GREAT FALLS RAUCS.

Favorite and Short Horses Divide the Events. GREAT FALLS, Aug. 26.—(Special.)—One thousand two hundred people assembled at the fair grounds to-day to witness the races.

ESTHETIC BIRDS. Some of Them Build Play Houses and Adorn Them. BASELESS LIES.

Such Are Certain Reports of Cleveland's Official Acts as President. CHATTANOOGA, Aug. 26.—As the outcome of a political discussion between a democrat and a republican of this city, the latter having asserted that "during Cleveland's administration he (Cleveland) permitted 30,000 families from their homes in Minnesota and other northwestern states," Mr. Cleveland had addressed the following letter to Mr. Shibly, democratic disputant in the case:

DEAR GENTLEMAN: BOSTON, Mass., Aug. 26, 1892. My Dear Sir, I have just received your letter of the 23rd inst. at hand. In reply I have to say that I have not the least idea what your worthy friend meant when he declared that I had been the means of saving some homes to my countrymen and have tried very hard to make the burdens of their lives easier. I am amazed at the receiving from the southern country letters containing charges like that which you bring to my attention. I am surprised first at the impudence necessary for their concoction without the least semblance of foundation. I am more amazed that with my record before the people of this country that such baseless lies should be deemed sufficient arguments to prejudice me and cause me to be regarded as a traitor to my country, on the minds of the southern people. Very truly yours, GROVER CLEVELAND.

THE MARKETS.

NEW YORK, Aug. 26.—Bar silver, 88. Copper—Dull, lake, \$11.00/11.00. Lead—Firm, domestic, \$3.05/3.15. Other leaders were unaffiliated. Transactions in sugar were large and closed 2 per cent higher, but no material improvement. The close was quiet, heavy, generally within a shade of first figures.

TRUTH STRANGER THAN FICTION.

A True Story from North Carolina. Some one has said that "the true and the false speak the same language." But there can be no doubt that this speaks with the truth. In the letter from Mrs. J. M. Hollander, proprietress of "Hotel Hollander," Apex, N. C.—"My son Harvey had scrofula from the time he was three years old until he was seven. We had the best doctors that the country afforded, yet he was given up to the several times, and one recommended Dr. Pierce's Golden Medical Discovery. After taking five bottles he was well enough to get about, and he has remained so ever since. I find a remedy for scrofula—something that purifies the blood, as well as cures Consumption, which is only lung-scrofula. Dr. Pierce has found it. It is his "Golden Medical Discovery." As a strength-giver, blood-purifier, and flesh-builder, nothing like it is known to medical science. For Scrofula, Bronchitis, Throat, and Lung affections, Weak Lungs, Severe Coughs, and kindred ailments, it is the only remedy that is sure to be guaranteed. If it doesn't benefit or cure, in every case, you have your money back."
