LICENSE FOR LIQUOR LAPPERS

A WASHINGTON LEGISLATOR WOULD MAKE DRINKER PAY FOR BOOZE PRIVILEGE.

Spokane, Jan. 24.—Liquor drinkers in Washington will be forced to carry licenses, embossed with their photographs and other data of identification and any one will be permitted to engage in the traffic without the payment of fees if the measure framed by Elmer E. Hall of Spokane and fathered by State Senator Whitney of Spokane county is adopted by the legislature, now in session at Olympia. The purpose is to revolutionize the existing saloon system and settle the liquor question.

Licenses to drink anything stronger than ginger pop and the various other "stinkless" concoctions will cost \$5 a year. There is no sliding scale. The rugged individual with a battered dime and a camel's neck thirst will then occupy the same status as a newly made millionaire with a sudden fondness for crystal bubbles rising on the juice of the grape. The licenses will be non-transferable and will permit the holder to buy drinks only from dispensers in the county where the permit is issued.

With the view to encourage temperance it is provided also that the penalty upon conviction for intoxication shall be forfeiture for the license for a period ranging from 30 to 60 days, at the discretion of the trial judge, and that the license shall be declared permanently forfeited upon the second conviction. Similar penalties are provided for selling liquor to any one not possessing a permit or to intoxicated persons with permits.

Senator Whitney says there is a strong sentiment in favor of such a law, "and," he adds, "there is a chance for its passage during the present session if the local option fight does not crowd it off the calendar."

Lots \$150 Lots

We have six fine lots in South Missoula addition, one block from Stephens avenue, that we are offering for sale for a few days at \$150 each. These lots are splendidly located and will soon be close in. For quick sale. Don't delay.

A LIBERAL OFFER

The Missoula Drug Company Guarantees to Cure Dyspepsia. If They Fail, Medicine Costs Nothing.

To unquestionably prove to the people of Missoula that indigestion and dyspepsia is curable and that Rexall Dyspepsia Tablets will effect the cure, we will furnish the medicine absolutely free to anyone giving it a trial. The remarkable success of Rexall Dyspepsia Tablets is largely due to the new and successful method of manufacture, whereby the well-known properties of bismuth, subnitrate and pepsin have been combined with carminatives and their agents. Bismuth, subnitrate and pepsin are recognized by the entire medical profession as specifics for acute indigestion and dyspepsia.

The pepsin used in Rexall Dyspepsia Tablets is manufactured by a new process which develops its greatest efficiency. Pepsin supplies to the digestive apparatus one of the most important elements of the digestive fluid, and exerts a tonic influence upon all the glands which supply all the other elements necessary to proper assimilation and digestion.

The carminatives add properties which promptly relieve the disturbances and pain caused by undigested food. The perfect combination of these ingredients make a remedy absolutely incomparable and invaluable for the complete cure of indigestion and dyspepsia.

We are so positively certain of this that we sell Rexall Dyspepsia Tablets on our own personal guarantee that they will either cure you or cost you nothing. Three sizes, 25¢, 45¢ and 85¢. Missoula Drug Co., corner Higgins avenue and Front street.

DIES AT RESIDENCE IN ORCHARD HOMES

Mrs. Ana R. Harding, aged 53 years, died yesterday afternoon at 3 o'clock at the family residence in the Orchard Homes. The cause of death was pneumonia. She was the wife of L. G. Harding, and with her family had lived in the Orchard Homes for the last six years. Besides the husband, she is survived by a daughter, aged 16, and a son, who at present lives in Hilliard, Wash. The son has been notified of the death of his mother, and no funeral arrangements will be made until his arrival in this city.

VARSAITY SETTLES DOWN TO WORK FOR HELENA

After having had a chance to show their basketball caliber in a series of interclass contests all the young men of the state university who have the least likelihood of making the varsity team will be out for hard practice work this week. Next Friday evening the first varsity game will be played in the university gymnasium with the Montana Wesleyan team. The university basketball team is exceptionally fortunate this year in having a full lineup of last winter's team men back in college. Hamilton, Bishop, Montgomery, Little, Ryan and Dorman have all played on the varsity and with the appearance of several new men the material in sight is first class. Hogan and C. Forbin are good men in the game, while Conner, MacLay, Dinamore, C. Johnson, Lee-h and W. Thome are in the class of good substitutes. In good basketball material the university ought to have the best of the agricultural college team, which have carried off championship honors repeatedly in the past. The "Aggies" have only one of their last year's team with them now, but they have lost no time in practice this year and will probably develop another strong team. The Montana Wesleyan college of Helena is putting out a good team this winter and the varsity expects an exciting contest when the Helena boys are here next Friday. Manager Bishop of the Helena team has substituted a game with the Anaconda high school alumni for the proposed game with the school of mines team with whom he was unable to conclude satisfactory arrangements. Ed Wenger, formerly a varsity team man, is playing with the Anaconda team this winter.

That rosy Hollister's Rocky Mountain Tea complexion can't rub off, and doesn't look "fakey." It's natural because it's real—because it comes from perfect health. Endorsed by leading beauties everywhere. Tea or Tablets, 25 cents. David Smith and G. F. Peterson.

WILLIE WASN'T AFRAID.

A 5-year-old boy, on hearing grace asked, for the first time at breakfast, gravely remarked: "I only say my prayers at night. That is the dangerous time."—Life.

THE WEATHER

The temperatures yesterday showed a decided decline, a sharp northeast wind adding to the discomfort of the day. Following are the observations: Maximum 34 Minimum 12 At 6 a. m. Thermometer 15 Barometer 26.71 At 6 p. m. Thermometer 31 Barometer 26.63 Northeast wind. The Japanese government is waging a successful war on rats by paying for every dead one brought in, and giving each rat slayer a ticket to a lottery with valuable prizes.

JOE FITZGERALD'S Toggery

You don't have to be elected to the bench to be a judge of the values I'm now dishing out. Shirts, collars, neckwear, underwear, caps and the many other things decent men wear are reduced to the point where profit becomes a sad memory.

However, it's only carrying out my policy of never holding over one season's goods to another. I'd like to see all you men get in the swim and annex some of the good things.

It's worth while, and you know it. Yours truly, JOE. 225 Higgins Ave.
