in favor of the Indians.

The Fort Shaw girls were practically new at the game, having had but eleven days of practice, mostly under book coaching. For this reason there were repeated fouls called by Umpire Professor P. J. Corcoran in the first half, which aroused

made the basket, but on another foul missed the throw. A third foul gave another basket to the home team. The Indians made a basket in a rush, but it was not allowed, and Ono Proebstel scored for the high school. Another foul brought another basket and the audience roared its disapproval of the umpire's decisions and rooted for the Indians.

The second half was the most exciting. The Indians had been coached on the fouls and plays during the intermission and they went to work at a pace which the locals could not stand. The system

and then the fast players again became the guests of the Butte students, who gave them a royal good time. The score was as follows: Butte—First half, 7; second half, 2. Total, 9.

Fort Shaw—First half, 5; second half, 10. Total, 15.

Umpire—Professor P. J. Corcoran. The line-up was: Indians—Josephine Langley, Nettie Wirth, Emma Sansavere, Belle Johnson, Minnie Burton. Buttes—Floyd Patterson, Jessie Hickox,

the audience, many of whom believed favoritism was being shown, until an explanation was made. The room was filled with spectators, the crowd being the largest ever attending one of the games. Before the game was called the Indian girls gave an exhibition in club swinging to Indian music which was highly appreciated by the big audience.

In the first half Belle Johnson, for the Indians, made a basket after four minutes of fast playing. She made a flying throw again and this set the high school girls to work in earnest.

A foul was called and Vera Ledwidge

playing of the Indians was perfect and they went through the local line with ease, making basket after basket amid the impartial cheers of the crowd.

In this half Vera Ledwidge was injured and rendered unconscious through colliding with Nettie Wirth of the Indians. Both girls fell with force enough to break in the door of the dressing room. Miss Lee was substituted in the high school team.

Jessie Hickox made a field throw in the half, the Indians making five throws from the field. The Fort Shaw school yell was given by the Indians after their vic-

Ona Proebstel, Vera Ledwidge, Maude Bray and Miss Lee, substitute.

As a mascot the Fort Shaw girls brought along a little Chippewa boy, named Lone Calif, who was dressed as a chief, with feathers and paint.

After the game the visitors were tendered a reception at Pythian castle, where dancing and music and recitations were given.

The patronesses were Mrs. J. R. Russell, Mrs. Sam Johnstone, Mrs. J. S. Hammond, Mrs. D. J. Hennessy, Mrs. F. Harrington, Mrs. S. R. Fair, Mrs. D. Gillis and Mrs. J. M. White.

FARMERS DEFEAT UNIVERSITY BOYS

SUPERIOR WEIGHT AND TEAM WORK GIVE AGRICULTURISTS VICTORY. BY SCORE OF 30 TO 0.

SPECIAL TO THE INTER MOUNTAIN. Missoula, Nov. 28.—It was a one-sided game of football that was played here yesterday between the University of Montana and the State Agricultural college. The local team put up a great fight against odds but weight and superior knowledge of the finer points of the game triumphed. The bit crowd on hand to witness the Thanksgiving game cheered the good plays of the locals and visitors alike. Once the university boys came near scoring a touchdown, being within a few feet of the goal, and then it was the great crowd went wild with enthusiasm. Fate decreed otherwise, however, and it was not long before the ball was once more bound for the visitors' goal.

The first half ended with the score 22 to 0 in favor of the Bozeman team. The sturdy players of the Agricultural college team had little trouble in puncturing the line of the university at will. There was nothing to it but Bozeman. Flaherty and Ray figured in some fine plays. Hay and Walters did good work for Missoula. Missoula showed up stronger in the second half, and the defensive work of the home team was creditable in the extreme. Bozeman found it more difficult to get through the line and only two touchdowns resulted in the closing half, Flaherty making both the touchdowns. The final score stood 30 to 0 in favor of Bozeman. The teams lined up as follows:

THE MOTHER OF GREAT MEN.

[London Graphic.] Between the blue of inland seas And sunset's golden glare She sits among her fertile farms And weaves the web of state. The weft and warp of power and fame Slip smoothly through her hands; The whirring of her busy loom Is heard in distant lands.

Forth from her log-built cabin door, With running roses red, Full many a sturdy son has gone The nation's hall to tread; So when on fame's immortal scroll You place the good and great, Among the Union's glorious names Write high the Hoosier state.

CARLISE INDIANS WIN FROM GEORGETOWN TEAM

Red Men Score Decisive Victory Over White Brothers by the Score of 21 to 0—The Features.

SPECIAL TO THE INTER MOUNTAIN. Washington, Nov. 28.—The Carlisle Indian football team yesterday scored a decisive victory over Georgetown university by the score of 21 to 0. In the first half the two teams struggled with honors about even and the game promised to be a close one. Carlisle took a spurt with the opening of the second half, however, and the score commenced to pile up. Parker made the first touchdown. His work was decidedly the feature of the day. He carried the ball backward and forward at will and practically slumped interference. Johnson, the quarterback, and Charles, the fullback, also figured in a number of fine plays. Both men were good at hurdling and were responsible for touchdowns.

The Indians outplayed Georgetown at almost every stage of the game.
