## JOE FITZGERALD'S Toggery

You don't have to be elected to the bench to be a judge of the values I'm now dishing out.

Shirts, collars, neckwear, underwear, caps and the many other things decent men wear are reduced to the point where profit becomes a sad memory.

However, it's only carrying out my policy of never holding over one season's goods to another. I'd like to see all you men get in the swim and annex some of the good things.

It's worth while, and you know it. Yours truly, **JOE**.
