NOTICE. A. A. Campbell is the only authorized traveling agent of this paper.

THE WEATHER. Reported for THE INDEPENDENT daily by J. M. Herber, United States observer.

SEND HIM A LETTER.

The letter of Chairman Manley, of the national republican executive committee...

Notwithstanding this respectful consideration, it was deemed just and fair to you to have you understand that the republican party would be very materially advanced...

BITUMINOUS coal was placed on the free list by the house on Tuesday for the sole benefit of the Whitney syndicate...

WHEN the duty was taken off sugar the price was immediately reduced one-third, to the immense advantage of all the people...

THE esteemed Anaconda Standard is consistent with itself in one thing at least—it steadily opposes free wool...

HANLIN GARLAND says James Whitcomb Riley's family is of Pennsylvania Dutch origin and the name was originally Ryland...

There would be much less disorder in the French chamber of deputies if the members would adopt Marquis of Queensbury rules.

IF our esteemed cousins across the water have any really good champions of anything they will please send them over.

ONE way to push home industries is to advertise in home newspapers. Some people never think of this.

RUSTLING FOR ANACONDA. Boulder comes conscience of Anaconda Standard. Charles Z. Pond, who a few weeks ago accepted a position with the Butte, Anaconda & Pacific road...

HOZMAN CHRONICLE. John K. Tools, of Anaconda, arrived in the city on Sunday and will remain here several days. Mr. Tools has always been a warm friend of Hozenan and our citizens are glad to have him visit them occasionally.

HOZMAN CHRONICLE. Word reaches the Chronicle to the effect that the engineers of the Burlington road are building cabins at Sixteen Mile. This would indicate that the road is surely coming through that way and that it will strike Three Forks...

"Hex" The best hard wheat flour on the market. Made and kept at slaughtered prices at The Hoe Mill.

having the industrial elements of progress and permanent support, and where enterprises are encouraged and aided...

It was the final opinion of all these gentlemen, that this way lies the great American fortunes of the future...

These conclusions undoubtedly are sound, provided those who make such investments do not buy more than they can pay for. This is the great danger to all who go into such speculations.

The St. Louis Globe-Democrat predicts the loss of New York state to the democrats in 1896. It says: "Each of the big parties has been hurt by factional quarrels in New York..."

That is quite probable. The same party never has carried New York at two successive presidential elections and it will be the republican turn two years hence...
