

Green's Big Sale

At Hennessy's Biggest Store in Butte Begins Thursday Morning, April 9th, at Nine O'Clock

Like Our Spring Opening That Started Tuesday Afternoon and Which Will Be Continued This Afternoon With All the Attractive Features Advertised for the Reception of Last Evening, This Green Ticket Sale Will Surpass in Every Respect Any and All Sales Ever Started by This or Any Other House in the State. But More of This Tomorrow. At our opening this afternoon Bergstrom's orchestra will entertain with the program named for last night. The Ladies' quartet will render charming selections on the first and second floors. The harp and violin orchestra that proved a big drawing card will be with us. With every purchase in the afternoon we will give one of Russell's famous cowboy pictures, and between the hours of 2 and 4 o'clock we will hand to every lady visitor to our oriental tea on second floor a ticket that will entitle her to a Japanese cup and saucer. We ran out of these yesterday, but have wired for five thousand more, and expect them within a week. Notice our window display.
