

THE PEOPLE MUST KNOW

DO NOT FEAR THE FUTURE

While There is at Least One City in Montana with Plenty of Good Water, Free from Alkali.

FURTHER INVESTIGATIONS.

A FEW SPRING FACTS.

Recent estimations have shown the fact that the water supply for fire and domestic purposes in the city of Missoula is unlimited.

Rattlesnake creek is the original name given to a large mountain stream, the source of which is about forty miles north of Missoula in the main range of the Rockies, and from there it winds its way through a narrow canyon, gaining strength and size until at the Garden City it plunges into the Missoula river and thence on to the Pacific ocean.

Spring has come and the trees are budding, wild flowers are in bloom and the green grass is springing up everywhere (except in the streets). Plenty of snow in sight, but it is many miles off, on the tall peaks of the Rockies, and serves only as a cool reminder of the past winter.

The great natural resources of Missoula county are being developed rapidly, and hundreds of people from all parts of the United States are emigrating to this wonderful rich country.

By investing in Missoula real estate at the present time you will be sure to net a profit of at least 100 per cent in the next twelve months.

The Base Ball Season.

CHICAGO, April 17.—The American Base Ball association season opened to-day. Following are the results of the games, the home club being given first in each report:

Disappeared, but Not Dead. Kansas City, April 17.—Henry Graves, a traveling salesman, stated to Chief of Police Speers to-day that in July, 1887, he saw, at Los Angeles, Cal., William C. Wrightman, for whose alleged murder, in 1880, James Sherman was arrested at Springfield, Mo., a day or two ago.

Old Tecumseh's Birthday.

New York, April 17.—The seventieth birthday of Gen. Sherman was royally celebrated with a handsome reception tendered him by the League club.

It Was a Joke.

KANSAS CITY, April 17.—The cut in Denver passenger rates yesterday by the Rock Island and Missouri Pacific was on account of a Santa Fe man seeing a Rock Island agent around the offices and as a joke he posted in a window a card reading "Denver, Mo." At the sight of the card the Rock Island agent hurried back to his office and before night a \$6 rate to Denver had been made.

Gen. Alger and Mrs. Logan.

DENVER, April 17.—The eleventh annual encampment, department of Colorado and Wyoming, Grand Army of the Republic, met here to-day with several hundred delegates in attendance.

CAYUSE LEADS WARHORSE

In the Race for Plunder Tom Power Outstrips Col. W. F. Sanders.

Both Move to the Vicinity of Their Fellow Republicans.

The Recollection of the Righteous Jacketing Administered by Turpie May Have Induced the Move.

WASHINGTON, April 17.—[Special.]—Before the hour of meeting of the senate to-day, the two brand new desks at which Messrs. Sanders and Power, the fraudulent senators from Montana are to sit, were taken from the democratic side and placed in the rear row on the republican side.

Under the terms of the resolution presented in executive session yesterday by Hoar, Sanders and Power were assigned by lot to the classes of senators whose terms expire in 1893 and 1895 respectively.

IN THE SENATE.

Hoar Admits the Sham Pretense of Republicans to Reform.

WASHINGTON, April 17.—Among the bills introduced was one by Hoar, proposing an amendment to the constitution for the election of senators by the vote of the people.

The senate bill, appropriating \$20,000 for the improvement of the military reservation known as Fort Walla Walla, Washington, was passed; also the house bill for the appointment and retirement of John C. Fremont as major general of the United States army.

The house bill to transfer the revenue cutter service to the treasury to the navy department was taken up.

Sherrman opposed the bill, which was laid over, and the senate proceeded to consider the joint resolution for the appointment of thirty medical examiners for the pension bureau without reference to civil service law.

This precipitated a breezy political debate, Cockrell taunted the republican senators with a lack of sincerity, and said the commissioner of pensions is tramping under foot the civil service law and rules approved by the president, in which he is aided and abetted by the secretary of the interior.

Plumb hoped the senator from Massachusetts would limit his confessions to himself and comment upon the combination which seemed to exist between the democratic party and the senator from Massachusetts.

Working for Washington. WASHINGTON, April 17.—[Special.]—Senator Allen to-day introduced a bill to increase the compensation of inspectors of hulls and boilers in the Puget Sound district from \$300 to \$1,200 per annum, the same as paid to those in the Willamette district.

Another Sioux Pow-Wow. FREMONT, S. D., April 17.—Through the efforts of the Indian Rights society, another big pow-wow has been called by the big chiefs of the Sioux nation, to reconsider the final action on taking lands in severalty, as provided by law.

Didn't Intend to Kill.

CHICAGO, April 17.—Before the coroner's jury to-day Mammie Starr, poisoner of the Newland family, repeated her story and asserted that she did not intend to kill the family.

Coming in Under Contract.

New York, April 17.—It was discovered this morning at Castle Garden that 1,403 French and Italian immigrants on board the steamship Cachemere, a majority was bound for Pittsburgh under contract.

The Young Man Set Upon.

MILES CITY, April 16.—[Special.]—R. B. Harrison, son of the president, and secretary of the Montana Stock Association, made an attempt at the stock meeting here to-day to have the association pass a resolution favoring a tariff on hides, but was set down upon.

pack mules for the use of scouts, \$1,200; five riding horses for scouts, \$600; ten packing outfits, \$400; five riding outfits, \$300; thirty-eight tons of hay, \$646; twenty-seven tons of grain, \$675.

Revenue in Excess of the Estimates, With a Large Surplus.

WASHINGTON, April 17.—[Special.]—Word has been received in this city that the recent order of Secretary Noble for a hearing to determine the status of a valuable tract of land in Spokane Falls has been followed by a good deal of excitement and rush to get in on the ground floor.

Wants to Keep His Place.

WASHINGTON, April 17.—[Special.]—The house committee on irrigation to-day listened to a long address by Major Powell, who is making an earnest effort to retain control of the irrigation expenditures.

Hopefully Apart.

The house and senate republican caucus committees are hopefully apart on the silver question. After the last ineffectual meeting of the joint sub-committee, the house contingent reported the full committee's failure to agree.

Naval Appropriations.

The house committee on rivers and harbors to-day completed its appropriation bill. The total appropriation is a little over \$20,000,000.

National Capital Notes.

The house met and adjourned out of respect to Randall, whose funeral is taking place.

In the case of A. H. Lyman vs. Wilhelm Ellery, the department to-day decided that an alien who had declared his intention to become a citizen at the date of his entry, but who made final proof and received certificate before taking out his final naturalization papers, can cure the defect by becoming naturalized afterward, so as to deprive the alien of the right to sue.

Representative Carter has introduced a bill applying to the provisions of his bill for a re-examination of the mineral lands within the indemnity belt of the Northern Pacific grant.

The river and harbor bill authorizes a survey of the Missouri river between Great Falls and Stabb's Ferry, in the state of Montana.

Senator Plumb presented a resolution of the Newton, Kansas, Board of Trade, protesting against the imposition of any duty on ores containing lead imported from Mexico, and favoring the negotiation of a reciprocity treaty with that country.

Foreign Flashes.

Riotous coal miners at Ostran, Moravia, have compelled complete cessation of work. Troops are guarding houses occupied by the miners as willing captives.

The executive committee of the United Guilds of Berlin requests members of the guilds to warn workmen who propose to take part in the labor demonstration on May 1st that they will incur the risk of losing their places if they do so.

The imperial palace at Oranienbaum, twenty miles west of St. Petersburg, was burned. Seven servants were burned to death.

The widow of an army officer in dire want became discouraged, at Moscow. She and five daughters locked themselves in a room and turned on the gas. They were asphyxiated.

The steamer Euclid was sunk near Harlepool in a collision with the steamer Altyre. The captain and three of the crew of the Euclid were drowned. The Altyre has arrived at Shields.

Albert Leopold Bonaparte, claiming to be a descendant of the great Corsican, arrived at Montreal a few days ago. Last night without provocation he shot a policeman and was arrested. The policeman will recover.

The corner stone of the new federal building in Piedras Negras was last night dislodged and the contents, consisting of coins, plans and relics, were stolen by Mexicans.

The Mexican man-of-war, Democrita, sailed from Mazatlan Monday under secret orders. She has 300 soldiers aboard.

A detective employed by the Dominion government has been specially engaged the last three months between the Pacific coast and Winnipeg looking into the opium smuggling business. This is the main pillar upon which the Winnipeg drug sept overland from Victoria finds its way into the United States.

THE BUDGET AND BEER.

Goschen Presents the Chancellor's Report to the House of Commons.

Revenue in Excess of the Estimates, With a Large Surplus.

A Universal Rush to the Beer Barrel, Spirit Bottle and Wine Decanter—Changes in the Customs Schedule.

LONDON, April 17.—Goschen, chancellor of the exchequer, presented the budget in the commons to-day. It shows that the expenses exceeded the estimates by £11,500, and that the receipts exceeded the estimates by over £3,000,000.

The total reduction of the national debt for 1889 reached the sum of £8,295,000. The amount, added to the reduction of the previous two years, made a round total of £23,325,000, the largest amount ever had in the reduction of the debt in the same length of time.

Postal receipts exceeded the estimate by £100,000. The revenue from telegraph exceeded the estimate by £30,000. The total reduction of the national debt for 1889 reached the sum of £8,295,000.

Turning from imperial to local finance he proposed to raise revenue for country council purposes by an increased duty of 9 pence a gallon on spirits and 3 pence a barrel on beer.

In reply to Muedella's complaint that nothing had been done for the cause of free education, Goschen promised that the subject would be taken up at the next session. He also hoped to deal with the currency question, but would reserve his opinion regarding the issue of pound notes.

Sexton said a gross injustice had been done Ireland and the Premier had resisted the government's proposals by means in their power. Formal resolutions were adopted authorizing the proposed increased duties.

A Gray Lothario.

LONDON, April 17.—An action for breach of promise and seduction has been brought against Sir George Elliott, member of the house of commons, by Miss Alice Heira. The defendant alleges that she had twice been enticed by the defendant and that she promised to marry her after he had seduced her.

A Chinaman's Predicament.

NIAGARA FALLS, Ont., April 17.—Three Chinamen who attempted to cross the frontier a short time ago were sent back by United States customs officers to-day. Two had Canadian customs certificates and were passed. The third had no papers and was sent back to the American side.

The report of the committee on arbitration was finally disposed of by the Pan-American conference this afternoon, although it is not certain that the Argentine Republic delegates will sign.

Senator Callum to-day presented a petition, signed by many citizens of Ohio, Illinois, Iowa, Wisconsin, Minnesota, Michigan, Colorado, Missouri, Kansas, Arkansas, Kentucky, Tennessee, South Dakota and Washington, praying that sugar, amber, salt, binding twine and materials entering into its composition be admitted free of duty and that a cut of at least 50 per cent be made on woolen, cotton and linen fabrics.

Senator Plumb presented a resolution of the Newton, Kansas, Board of Trade, protesting against the imposition of any duty on ores containing lead imported from Mexico, and favoring the negotiation of a reciprocity treaty with that country.

Another Sioux Pow-Wow. FREMONT, S. D., April 17.—Through the efforts of the Indian Rights society, another big pow-wow has been called by the big chiefs of the Sioux nation, to reconsider the final action on taking lands in severalty, as provided by law.

Didn't Intend to Kill. CHICAGO, April 17.—Before the coroner's jury to-day Mammie Starr, poisoner of the Newland family, repeated her story and asserted that she did not intend to kill the family.

Coming in Under Contract. New York, April 17.—It was discovered this morning at Castle Garden that 1,403 French and Italian immigrants on board the steamship Cachemere, a majority was bound for Pittsburgh under contract.

The Young Man Set Upon.

MILES CITY, April 16.—[Special.]—R. B. Harrison, son of the president, and secretary of the Montana Stock Association, made an attempt at the stock meeting here to-day to have the association pass a resolution favoring a tariff on hides, but was set down upon.
