Last night's meeting of Silver Bow lodge No. 240, B. P. O. E., was in many respects a memorable session. Officers for the ensuing term were elected, business of importance to the future of the organiza-

ance and no small amount of interest shown in the business in hand.

There was an extended discussion of the steps being taken to erect an Elks' building in Butte. The members are taking a keen interest in the success of the undertaking which, when carried out, will give Butte the finest Elks' headquarters in the Northwest. Among the officers elected last night were the trustees of the new building association, men who it is no exaggeration to say will carefully attend to the responsibilities with which they are clothed.

The election of officers resulted as follows:

TEXT OF THE IRISH LAND BILL AS PROPOSED BY MR. WYNDHAM

Power of Commissioners and the Restrictions Under Which They Are Compelled to Operate.

BY ASSOCIATED PRESS.
London, March 27.—The text of the Irish land bill, which was introduced in the house of commons by Secretary Wyndham Wednesday, was given out today. It occupies 39 pages of a parliamentary paper and bristles with technicalities.
The full wording reveals many important features which were not mentioned in Mr. Wyndham's speech when the bill was mentioned.
All arrears in rent due at the time of

the purchase of land are recoverable by the land commission and not the arrears for a year only, as previously cabled. The land commissioners are not permitted to purchase estates which are not mainly agricultural or pastoral; thus Killarney is exempt under this clause. In the case of untenanted estates purchased by the commissioners they are empowered to inspect the necessary work of improvement, which tremendously enlarges the scope of the commission's expenditure.

After the lodge had transacted its business there was an enjoyable social session. One of the pleasant features of the session was the presentation of a handsomely engraved silver honorary life-membership card to John N. Kirk, the retiring exalted ruler. The speech of presentation was made by C. F. Kelley, who in a happy

blending of humor and seriousness expressed to the recipient of the gift the high esteem in which his brother Elks held him, as evidenced by the honor conferred. Mr. Kirk came in for merited praise upon the efficient manner in which he had administered the affairs of the position of exalted ruler.
Mr. Kirk was visibly affected by the incident. He most feelingly thanked his brother Elks and the speaker for the splendid tribute of their esteem and assured them that time could never efface the recollection of the event.

work. It was executed by a local jeweler and is a work of art. The name of the recipient, the lodge and the officers are engraved upon the card. The card is enclosed in a handsome plush case.

CUTICURA PILLS

For Cooling and Cleansing the Blood and Skin

In Cases of Itching, Burning, Scaly Humours, And for Renovating and Enriching the Blood.

The Best and Most Economical Yet Compounded.

Cuticura Resolvent Pills (chocolate coated) are the product of twenty-five years' practical laboratory experience in the preparation of remedies for the treatment of humours of the skin, scalp and blood, with loss of hair, and are confidently believed to be superior to all other alternatives as well as liquid blood purifiers, however expensive, while enabling all to enjoy the curative properties of precious medicinal agents without consuming needless expenses and often injurious portions of alcohol in which such medicines have heretofore been preserved.
Cuticura Pills are alternative, antiseptic, tonic and digestive, and beyond question the purest, sweetest, most successful and economical blood and skin purifiers, humour cures and tonic-digestives yet compounded. Medium adult dose, one pill.
Complete external and internal treatment for every humour may now be had for one dollar, consisting of Cuticura Soap, to cleanse the skin, Cuticura Ointment, to heal the skin, and Cuticura Resolvent Pills, to cool and cleanse the blood. A single set, costing but one dollar, is often sufficient to cure the most torturing, disfiguring skin, scalp and blood humours, eczemas, rashes, itchings and irritations, with loss of hair, from infancy to age, when physicians and all other remedies fail.
