The World's Fair—What it Means.

It means that from May 1 until Oct. 31 there will be an exhibition in Chicago of the triumphs of all the ages. The rarest and choicest specimens of the handwork of man from the nations of the earth will be there to instruct and delight.

That for six months Chicago will be the most cosmopolitan spot on the globe. That the American people will have the wonderful opportunity of mingling with and observing the habits and characteristics of the people of every nation in the world. That "villages" of the different foreign countries, constructed by and made up entirely of the people from such countries, will be a most interesting feature of the fair.

That the American citizen, of whatever foreign birth or parentage, may carry himself back again to the land of his origin by visiting and studying these foreign "villages."

That a few days or weeks spent at the World's fair will be worth years of travel. That this is the grandest opportunity the American people have ever had for interesting study and pleasure, and that a trip to Chicago during the next six months will be the event of a lifetime.

The Chicago, Milwaukee & St. Paul railway offers the best and most frequent train service from St. Paul and Minneapolis to Chicago. The only line lighting its trains by electricity. The most perfect dining cars, and the best sleeping cars in this country. Ask your agent for tickets via "the Milwaukee"—the Government's Fast Mail Line, or address J. T. CONLEY, Asst. Gen'l. Pass. Agent, St. Paul, Minn.

NOTE—Write for a C. M. & St. P. World's fair folder. It gives full particulars as to how to visit the fair and what it will cost.
