

## OPENED WITH A VICTORY.

### Helena Begins the Base Ball Season by Defeating the Great Falls Team.

### Both Clubs Play an Excellent Game for the Championship Start.

### The Home Club Show Up Best in Batting While Honors Were Pretty Even on Fielding.

The base ball season may be said to have opened very auspiciously for Helena, the home players defeating the Great Falls team by a score of 11 to 4. Considering the fact that it was the first game of the season, and in view of the disagreeable weather, it was a very pretty contest. In spite of the seemingly overwhelming victory of the Helena club the two teams appear to be nearly evenly matched in fielding qualities, though the visitors were somewhat the weaker at the bat. The playing throughout, while not by any means faultless, was, however, very good. The visitor's one weak spot was behind the bat, where Menefee gave a very poor exhibition of throwing to bases. Some of this apparent bad throwing was doubtless due to the fact that the basemen let some badly fielded balls pass them which might at least have been stopped. Smith, for the home team, though playing an errorless game, showed poor judgment at times in gauging fly balls. His good batting atoned for his other shortcomings. Crotty's errors were mostly excusable, especially his fumbles of difficult balls to handle. Freeman, the Helena pitcher, is in a great measure responsible for the victory of the home club. He was not hit very hard, and kept the Great Falls well scattered, besides doing very prettily work at critical points. He has a slow drop curve which is very deceptive. Twineham gave him his support. Menefee, for the visitors, did good work in the box, but appeared to weaken at inopportune times and was hit hard when it was most needed to Helena.

With a little more practice the team which represents Helena will be doing fine work. The umpiring was satisfactory to the spectators and nearly so to the players. The attendance was about 200.

The Helena team started off in the lead in the first inning. Having sent a base on balls and Forbes' two-bagger sent him to third. He came home on Menefee's wild throw to catch him at third, Forbes taking another base on the same error. Crotty's safe hit brought Forbes home. A steal of second and another wild throw from behind the bat let Crotty in. The next three batters struck out in succession. Two hands were out for Great Falls in the same inning when Menefee got to first on called balls, stole second, and after Hemingway had also gotten a base on balls, came home on a safe hit of Connelly. Madison ended the inning by hitting to third and failing to beat the ball to first. Helena dropped out in one, two, three order in the second. Great Falls saw ray of light in their half after two hands were out. Tutu made a safe hit, but died in an effort to steal second. In the third inning, having sent two out, Miles nudged a fly from Crotty's bat, and Connelly batted an error of Stevens led in a run. Twineham made a hit and Smith reached first on a fumble of Buchan, but Griffin struck out, ending the base hitting. Great Falls got off with big promise in their half. Buchan got a base on balls and stole second, and Menefee sent him home with a three bagger. A pretty double play raised the visitors' prospects. Emerke hit a home run, who threw him out at first, and the quick return of the ball to home stopped Menefee from costing the plate. It was well for Helena that it happened this way, for Griffin fumbled a ball in the third inning, leaving two out, while Connelly got there on called balls. Madison, however, ended the inning by hitting to short, and being thrown out at first. Helena had only three men at the bat in the fourth inning. Great Falls again started off to do some "rag" getting Stevens out with a safe hit, but Crotty took Miles' liner and Stevens was caught before he got back to first. A bad throw by Crotty of an infield hit put Tutu on first, but Buchan struck out and the inning was over.

When Helena went to the bat for the fifth inning it was threatening rain. Early started with a base on balls, stole second, reached third on a bad throw, and came home on Forbes' hit. The latter stole second on the plate on called balls. Madison, Crotty sent a fly to center, which was easily captured. Twineham made a hit to the infield and beat the ball to first. After Smith had struck out, Griffin also had the ball in his hand. He declared afterwards he did not know where the ball was. The umpire knew, though. It was now raining quite hard, and the game was now ended for about twenty minutes.

The playing was resumed when the rain stopped off. The sixth saw no addition to the score. Helena went out as they stepped to the plate. Connelly, for the visitors, hit in front of the plate, but kicked the ball and was declared out. Madison hit out to Twineham. Stevens and Miles followed with hits, but Tutu knocked an easy one to Forbes and never reached first. The seventh inning was interesting, particularly for the Helena club. With two out, Twineham hit safe and Smith sent the ball to the fence, making the circuit himself and bringing in another run. Griffin then dropped a fly into Tutu's capacious hands. Great Falls did nothing, though Emerke took a hit on called balls after two were out, but was left there. Stringly started off the eighth for Helena by getting hit by a pitched ball and being sent to first. A liner from Wagoner's bat landed in Madison's hands and Stringly was caught off first, making a pretty double play. Freeman got in a hit, but Early failed to improve his chances, going out at first on a hit to Emerke. Great Falls lessened the gap in their half by Helena's error. A three base hit by Griffin and Crotty fumbled a hard grounder from Madison's bat, and Forbes made a bad throw to first of Stevens' hit to the infield. Twineham's wild throw sent Madison in, and Stevens crossed the plate safely after Miles' fly had settled in the left fielder's hand. Tutu then struck out, and that was Great Falls' last chance of any consequence for a run. Helena in the ninth, just thought it safest to increase their score. One hand was out when Crotty got a base on balls, stole second, took third on a wild throw from behind the bat and came home when Menefee dropped Twineham's third strike and threw to first. A single by Smith, a three base hit by Griffin, and another short hit by Stringly toward third sent in two more runs. Wagner ended the game for Helena with a strike out. Great Falls did nothing to speak of in their last of the inning. With one out, Menefee got a base on balls but was thrown out trying to make second. Emerke made a hit but

was left by Hemingway putting the ball into the infield and not reaching first. The score:

### Butte 13, Missoula 6.

Butte, May 14.—[Special.]—The base ball season in Butte was opened this afternoon under decidedly auspicious circumstances. The weather was all that could be desired and the attendance numbered nearly 1,000. A parade of the two clubs in uniforms in carriages, and headed by the Butte and Boston band, took place at one o'clock. The game was well played throughout, although it was a little too one-sided to be very interesting. Border, the Missoula catcher, was injured in the preliminary practice and Mo'ey had to take his place. This proved a serious handicap to the visitors. Harkness, for the home team, pitched a great game until he saw that the game was won, when he let up and saved himself for to-morrow. He also made the first home run of the season. Wilson caught fly, and Smith, the Butte's new third baseman, played a superb game. Powers gave good satisfaction as umpire. The score: Butte 13, Missoula 6.

### Bozeman 8, Phillipsburg 6.

Bozeman, May 14.—[Special.]—The opening league game was played this afternoon between Bozeman and Phillipsburg, resulting in a victory for Bozeman by a score of 8 to 6. The weather was good, a great many ladies being present. The teams were very evenly matched and the playing was sharp and brilliant. McMillan, of the Phillipsburg, made a beautiful drive over the right field fence, bringing in two runs, in the second. The battery work of both teams was excellent. Score: Bozeman 8, Phillipsburg 6.

### OTHER GAMES.

### Scores Made in Yesterday's Games by League Clubs.

CHICAGO, May 14.—Chicago won twice. In the first Luby won a pitcher's battle on superior support. In the second Harkness pitched a wild game for the visitors. ### Tried to Cremate Himself.

HONOLULU, May 14.—The negro McMillan, suspected of being the perpetrator of the outrage last winter in Seattle, Mo., today took a straw from the mattress in his cell, fired it with a match, and threw himself into the blaze. He was badly burned about the neck and head. His fight against removal was so strong that he would have been burned to death had not the jailer extinguished the flames.

## AN ANACONDA CALAMITY.

### Fifteen Miners Caught by a Cave, Eleven of Them Thought to Be Dead.

### Without Warning a Great Mass of Earth and Timber Comes Down.

### Work of Rescue Being Heroically Pushed by Fellow Workmen—List of the Men Imprisoned.

BUTTE, May 14.—[Special.]—At a few minutes after three o'clock this afternoon a cave occurred at the Anaconda mine, which resulted in a terrible loss of life. The cave occurred on the 800-foot level, on the fourth floor. As nearly as can be ascertained fifteen men were working on that floor at the time. A quantity of earth and timbers, estimated to be 100 feet in length and 100 feet wide, fell without the warning of a second. The work of rescue was begun within a very few minutes after the news reached the surface. The men worked in ten or fifteen-minute relays, each relay containing about twenty-five men. The earth in its fall had been packed so solidly that it was almost like digging in frozen ground and to the eager rescuers the work seemed very slow, although, in fact, considering the difficulties at hand, it progressed with marvelous rapidity.

The first man brought out was P. J. Murphy. He was not completely covered and his injuries were so slight that he was able to walk home after reaching the surface. Next, Mike Langstran was brought out, taken to the hospital, and was carried into the city home. Dr. Heber Ioharst, who had arrived, examined him and found him suffering from a severe scalp wound and bruises about the body. The physician did not consider his injuries necessarily dangerous, although they might so develop. The third taken out was James Green, who was injured about the legs, but it is believed not seriously. He was struck by a shovel handle.

By this time there had been obtained from the bosses and men working in the vicinity a list of those working on the fourth floor at the time of the accident. There were fifteen of them altogether and their names are as follows: Wm. Hyland, Tim C. Murphy, Quinn Leary, Jerry N. Harrington, Seward Steward, Dan Sheehan, John Nordstrom, John Smith, John D. Sullivan, Frank Aggeza, John Davis, Mike Langstran, James Green, P. J. Murphy and Robert Works. Of these fifteen, the first eleven have not been recovered and are all probably dead. The three mentioned above were slightly injured. Works is now being rescued. His leg is caught between two timbers. It is believed the other eleven men are crushed to death, as nothing can be heard to indicate that they are still alive.

### Missoula High School Commencement.

MISSOULA, May 14.—[Special.]—This evening the commencement exercises of the Missoula high school took place. The exercises consisted of the addresses of the members of the graduating class, music and the address and delivery of the diplomas by S. G. Murray, president of the school board. The graduating class and the titles of their essays were as follows: Ralph Moore, valedictorian, "The Development"; Daniel Heytorn, "Modern Holiness"; Frank Hartley, "Building of a Nation"; Miss Verie Horing, "Our Debt to Columbus"; Miss Gerie Hatheway, "Literature"; Miss Alice Hennessy, "Rise and Fall of Civilization."

### Phillipsburg Democrats.

PHILLIPSBURG, May 14.—[Special.]—The democrats held their town convention to-night and nominated the following ticket: For mayor, James McDonald, the present incumbent; for aldermen, the ticket: H. B. Ringling, Second, L. W. Solari, Third, Fred M. Farrol. It is generally conceded that McDonald will be an easy winner over H. F. Titus, the republican nominee for mayor, and the democrats will probably elect their aldermen for the second ward, though the town is usually reliably republican.

### Everything Running as Usual.

MARVETVILLE, May 14.—[Special.]—The fire in the Drum Lammon mine is extinguished and everything is running as usual. The damage is confined to the shaft in which the fire originated. It is estimated that at one time 95,000 cubic feet of timber was burning.

### Credibility Delegates.

BOZEMAN, May 14.—[Special.]—The prohibition county convention, to-day elected O. W. Smith, B. M. Dawes and Rev. Wilder Nutting, delegates to the Helena state convention.

### THE MINISTERIAL VISITORS.

They Arrived at Midnight and Are at the Broadwater.

The special train containing the delegates to the Presbyterian general assembly arrived at Helena about 12 o'clock last night. It was in charge of Assistant Grand Passenger Agent B. N. Austin and Dr. Wm. Henry Roberts, of Cincinnati, and is composed of nine Pullman sleepers, two dining cars and one baggage car. There are 273 gentlemen and ladies in the party. The train was sidetracked at the Broadwater, and the travelers spent the night in the sleepers. Those who have volunteered to convey some of the visitors to town, as well as those who are going to entertain them at luncheon or dinner, should go down to the hotel about 10 o'clock this morning. The train will leave Helena for the west at one o'clock Monday morning. The assignments of the visiting clergymen to the local pulpits will be found in the regular church service column.

### Would Be One of It.

SAN FRANCISCO, May 14.—The steamship Maipo arrived to-day from Australia and Honolulu. Passengers it is learned that the Hawaiian Legislature will meet on May 25, and the most important subject to come before it will be the question of annexation to the United States. From what can be gathered the proposition seems to meet with considerable favor, and it is stated that sugar planters are working for annexation and are using all means to carry it to a successful issue.

A heavy wind and rain storm visited Hawaii on the 4th inst. and doing great damage. The rice crop will probably be badly damaged.

## THE VISITING PYTHIANS.

### They Are Received by Helena Brethren and Hospitably Entertained.

Supreme Chancellor George P. Shaw and Maj. Gen. James R. Carnahan, of the Knights of Pythias, arrived in Helena yesterday on the Northern Pacific west-bound train. The gentlemen are on the way to attend the session of the Grand Lodge, of Washington state, and broke their journey here on the invitation of Helena members of the order. Dr. J. C. White, supreme K. of R. and E., it was thought would be one of the party, but he found it impossible to take the trip. A committee consisting of Jacob Loeb, L. A. Walker, E. S. French, J. A. Dougherty, P. H. Campbell and Eugene Meyer met the gentlemen and accompanied them to The Helena. A little after three o'clock the party took a special car on the Broadwater, where an hour or more was pleasantly spent in the evening a formal reception was held at the Castle hall and the local members generally availed themselves of the opportunity to meet the visitors.
