Spring medicine and Bond's Pepsari's are synonymous terms, so popular is this medicine for its cures.

Trials Pianos Estimated Highly. Coin collectors especially value the "trial pieces" or experimental coins that are made by artists connected with the mint for submission to the coinage committee of congress when a change of design is contemplated. As only ten or a dozen strikes are made of each pattern, they are extremely rare. The secretary of a late member of the president's cabinet says that the coin-greemen who get these trial pieces are usually ignorant of their value, for he has seen them paid out for shoe blacking and coal tea.

WISE MEN TAKE ADVICE, FOOLS DO NOT. READ THIS! If you suffer from loss of appetite, tired, weak feeling in the back, aching limbs, dizziness, irritation of the bladder, shortness of breath or constipation, WE ADVISE YOU TO USE OREGON KIDNEY TEA. It is strictly a vegetable preparation and acts directly upon the kidneys, controlling their action and subduing the irritating elements that are so thoroughly removing them that uric acid poisoning is impossible. SUFFER NO LONGER. USE O-K-T.

Nervous Prostration. Stupidity, Sick and Nervous Headaches, Backache, Dizziness, Morbid Fears, Hot Flashes, Nervous Dyspepsia, Bulimia, Confusion, Hysteria, Fits, St. Vitus' Dance, Ophthalmic Inflammations, etc., are cured by Dr. Miles' Restorative Nervine. It does not contain opium. Mrs. Sophia C. Brownlee, Deland, Fla., suffered with Nervine for 20 years and testifies to a complete cure. Jacob Peter, Elba, Oregon, had been suffering with Nervous Prostration for four years, could not sleep, nothing helped him until he used Dr. Miles' Restorative Nervine; he is now well. I wish to bear testimony to the value of Dr. Miles' Restorative Nervine. For fully 20 years I suffered incessantly from a distressing nervous headache, from which I could get no relief. Last year I was compelled to quit work because of its severity. I procured a bottle of Dr. Miles' Nervine, and after taking about one-half of it the headache disappeared and I have not had it since. I have reason to believe I have been permanently cured, and Dr. Miles' Nervine must have the credit. W. W. EVANS, Ed. Independent, Waynesboro, Pa. Sold on a positive guarantee.
