

READ AND GROW WISE.

HEED AND GET RICH.

WALLACE & THORNBURGH,

Real Estate, Mortgage Loans and Insurance,

HELENA, MONTANA.

To the Rich Who Wish to Become Richer, and to the Frugal, Who, By Economy, Have Saved Small Sums of Money that They Wish to Increase, We Respectfully Submit the Following:

FACTS:

FACTS:

ONE OF HELENA'S MOST PROMINENT AND INFLUENTIAL citizens placed in our hands for investment in March, 1888, \$2,500. We purchased with this money lots in the Grand Avenue Addition, and a statement rendered August 1, 1889, shows a net profit of \$5,000.

A RAILROAD ENGINEER gave us in May last \$400 to invest in Helena Realty. We purchased four lots in the Flower Garden Addition. These lots were all sold by August 1, and the net profit to the investor was \$335.

A BOOK-KEEPER invested through us \$250 in two lots north of the railroads. This purchase was made in April last. The lots were sold through us in July. Net profit, \$165.

WE BUILT A DWELLING on the East Side for a gentleman seeking a permanent investment, and upon the completion of the house leased it for him. This investment yields over 20 per cent. net per annum. The above facts are only a few of many such instances.

FINALLY, we handle entire additions and put improvements upon

the property we handle. The total number of houses we have built since January 8, 1889, together with those now under contract, amounts to 95. The prospects of Helena to-day are far brighter than they have ever been, hence the opportunities for profitable investment were never better.

WE APPEND a few of the most promising investments we have to offer:

- \$7 per front foot for 750 feet in the Flower Garden Addition.
\$4 " " 500 " " Hershfield Addition.
\$12 " " 200 " " Grand Avenue Addition.
400 front feet in Beattie addition.
\$200 per acre for 100 acres near city limits.
1 new dwelling on Blake Street.
2 new dwellings on Eighth avenue.
8 new dwellings on Ninth avenue.

INTO THE WATER.

A Preacher who Objected to the Bathing Costume of Two Girls Ducked by Their Friends.

A Golden Opportunity Which the Reverend Gentleman did Not Take Advantage Of.

His Hat Jammed Over His Eyes. Four Sturdy Young Men Carry Him Out Into the Surf.

Atlantic City (N. J.) Special: It has just come to be generally known that the strict regulations formulated at Asbury Park regarding the proper bathing suit which ladies should wear did not find favor at this place, and the friends of two young ladies who were lectured on Sunday for their alleged immodesty of attire took summary vengeance upon the teacher of public morals.

Early in the afternoon Mr. Wilkins, array of linen and a glossy silk tie, sauntered leisurely down the strand toward the lower end of Atlantic City. Being a gentleman endowed with most correct ideas of propriety in dress, he was shocked as he approached Boyler's bathhouse at the foot of Arkansas avenue.

With a serious look on his face, Mr. Wilkins approached the young damsels, and without any prelude proceeded to deliver a lecture to them. Houding out his index finger, he wainly said: "Young ladies, do you know it is very improper to take a swim, to wear such bathing suits? Do you think you should present such an appearance in the face of so many people? Lodge now accept this golden opportunity and give to each of you a few words of advice."

While the lecturer was laying down his points four athletic young men who happened to be the escort of the two girls, and who had left them shortly before to take another plunge, stroled up toward the spot and overheard the remarks of the earnest-looking gentleman. Carrying their burden out into the surf until the water was up to their waists, the four young men proceeded to give the moralist a series of duckings, then they took him out, rolled him in the sand and let him go. The young men were calmly awaiting arrest at last accounts.

Paradise Valley's Belle.

Virginia City Enterprise: Miss Johannah Kemler, a Belle of Paradise valley, Nev., has set out for Paris. She rides any animal that wears hair and hoofs, and cares no more for a saddle than does a wild Indian. She is as much at home on the side of a galloping steed as on his back. With her horse at full speed she can pass

under his neck and come up on the other side, a feat that few Comanches care to undertake.

"Some years ago Ayer's Cherry Pectoral cured me of asthma after the best medical skill had failed to give me relief. A few weeks since, being again troubled with the disease, I was promptly relieved by the same."—F. S. Haasler, editor Argus, Table Rock, Neb.

Cholera in Michigan.

Dr. F. D. Larke, of Rogers City, Mich., says the epidemic of last year in Presque Isle county, in which so many persons lost their lives, was choleric dysentery instead of cholera as first reported. He used Chamberlain's Colic, Cholera and Diarrhoea Remedy and says it succeeded, where all other remedies failed. Not a single case was lost in which it was used. This remedy is the most reliable and most successful medicine known for colic, cholera, morbus, dysentery, diarrhoea and bloody stools, and 25 and 50 cent bottles for sale by H. M. Parthen & Co.

Cure For Piles. Itching piles are known by moisture like perspiration, producing a very disagreeable itching after getting warm. This form, as well as blind, bleeding and protruding piles, yield at once to the application of Dr. Josselyn's Pile Remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the intense itching and effecting a permanent cure.
