The Montana A. O. U. W. to Establish a Home for Widows and Orphans.

Sick and Disabled Members of This Jurisdiction to Be Protected.

First Order in the State to Take the Initiative Steps for Such an Institution.

Several of the fraternal societies in the eastern states have established and are maintaining widows' and orphans' homes. The first order in Montana to take the initiative steps toward the establishment of such an institution is the A. O. U. W., which has grown so rapidly since the establishment of the first lodge, Capitol No. 2, at Helena.

At its recent session at Great Falls the grand lodge of Montana adopted the recommendations of the committee on laws, as conceived by J. W. Kinsey, P. S. M. W. The committee reported "that the time had arrived when it would be the part of wisdom as well as noble charity to take the initiative steps toward establishing a home for poor and destitute widows and orphans and also for sick and disabled members of our order."

"While we recognize that this is an advanced step, and one that older jurisdictions than ours have not yet entered upon, we know of no good reason why Workmen in Montana should not be the pioneer in such a good and noble work.

We will not endeavor to report in stating reasons why we believe such a home would be not only creditable to the order in this jurisdiction, but of great and lasting benefit to its possible beneficiaries, but submit for your consideration the following resolutions and recommend their adoption:

To amend article 4, section 1, of the constitution of the grand lodge of this jurisdiction, by inserting a new paragraph therein to read as follows:

"To establish and maintain a home wherein to provide for the maintenance and support of poor and destitute widows and orphans of brothers of the A. O. U. W., and to afford similar protection to sick and disabled workmen, with authority to levy taxes or assessments for the support and maintenance of the same."

Resolved, That a general law of this grand lodge be enacted, to read as follows:

"Until otherwise provided the past grand master workmen in good standing in this jurisdiction, together with the grand master workmen and grand receiver and grand receiver for the time being, be and are hereby constituted a board of trustees, to be known as the trustees of the Workmen's home for the protection of orphans of workmen, widows, sick and disabled members of our order belonging to lodges in this jurisdiction, and said board are hereby authorized to meet three times each year at the office of the grand receiver for the purpose of formulating and presenting to this grand lodge plans, rules and regulations for the creation and conduct of such a home, and the finance committee is hereby directed to audit and allow traveling expenses for the members of the above board of trustees so constituted in attending the meeting above provided for. The said board of trustees is hereby required to present a report of their doings, with any recommendations they may have, at each session of the grand lodge.

And for the purpose of providing means once for carrying out this project, and with a view to make the expense of the same light and easier a burden, your committee would recommend the adoption of the following resolutions:

Resolved 1st, That an assessment be levied for every death which occurs in this jurisdiction from the present date to Dec. 1, 1892, provided the assessments so levied do not reach our maximum, under the relief law.

Resolved 2d, That from the surplus obtained from assessments so levied and now on hand, the finance committee and grand lodge officers shall pay relief call No. 13, and the remainder of such surplus, if any, there may be, shall be set aside in the hands of the grand receiver and be constituted the widows' and orphans' home fund.

Resolved 3d, That all profits realized from the sale of Degrees of Honor supplies, and all per capita taxes paid by Degree of Honor lodges, shall be paid into and become a part of the Widows' and Orphans' home fund.

Resolved 4th, That the several lodges of this jurisdiction be requested to give a public entertainment on Oct. 27 of each year, and to donate the net proceeds of such entertainment to the Widows' and Orphans' home fund.

Resolved 5th, That until the further order of this grand lodge, all moneys so set apart in the Widows' and Orphans' home fund, may be used by the finance committee and grand lodge officers in the prompt payment of death claims, the same to be restored in regular order by current assessment."

PETER BREEN'S CASE.

He is Said to Have Other Charges to Answer Beside That of Murder.

Hon. Peter Breen was brought before Judge Holleman Thursday afternoon on a writ of habeas corpus and a motion was made by his attorney, C. W. Bushnell, for his discharge, says the Cour d'Alene Mirror. The motion was opposed by District Attorney O'Neill. Judge Holleman denied the motion. Application was then made to release the prisoner on bail, which was granted, his bond being fixed at \$20,000.

Laraine Brothers, the bankers, telegraphed the Cour d'Alene bank this week that arrangements had been made with them for \$20,000, and for the bank here to secure the bondsmen and they would secure them for the amount. No bondsmen had qualified last night and it is expected that a cash bond will be put up. This bond is on the charge of murder. He has numerous other charges to answer.

KILLED AT P. P. JUNCTION.

John A. Close, a Switchman, Run Over by a Freight Engine.

Last evening while walking down the railroad track near the Prickly Pear Junction ahead of his engine, No. 144, John A. Close was run into by freight engine No. 566 of the Northern Pacific road and instantly killed. His right arm was cut off at the shoulder, the left badly mangled, and his body almost cut in two. He had his back toward his own engine, which was on the main track, while the freight engine backed down on another track on which he was. It is supposed that he heard the noise of the freight engine and thought it was the switch engine. As it struck him one foot caught in a frog and pinned him from moving. It happened so suddenly that a man who was walking opposite to him on the outside of the track did not realize what had happened until he saw Close under the wheels. The engine was stopped before the forward trucks reached his body. He was about 80 years of age and unmarried, and was a member of Red Cross Lodge No. 33 K. of P., the Brotherhood of Railway Trainmen and the Odd Fellows. The funeral services will be held at the Presbyterian church on Helena avenue near the Northern Pacific depot at 12 o'clock to-day. The body will be shipped on the east bound express at one P. M. to his home at St. Clairsville, Ohio. The members of the Brotherhood of Railway Trainmen will meet at Flaherty's undertaking establishment on Broadway at 11:30 a. m., to escort the body to the French Hill. All members of Red Cross Lodge No. 33 K. of P. are requested to be at A. O. U. W. hall to take part in the funeral services.

The prizes consist of diplomas and are awarded for general turning on the horizontal bar, parallel bars, wooden horse, chin ball, high rope climbing, jumping and pole vaulting. Henry Gunther made seventeen feet in the running jump and seven feet, four inches in the pole vault. Charles Oppa made twenty-eight feet eight inches in the rope climbing. The diplomas were bestowed upon the successful contestants by a committee of young ladies at Turner hall last night. For drilling, military figures and wand exercises, the prizes was awarded to a company from the Helena Turnverein.

At the business session yesterday morning Helena, Great Falls, Butte and Phillipsburg were represented. John Steinmetz presided. Under the rules of the state society the election of state officers was held at the Helena Turnverein. A resolution was adopted to the effect that Montana would send a delegation to the national society which meets at Milwaukee next summer. The next state meeting is to be held at Great Falls.

The sixth annual meeting came to an end last night with a ball at Turner hall.

A MURDEROUS ASSAULT.

A Miner Attacked by Two Men Near Sixth Avenue.

John Snow, a miner, who arrived from Great Falls yesterday morning, had a strange experience with William Schlemmer, a bricklayer, and another man whose name is unknown. Snow and Schlemmer have been traveling together in search of work for about a week and they have been in Livingston, Butte and Great Falls. Last night Schlemmer introduced Snow to a stranger in a saloon on Main street. After taking a drink, Snow says Schlemmer proposed that all three go to Marysville on a freight train last night. They went down town, and on reaching Sixth avenue turned into the street back of Bach, Cory & Co.'s store. The next thing that occurred was that Snow felt a blow on the head which knocked him down. The stranger had Snow by the throat as he struck the ground. Dr. E. L. Kellogg was driving by and saw the assault. He jumped out of his buggy to assist Snow. The men fled and the doctor took Snow to police headquarters and dressed the wound on his head. It is not serious. Snow thinks it was made with a knife. He was around town last night with an officer looking for his assailant. He says he has befriended Schlemmer and cannot account for his action. Snow has a brother in Great Falls and one in Helena, the latter being William Snow.
