

SOCIETY

January's third week, though characterized by weather conditions that made it difficult to get about, was interesting from a society point of view; there were many entertainments of particularly pleasing character in addition to the regular club sessions and card parties. The keynote of the week may be said to have come from the college fraternities, their circles having been the scenes of two unusual events. First among these was the nationalizing of the women's Delta Sigma society, which gives the local sorority standing in what is regarded as the highest ranking organization in the country. The closing days of the week brought the formation of an alumni chapter of the Sigma Chi in the city, the meeting Friday night at the chapter house being a pleasant occasion. The most pretentious and the most successful event of the week in society was the annual ball of the ladies of the B. R. T. auxiliary, which was given Friday night at Elite hall. The affair was perfectly managed and everything from the decorations to the minutest detail was handled with grace and skill. The affair had special significance as it was the formal dedication of the new Elite hall; the ladies had decorated the large hall with characteristically significant colors and the switchlights served to keep all trains moving straight. It was altogether delightful.

Delightful Birthday Party.

One of the most delightful affairs of the season was the birthday party given on Monday afternoon by Mrs. C. A. Barnes in honor of her little daughter Catherine's sixth anniversary. A number of little ones were taken for a sleigh ride around the city which lasted for two hours, after which they went to the charming Barnes home in South Missoula where games were enjoyed until late in the afternoon. At 4:30 a delicious luncheon was served in the dining room which was exquisitely decorated in pink and white. A large white birthday cake, ornamented with pink candles, made a beautiful and appropriate centerpiece. Pink ribbons were festooned from the chandelier to the table, where they were tied in graceful knots. Covers were laid for 25, and dainty favors in pink and white were found at each place. A delicious menu was served. The guests present were Marjorie Wilkinson, Elizabeth Rowe, Vivian Effinger, Margaret Plant, Alice Graham, Margaret Rutherford, Stella Overton, Edna Peppard, Katherine Keith, Mary Little, Alice Hope, John Wisterman, Tom Duncan, Leland Duncan, Oakley Coffee, Laurence Putney, Harold Duman, Roy Rutherford, Lloyd Effinger and Philip Rowe.

Enjoyable Smoker.

Friday night at an informal smoker given by the local chapter of the Sigma Chi fraternity in honor of the resident graduate members of the college order, steps were taken towards the organization of an alumni chapter in Missoula. A temporary organization was perfected and a committee was appointed to arrange the details of the chapter's birth. Professor F. C. Scheuch was chosen president and C. E. Simons secretary-treasurer. President Scheuch appointed the following committee: C. E. Simons, T. J. Farrell, Jr., and F. T. Ferguson. The Missoula alumni chapter of Sigma Chi will have a large charter member roll and promises to become one of the strongest organizations of the kind in the west. It is the only chapter of alumni "Sigs" in Montana. The University of Montana chapter offered royal entertainment for its guests last evening and practically every member of the fraternity in the city was present at the Sigma Chi house on South Fifth street east.
