St. Louis, August 27.—A Post-Dispatch Gallatin special says: Frank James' trial was resumed this morning. Mrs. Samuels, mother of Frank James, was sworn for the defense, after which Dick Little was cross-examined.

It has leaked out that the defense will endeavor to prove an alibi. General Joe Shelby being their principal witness, and further that the Winston gang consisted of five men and that Jim Cummings was the fifth man.

Frank James, in cross-examination, said the arrangement to come to Missouri was perfected at Bob Hall's house in Tennessee, and Frank James was not present. Defense laid very great stress on that point. Witness then narrated his trip, which terminated in the Winston robbery, his direct testimony being unshaken.

Little was asked if, in company with Jesse James, Wood Hite and Jim Cummings, he did not meet General Joe Shelby in a lane near Shelby's house, just after the Winston robbery, and Shelby said to Jesse, "I thought you were dead;" and Jesse replied, "You see I am not." "Where is Frank?" asked the General. "His health is so bad that he has been south several years," replied Jesse. And did not witness say he had not seen Frank James for two years?

Witness answered that he had not seen General Shelby since the robbery until he met him in Kansas City last Thursday. Witness further denied that he told several other persons that Frank James was not in the Winston robbery. Witness related his negotiations with the Governor to surrender and his willingness to reveal the secrets of the gang.

Troy, N. Y., August 27.—The convention of the Woman's National Christian Temperance Union at Round Lake closed yesterday. The services were largely attended. Addresses were made by Miss E. W. Greenwood, of Connecticut; Mrs. Mary P. Hunt, of Hyde Park, Mass.; and the president, Mrs. Mary S. Burt.

New York, August 27.—There was great depression on the Stock Exchange at the opening, and during the first twenty minutes prices dropped one-half to seven-eighths from the closing quotations of Saturday. The entire list shared in the downward movement, and there was a free pressure to sell.
