Miraculous Results.

From a letter written by Rev. J. Gun- derman, of Dimondale, Mich., Nov. 28.—A special to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were al- most marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with pneumonia succeeding a gripple. Terrible paroxysms of coughing would last for hours with little interruption, and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery, it was quick in its work and highly satisfactory in results."
